

- 18 This will be written for the generation to come,  
That a people yet to be created may praise the Lord,  
For He looked down from His holy height,  
From heaven the Lord gazed upon the earth,  
To hear the groaning of the prisoner,  
To set free those who were doomed to death,  
That men may tell of the name of the Lord in Zion,  
And His praise in Jerusalem,  
Where the people are gathered together,  
And the kingdoms, to serve the Lord.
- 23 He has weakened my strength in the way,  
He has shortened my days.  
24 I say, "O my God, do not take the away in the midst of my days.  
Your years are throughout all generations.  
25 "Of old You founded the earth,  
And the heavens are the work of Your hands.  
26 "Even they will perish, but You endure:  
And all of them will wear out like a garment.  
Like clothing You will change them and they will be changed.  
27 "But You are the same,  
And Your years will not come to an end.  
28 "The children of Your servants will continue,  
And their descendants will be established before You."

## Psalm 103

A Psalm of David.

- 1 Bless the Lord, O my soul,  
And all that is within me, bless His holy name.  
2 Bless the Lord, O my soul,  
And forget none of His benefits;  
3 Who pardons all your iniquities,  
Who heals all your diseases,  
4 Who redeems your life from the pit,  
Who crowns you with lovingkindness and compassion,  
5 Who satisfies your years with good things,  
So that your youth is renewed like the eagle.
- 6 The Lord performs righteous deeds  
And judgments for all who are oppressed.  
7 He made known His ways to Moses,  
His acts to the sons of Israel.  
8 The Lord is compassionate and gracious,  
Slow to anger and abounding in lovingkindness.  
9 He will not always strive with us,  
Nor will He keep His anger forever.  
10 He has not dealt with us according to our sins,  
Nor rewarded us according to our iniquities.  
11 For as high as the heavens are above the earth,  
So great is His lovingkindness toward those who fear Him.  
12 As far as the east is from the west,

103:18-20

As far as the East is from the

- 13 As far as the east is from the west,  
So far has He removed our transgressions from us.  
14 Just as a father has compassion on his children,  
So the Lord has compassion on those who fear Him.  
15 For He Himself knows "our frames";  
He is mindful that we are but dust.  
16 As for man, his days are like grass,  
As a flower of the field, so he flourishes.  
17 When the wind has passed over it, it is no more,  
And its place acknowledges it no longer.  
18 For the lovingkindness of the Lord is from everlasting to everlasting  
on those who fear Him,  
And His righteousness to children's children,  
19 To those who keep His covenant  
and remember His precepts to do them.

- 20 The Lord has established His throne in Jerusalem,  
and His "kingdom" rules over all.  
21 Bless the Lord, you His angels,  
Mighty in strength, who perform His commands,  
Obeying the voice of His word,  
22 Bless the Lord, all you His hosts,  
You who serve His name, His will,  
23 His voice, His word, His power,  
In all you do, His glory, His might,  
Bless the Lord, my King.

## Psalm 104

- 1 Bless the Lord, O my soul,  
Bless His God, You are wonderful,  
You are clothed with splendor and majesty,  
2 Covering Yourself with light as with a garment,  
Stretching out heavens like a tent,  
3 He lays the beams of His upper chambers  
He makes the clouds His chariot,  
He walks upon the wings of the wind,  
4 He makes "the winds" His messengers,  
Flaming fire His ministers.  
5 He established the earth upon its foundation,  
So that it will not shake forever and ever.  
6 You covered it with the deep, as with a garment;  
The waters were standing above the mountains  
7 As Your rebuke they fled,  
At the sound of Your thunder they hurried away.  
8 The mountains rose, the valleys sank down  
To the place which You established for them,  
9 To set a boundary that they may not pass over,  
So that they will not return to cover the earth.

White ,2024-11-14 Justin J White explores the nature of images in ancient Israel through a reconceptualization of the relationship between image and text He proposes that in ancient Israel texts evoked images as a core part of their rhetoric Rather than conceptualizing texts and images as ontologically or functionally distinct media he argues that both media are mixed media even while neither medium is reducible to the other In order to make this argument he focuses on the visual aspects of textual rhetoric what he terms the poetics of visuality He builds his argument across three text specific axes of visual rhetoric ekphrasis the visual imagination and material agency He makes the claim that each of these three axes are endemic to Israelite literature and mutually contribute to the formation of a robust ontology of visual representation in ancient Israel     Women and Exilic Identity in the Hebrew Bible Martien A. Halvorson-Taylor,Katherine E. Southwood,2017-12-28 Notions of women as found in the Bible have had an incalculable impact on western cultures influencing perspectives on marriage kinship legal practice political status and general attitudes Women and Exilic Identity in the Hebrew Bible is drawn from three separate strands to address and analyse this phenomenon The first examines how women were conceptualized and represented during the exilic period The second focuses on methodological possibilities and drawbacks connected to investigating women and exile The

third reviews current prominent literature on the topic with responses from authors With chapters from a range of contributors topics move from an analysis of Ruth as a woman returning to her homeland and issues concerning the foreign presence who brings foreign family members into the midst of a community and how this is dealt with through the intermarriage crisis portrayed in Ezra 9 10 to an analysis of Judean constructions of gender in the exilic and early post exilic periods The contributions show an exciting range of the best scholarship on women and foreign identities with important consequences for how the foreign known is perceived and what that has meant for women through the centuries

*A Biblical History of Israel, Second Edition* Iain Provan, V. Philips Long, Tremper Longman III, 2015-10-23 For over a decade *A Biblical History of Israel* has gathered praise and criticism for its unapologetic approach to reconstructing the historical landscape of ancient Israel through a biblical lens In this much anticipated second edition the authors reassert that the Old Testament should be taken seriously as a historical document alongside other literary and archaeological sources Significantly revised and updated *A Biblical History of Israel Second Edition* includes the authors direct response to critics In part 1 the authors review scholarly approaches to the historiography of ancient Israel and negate arguments against using the Bible as a primary source In part 2 they outline a history of ancient Israel from 2000 to 400 BCE by integrating both biblical and extrabiblical sources The second edition includes updated archaeological data and new references The text also provides seven maps and fourteen tables as useful references for students

**The Biblical Politics**

**of John Locke** Kim Ian Parker, 2006-01-01 John Locke is often thought of as one of the founders of the Enlightenment a movement that sought to do away with the Bible and religion and replace them with scientific realism But Locke was extremely interested in the Bible and he was engaged by biblical theology and religion throughout his life In this new book K I Parker considers Locke s interest in Scripture and how that interest is articulated in the development of his political philosophy Parker shows that Locke s liberalism is inspired by his religious vision and particularly his distinctive understanding of the early chapters of the book of Genesis Unlike Sir Robert Filmer who understood the Bible to justify social hierarchies i e the divine right of the king the first born son s rights over other siblings and the natural subservience of

women to men Locke understood from the Bible that humans are in a natural state of freedom and equality to each other The biblical debate between Filmer and Locke furnishes scholars with a better understanding of Lockes political views as presented in his Two Treatises The Biblical Politics of John Locke demonstrates the impact of the Bible on one of the most influential thinkers of the seventeenth century and provides an original context in which to situate the debate concerning the origins of early modern political thought
