Short Introductions to the Bible Readings for the Revised Common Lectionary, Years A, B & C Bill

Bennett, 2018-12-21 Would you like a simple quick way to engage with the RCL Old Testament Epistle and Gospel readings for each Sunday and other important days in the church calendar Bill Bennett's short introductions to each Bible reading will get you started There are several ways you can use this book As a preface to the Bible reading in a service Before delivering each Bible reading from the lectern read aloud the relevant short introduction given in this book The intention is to help congregation members to start to think their way into the meaning and significance of each Bible reading as it is being read to them The preacher will then usually expand on one or more of the Bible readings given from the lectern in their sermon or reflection As a courtesy it is suggested that the person delivering the Bible readings check with the preacher that he or she is happy for the particular short introduction's to be read There may be times when the preacher wishes to emphasise a different interpretation of a reading and would prefer that the introduction not be given As a sermon spark It is hoped that preachers will find the short introductions give them an initial idea or spark to set them on the way to writing a sermon For personal devotional reading In the days leading up to the next service you can read the short introductions and the relevant Bible passages as a personal devotion that will help you engage with the readings and sermon during worship If you can't be at the service treat the short introductions and Bible readings as your own time of worship In your church's weekly news bulletin Churches are welcome to include the short introductions in their weekly parish news bulletins Please credit them as shown on the copyright page Using the Scripture Index The Scripture Index shows all the occasions on which a Bible reading occurs in this book For ease of reference the index is sorted alphabetically by the name of the book of the Bible rather than the order in which the books appear in the Bible Notes on the contents of this book Psalms This book does not include readings from the Psalms Some congregations include in their liturgy the Psalms set in the lectionary Others use different Psalms that they think better fit with the themes of worship for the day Also congregations if they sing or chant them often repeat the same Psalm for 2-3 weeks so that people become acquainted with them Some churches don't use Psalms at all New Zealand Anglican Lectionary Te Maramataka The readings in this book mainly follow the pattern of the Anglican Lectionary Te Maramataka used in New Zealand Readers may find that there are some regional international or denominational variations in the readings set for the Revised Common Lectionary used by their local church About the Author Bill Bennett

Common Worship Lectionary Austin Farrer,Leslie Houlden,2024-05-16 Since the Common Worship Lectionary first came into use many short preaching aids have been published They have ranged from brief notes to almost complete sermons This new companion offers an understanding of some points of significance in each lection for every Sunday and for other major days It combines the latest scholarship with the conviction that the text should address today s world squarely facing up to the difficulties that some passages may present to modern congregations It does not aim to provide a substitute for sermon preparation but to stimulate reflection among those engaged in this work This is a serious academic commentary on the readings by scholars who are also aware of the demands and purposes of preaching The book provides the academic background knowledge essential for interpreting the texts does not shirk difficult questions stimulates the prospective preacher to see new ways of reading the text covers the Anglican variations not dealt with in American commentaries

The Revised Common Lectionary Augsburg Fortress,2012 For twenty years now the Revised Common Lectionary RCL has been doing its work among us It has had to win its way simply by its own excellence and by the appeal of the idea of reading the scriptures on Sundays and feast days in concert with other Christians in churches across the world as a sign of our unity in Jesus Christ from the introduction by Gordon Lathrop This edition includes the definitive list of RCL citations together with a new comprehensive introduction and notes to the reading sets illuminating the origin and development of the lectionary that is explored weekly by thousands of preachers worship leaders and students of scripture
