## **Scripture Tradition And Infallibility:**

**Scripture, Tradition, and Infallibility** Dewey M. Beegle, 1973 The basic contention of this forthright and challenging study is that inerrancy and infallibility apply only to God and to his Son Jesus Christ Inasmuch as scripture has been given transmitted and interpreted through human channels it is bound to bear the marks of that humanity Nevertheless God is not restricted by this self imposed limitation Scripture is sufficiently accurate and trustworthy to accomplish his purpose because the Holy Spirit drives home God s message with authority The claims of biblical inerrancy or infallibility Beegle believes stem from insecurity But scripture understood properly does not make such claims for itself and most certainly a dynamic church characterized by confident preaching of the gospel has no need to go beyond the Bible to lend it such feeble defenses Cover

**The Westminster Handbook to Evangelical Theology** Roger E. Olson, 2004-01-01 The Westminster Handbook to Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism s distinctive theological vision in its unity and diversity Roger Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organizations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians These books are intended to help students and scholars find concise and accurate treatments of important theological terms *Inerrancy* Norman L. Geisler, 1980 Inerrancy is a collection of essays by fourteen leading evangelical scholars on a wide range of topics related to the doctrine of the inerrancy of the Bible Footnotes and index are included

[Inerrant the Wind](#) , **Introducing Christian Doctrine** Millard J. Erickson, 2015-08-11 Leading evangelical scholar Millard Erickson offers a new edition of his bestselling doctrine text over 100 000 copies sold now thoroughly revised throughout This book is an abridged less technical version of Erickson s classic Christian Theology Pastors and students alike will find this survey of Christian theology and doctrine to be biblical contemporary moderate and fair to various positions It is a practical and accessible resource that applies doctrine to Christian life and ministry This book is supplemented with helpful web materials for students and professors through Baker Academic s Textbook eSources [Infidelity Unmasked Or The Confutation of a Booke Published by Mr. William Chillingworth Under this Title The Religion of Protestants a Safe Way to Salvation](#) Matthew Wilson, 1652 **Systematic Theology, Volume 1, Fourth Edition** James Leo Garrett, 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett s system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive

Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this. Pastors will especially find this feature to be a real help in teaching theology. It is an indispensable contribution to the task of systematic theology. Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world. The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material. The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one. The prodigious research that must have gone into the preparation of this volume is truly mind boggling. Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint. The work is well documented in both biblical and historical scholarship and will prove to be a classic. William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study. Robert H Culpepper Southern Baptist Theological Seminary A Discourse of the Necessity of Church-guides for Directing Christians in Necessary Faith R. H., Obadiah Walker, 1675 Theological Turning Points Donald K. McKim, 1988-01-01 In this volume Donald McKim traces the historical and systematic development of eight major Christian doctrines from early centuries to the present. Clearly written and amply documented this introductory handbook features primary sources and extensive endnotes. It covers the Trinity Christology Ecclesiology Anthropology Soteriology Authority the Sacraments and Eschatology concentrating on the decisive points in the development of the Church's theology. This book is well structured for use as a basic text. God, Revelation and Authority: God Who Speaks and Shows (Vol. 4) Carl F. H. Henry, 1999-01-25 Part 4 in a monumental six volume set that presents an undeniable case for the revealed authority of God to a generation that has forgotten who he is and what he has done. Sermons and Episcopal Charges Henry Ustick Onderdonk, 1851 God, Revelation and Authority (Set of 6) Carl F. H. "Puseyism" "no Popery." , 1843 The North British Review , 1846 Revisoning Evangelical Theology Stanley J. Grenz, 1993-03-02 Stanley J Grenz evaluates the course of evangelical theology and sets out a bold agenda for a new century. He proposes that evangelical theology to remain vibrant and vital in the postmodern era should find its central integrative motifs in the reign of God and the community of Christ. A Rational Account of the Grounds of Protestant Religion Edward Stillingfleet, 1665 **Christian Treasury** , 1849 *Infidelity Vnmasked; or, the Confutation of a booke published by Mr. William Chillingworth vnder this title: The Religion of Protestants a Safe Way to Saluation. [By Matthew Wilson.]* Edward Knott, William Chillingworth, 1652 **"This Is My Doctrine": The Development of Mormon Theology** Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out

with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions **What Are They Saying about Biblical Inspiration?** Mark J. Zia,2011 Six major scholars selected for their contributions in the study of biblical inspiration and who provide a veritable cross section of the diversity of viewpoints on this topic as found in Anglo American scholarship are surveyed
