The Long-Distance Runner Tony Richardson, **Long Distance Runner** Tony Richardson,1993-01-01 **What I Talk About When I Talk About Running** Haruki Murakami,2008-07-29 An intimate look at writing running and the incredible way they intersect What I Talk About When I Talk About Running is an illuminating glimpse into the solitary passions of one of our greatest artists While training for the New York City Marathon Haruki Murakami decided to keep a journal of his progress The result is a memoir about his intertwined obsessions with running and writing full of vivid recollections and insights including the eureka moment when he decided to become a writer By turns funny and sobering playful and philosophical here is a rich and revelatory work that elevates the human need for motion to an art form **Marathon** Clarence DeMar,2016-10-26 Long before the days of running apps designer running shoes and online marathon training programs three time Olympian Clarence DeMar self coached his way to seven Boston Marathon victories a record that remains unbroken today More than one hundred years since winning his first marathon Clarence DeMarathon DeMar is still known as one of the greatest American distance runners of all time Marathon DeMar s 1937 memoir is a simple and honest reflection of the life of this working class family man who experienced national fame during the depression era A student of his sport and an athlete far ahead of his time DeMar would average 100 miles per week while closely monitoring his body s response to nutritional changes Among the first elite athletes to experiment with vegetarian and alkaline based diets DeMar shares his experience based perspective on nutrition sleep mileage and even foot strike topics that are still heavily debated in the running community today The fashion and technology surrounding the sport may certainly have changed over the years but the feat of running 26 2 miles has remained Perhaps this is why modern day runners find DeMar s Marathon memoir to be as pertinent and informative today as it was in 1937 The Long-distance Runner Michael Harrington,1988-01-01

Life Is a Marathon Matt Fitzgerald,2019-03-26 An endurance athlete and coach reveals how the marathon transforms the lives of everyone who attempts it and how it has helped his own family cope with serious adversity Step after step for 26 2 miles hundreds of thousands of people run marathons But why what compels people past pain lost toenails 5 30 am start times The Wall Sports writer Matt Fitzgerald set out to run eight marathons in eight weeks across the country to answer that question At each race he meets an array of runners from first timers to dad daughter teams and spouses to people who d been running for decades and asks them what keeps them running But there is another deeply personal part to Matt s journey his own relationship to the sport and how it helped him overcome his own struggles and cope with his wife Nataki s severe bipolar disorder A combination of Matt s own How Bad Do You Want It and What I Talk About When I Talk About

Running Life Is a Marathon captures the magic of those 26 2 miles At the end of the day and at the end of the race the pursuit of a marathon finish line is not unlike the pursuit of happiness You will pick up the book for a powerful personal story about what running does for the people for whom it does the most You will put it down with a greater understanding of what it means to be alive in this world **Run to Overcome** Meb Keflezighi,2010-10-25 The incredible true story of Meb

Keflezighi winner of the 2014 Boston Marathon When Meb Keflezighi won the New York City Marathon in 2009 the first American to do so in 27 years some critics questioned whether the Eritrean born runner was really an American despite his citizenship status and representing the USA on two Olympic and several World Championship teams Yet Meb is the living embodiment of the American dream His family came to the U S to escape from a life of poverty and a violent war with Ethiopia Meb was 12 at the time spoke no English and had never raced a mile Yet he became an A student and a high school state and national champion And when he stood on the platform as a silver medalist in the 2004 Olympics Meb knew his hard work and determination had paid off How could life be any better Then it all came crashing down Meb a favorite for the Beijing Olympics fractured his pelvis during the trials and was left literally crawling His close friend and fellow marathoner suffered a cardiac arrest at the trials and died that same day Devastated Meb was about to learn whether his faith in God the values his parents had taught him and his belief that he was born to run were enough to see him through Run to Overcome tells the inspirational story of a man who discovered the real meaning of victory and who embodies the American spirit of overcoming the odds **The Cinema of Tony Richardson** James M. Welsh,John C. Tibbetts,Professor John C

different directions Broccoli was feted as Hollywood royalty whereas Saltzman ended up a forgotten recluse When Harry Met Cubby charts the changing fortunes and clashing personalities of two titans of the big screen **Some Kind of Hero** Matthew Field,Ajay Chowdhury,2015-10-12 For over 50 years Albert R Broccoli s Eon Productions has navigated the ups and downs of the volatile British film industry enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series Latterly this family run business has been crowned with box office gold and recognised by motion picture academies around the world However it has not always been plain sailing Changing financial regimes forced 007 to relocate to France and Mexico changing fashions and politics led to box office disappointments and changing studio regimes and business disputes all but killed the franchise And the rise of competing action heroes has constantly questioned Bond s place in popular culture But against all odds the filmmakers continue to wring new life from the series and 2012 s Skyfall saw both huge critical and commercial success crowning 007 as the undisputed king of the action genre Some Kind of Hero recounts this remarkable story from its origins in the early 60s right through to the present day and draws on hundreds of unpublished interviews with the cast and crew of this iconic series **Running Man** Charlie Engle,2016-09-13 A personal account by a world class ultra marathon runner chronicles his globe spanning races record breaking run across the Sahara and struggles with drug addiction and wrongful imprisonment NoveList **Modern British Drama on Screen** R.
