Long Time To Hate:

Rhodesville Ronnie L Richards, 2024-01-15 Lee Burrows thought he had the trauma of his childhood behind him After high school Lee moved to Boston from his tiny hometown of Rhodesville located in the far northwest corner of Alabama Over the years he buried those terrible childhood memories When the invite came his wife urged him to attend his thirtieth high school reunion Fearing he may have to face his past Lee reluctantly agreed to attend the reunion As soon as Lee stepped out of his car in Rhodesville the memories roared back The secret he held inside exposed itself A secret he had told no one about not even his wife The secret that explained how one of his closest childhood friends had died They were only eleven years old and camping alone when the unthinkable happened What young Lee told everyone about his friend s death was not the truth Lee came face to face with the truth soon after his arrival for the class reunion

The Francine Rivers Contemporary Collection: Leota's Garden / And the Shofar Blew Francine Rivers, 2016-04-01 This collection bundles two contemporary Christian novels by the New York Times bestselling author of Redeeming Love and The Masterpiece Leota s Garden plus And the Shofar Blew are combined into one e book for a great value Leota s Garden An emotionally compelling story Library Journal about the devastation secrets can unleash on a family and the power of grace to bring second chances Leota s garden was once a place of beauty where flowers bloomed and hope thrived Now eighty four year old Leota Reinhardt is alone her beloved garden in ruins All her efforts to reconcile with her adult children have been fruitless and she voices her despair to a loving Father her only friend Then God brings a wind of change through unlikely means Rivers is a master gardener using poignant humor and bittersweet revelation to open hearts to reconciliation Romantic Times And the Shofar Blew He seemed like the perfect pastor to lead Centerville Christian Church She was the perfect pastor s wife When Paul Hudson accepted the call to pastor the struggling church he had no idea what to expect But it didn t take long for Paul to turn Centerville Christian Church around Attendance was up way up Everything was going so well If only his wife could see it that way Still he tried not to let her quiet presence disturb him She knew something wasn t right and it hadn t been for a long time Eunice closed the bedroom door quietly and knelt beside her bed I m drowning God I ve never felt so alone Who can I turn to but you Lord Where else does a pastor s wife go for help when her marriage is failing and her life is out of control Who can I trust with my anguish Lord Who but you This book is a powerful and almost prophetic statement of the church in America And the Shofar Blew is a must read Anne Graham Lotz bestselling author and speaker *Becoming Rwandan* S. Garnett

Russell, 2019-10-11 In the aftermath of the genocide the Rwandan government has attempted to use the education system in order to sustain peace and shape a new generation of Rwandans Their hope is to create a generation focused on a unified and patriotic future rather than the ethnically divisive past Yet the government s efforts to manipulate global models around citizenship human rights and reconciliation to serve its national goals have had mixed results with new tensions emerging across social groups *Becoming Rwandan* argues that although the Rwandan government utilizes global discourses in national

policy documents the way in which teachers and students engage with these global models distorts the intention of the government resulting in unintended consequences and undermining a sustainable peace
