The Curious History of Mazes Julie E. Bounford,2018-10-02 Thread your way through this history of mazes from the ancient world to today and solve over one hundred mazes along the way From prehistoric times mazes and labyrinths worldwide have served as different symbolic ritualistic and practical purposes Taken as a powerful metaphor for life s journey they can be used as tools for meditation and learning at any level even when completed for recreation Maze images can be enjoyed as motifs themselves but also in their material forms a meditation puzzle dance walk ritual pilgrimage or simply a day out Drawing upon a wealth of historical and classical literature accounts written by explorers archaeologists and historians and the output of modern and contemporary world renowned experts and enthusiasts social historian Dr Julie Bounford explores the evolution of mazes through time and across continents presenting their history in a fun and engaging format while challenging readers to solve over one hundred mazes many created exclusively for this book by illustrator and artist Trevor Bounford Learn about The earliest recorded examples legends and mazes in the ancient world Mazes used as sacred rituals and symbols that take us beyond the natural world Turf stone hedge and garden mazes and sites of communal rustic revels The modern revival with mazes taken to forms never previously imagined Explore how mazes can improve your mental dexterity and create mindfulness and use the gazetteer to locate historical replica and interesting mazes that exist around the world today *architect, verb.* Reinier De Graaf,2024-02-27 The Hidden Rules of Architecture how to build world class award winning creative innovative sustainable liveable and beautiful spaces that foster a sense of place and well

being Leading architect Reinier de Graaf De Graaf punctures the myths behind the debates on what contemporary architecture is with wit and devastating honesty Architecture it seems has become too important to leave to architects No longer does it suffice to judge a building solely by its appearance it must be measured and certified When architects talk about Excellence Sustainability Well being Liveability Placemaking Creativity Beauty and Innovation what do they actually mean In architect verb De Graff dryly skewers the doublespeak and hot air of an industry in search of an identity in the 21st century Who determines how to measure a green building Why is Vancouver more liveable than Vienna How do developers get away with advertising their buildings as promoting well being Why did Silicon Valley become so obsessed with devising creative spaces or developing code that replaces architects How much revenue can be attributed to the design of public space Who gets to decide what these measurements should be and what do they actually mean And what does it mean for the future of our homes cities planet He also includes a biting satirical dictionary of profspeak the corporate language of consultants developers and planners from Active listening to Zoom Readiness
