Looking At Pictures With Bernard Berenson:

Looking at Pictures with Bernard Berenson Bernard Berenson, 1974 **Botticelli's Secret** Joseph Luzzi, 2022-10-25
One of The New Yorker's Best Books of the Year A lively book Luzzi brilliantly sets the operatic stage of vibrant violent Renaissance Florence and brings to life the characters who helped resurrect Botticelli Max Norman Wall Street Journal Some five hundred years ago Sandro Botticelli a painter of humble origin created works of unearthly beauty A star of Florence's art world he was commissioned by a member of the city's powerful Medici family to execute a near impossible project to illustrate all one hundred cantos of The Divine Comedy by Dante Alighieri the ultimate visual homage to that divine poet This sparked a gripping encounter between poet and artist between the religious and the secular between the earthly and the evanescent recorded in exquisite drawings by Botticelli that now enchant audiences worldwide Yet after a lifetime of creating masterpieces including Primavera and The Birth of Venus Botticelli declined into poverty and obscurity His Dante project remained unfinished Then the drawings vanished for over four hundred years The once famous Botticelli himself was forgotten The nineteenth century rediscovery of Botticelli's Dante drawings brought scholars and art lovers to their knees this work embodied everything the Renaissance had come to mean From Botticelli's metaphorical rise from the dead in Victorian England to the emergence of eagle-eyed connoisseurs like Bernard Berenson and Herbert Horne in the early twentieth century and even the rescue of precious art during World War II and the fall of the Berlin Wall in 1989 the posthumous story of Botticelli's Dante drawings is if anything even more dramatic than their creation A combination of artistic detective story and rich intellectual history Botticelli's Secret shows not only how the Renaissance came to life but also how Botticelli's art helped bring it about and most important why we need the Renaissance and all that it stands for today

L. Kroeber, 2023-11-15 This title compiles influential essays by Alfred Kroeber written in the last decade of his life reflecting his deep exploration of human culture civilization and history through an anthropological lens Curated by Milton Singer and Theodora Kroeber this collection showcases Kroeber's unique perspective on the intersections of anthropology history and the humanities Rather than focusing solely on ethnology or linguistic analysis Kroeber broadens his scope to address questions about style civilization patterns and the historical continuity of cultures His view of anthropology as a young evolving science with ancient philosophical roots demonstrates his belief in the discipline's role in understanding human progress The volume aims to engage both historians and anthropologists by presenting Kroeber's reflections on culture and the human condition especially for a generation of

scholars and students whose approach to anthropology is less historically oriented Kroeber's personal approach to his field developed over a lifetime of teaching and exploring anthropological themes such as Culture Growth emphasizes the evolving nature of culture as an aggregate that shapes civilizations and values By tracing Kroeber's intellectual journey the book underscores the importance of historical context in anthropology positioning it as a field capable of enriching broader humanistic inquiries and advancing our understanding of civilization's aesthetic ethical and structural evolution This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1963

Photo Archives and the Place of Photography Geraldine A. Johnson, Deborah Schultz, 2025-02-07 This collection of chapters investigates the effects of mobility and place on a range of photographic archives and explores their potential for cross disciplinary dialogue The book explores photographic images used in the study of art as well as the implications of placing European images of non European cultures in an archive album

library or museum It also addresses questions of digital space which renders images more visually accessible but further complicates issues relating to location The contributors consider these issues through case studies based on a variety of archives institutions and disciplines Just as photographs are conceived as unstable objects so conventional borders between disciplines and locations are challenged and opened up with chapters drawing on a range of disciplinary theories and practices The focus of the individual chapters is global as seen in contributions not only on Euro American topics but also on Orientalizing approaches to photographing the Ancient Near East photographic archives of Bedouin subjects and digital photographic archives in an Iranian context This book will be of interest to scholars of art history visual and cultural studies anthropology and archaeology as well as those working on the history and theory of photography and histories and theories of the archive

Choice, 1976 *Painting, Photography, and the Digital* Carl Robinson, 2022-10-07 This anthology investigates the interconnections between painting photography and the digital in contemporary art practices It brings together 15 contributors including internationally acclaimed artists Matt Saunders Clare Strand Elias Wessel and Dan Hays to write about a diverse range of art making involving medium cross over Topics discussed here include reflections on the painted on photograph reordering photographs into paintings digital collage printing digital landscapes onto recycled electronic media viewer immersion in painted virtual reality VR worlds photography created from paint and the truth of the mediums Underpinned by significant theoretical concepts the volume provides unique insights into explorations of the mediums interconnectivity which questions the position of the traditional genres As such this book is essential reading for practitioners theorists and students researching the nature of painting photography and digital art practices today

How Divine Images Became Art Oleg Tarasov, 2024-02-09 *How Divine Images Became Art* tells the story of the parallel discovery of Russian medieval art and of the Italian primitives at the beginning of the twentieth century While these two developments are well known they are usually studied in isolation Tarasov's study has the great merit of showing the connection between the art world in Russia and the West and its impact in the cultural history of the continent in the pre war period Drawing on a profound familiarity with Russian sources some of which are little known to Western scholars and on equally expert knowledge of Western material and scholarship Oleg Tarasov presents a fresh perspective on early twentieth century Russian and Western art The author demonstrates that during the Belle poque the interest in medieval Russian icons and Italian primitives lead to the recognition of both as distinctive art forms conveying a powerful spiritual message Formalist art theory and its influence on art collecting played a major role in this recognition of aesthetic and moral value of primitive paintings and was instrumental in reshaping the perception of divine images as artworks Ultimately this monograph represents a significant contribution to our understanding of early twentieth century art it will be of interest to art scholars students and anyone interested in the spiritual and aesthetic revival of religious paintings in the Belle poque

2000 Philip Rollinson, **Sofonisba's Lesson** Michael W. Cole, 2019 Within a span of seven or eight years in the 1550s the Italian painter Sofonisba Anguissola produced more self portraits than any known painter before her had in a lifetime She was the first known artist in history to take her parents and siblings as primary subject matter and may have painted the first group portrait featuring only women Cole examines Sofonisba's paintings as expressions of her relationships and networks looking at why Sofonisba was able to become a great woman artist at her father who decided to allow her to be educated as a painter at her teacher Bernardino Campi and at her relationships with her students sisters and patrons who included the Queen of Spain Cole demonstrates that Sofonisba made teaching and education a central theme of her painting The book also provides the first complete catalogue of all of Sofonisba's known works **Julian Trevelyan** Philip Trevelyan, 2013 Julian Trevelyan Picture Language follows the trail of a painter's visual language and motivation The working life of Julian Trevelyan 1910-88 spanned more than 65 years In that time he exhibited alongside Picasso Mir and Dali was a member of the British Surrealist group an active participant in the Mass Observation Movement taught both at Chelsea School of Art and the Royal College of Art and wrote a number of books After the Second World War his work was mainly concerned with depicting scenes around his Hammersmith home and the River Thames where he lived with his wife Mary Fedden as well as his travels around the world Philip Trevelyan Julian's son takes us on a pictorial journey through Julian's life and presents here his personal view offering insights from his researches and first hand knowledge of life in Trevelyan's studio at Durham Wharf in London **Giovanni Bellini** Davide Gasparotto, 2017-10-10 Praised by Albrecht Dürer as being the best in painting Giovanni Bellini ca 1430-1516 is unquestionably the supreme Venetian painter of the quattrocento and one of the greatest Italian artists of all time His landscapes assume a prominence unseen in Western art since classical antiquity Drawing from a selection of masterpieces that span Bellini's long and successful career this exhibition catalogue focuses on the main function of landscape in his oeuvre to enhance the meditational nature of paintings intended for the private devotion of intellectually sophisticated elite patrons The subtle doctrinal content of Bellini's work the isolated crucifix in a landscape the sacred conversation the image of Saint Jerome in the wilderness is always infused with his instinct for natural representation resulting in extremely personal interpretations of religious subjects immersed in landscapes where the real and the symbolic are inextricably intertwined This volume includes a biography of the artist essays by leading authorities in the field explicating the themes of the J Paul Getty Museum's exhibition and detailed discussions and glorious reproductions of the twelve works in the show including their history and provenance function iconography chronology and style **World Authors, 1900-1950**, 1996 Provides almost 2700 articles on twentieth century authors from all over the world who wrote in English or whose works are available in English translation

The Top Books of the Year Looking At Pictures With Bernard Berenson The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Looking At Pictures With Bernard Berenson : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Looking At Pictures With Bernard Berenson : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
