

A vintage, slightly faded photograph of a tropical landscape. The scene is filled with dense vegetation, including several palm trees with large, feathery fronds. The lighting suggests a bright, sunny day, with some areas of the foliage appearing overexposed or washed out. The overall tone is nostalgic and evocative of a tropical paradise.

Dem Haoles Brian M. Gilpin, 2021-07-27 Dem Haoles is an innovative and entertaining study of white privilege Set against the backdrop of Hawaii

Dem Haoles explores how white people or haoles are portrayed and why The exploration is guided by the concept of images or archetypes employed to classify and dissect haole representation Dem Haoles mines normally mundane entertainment vehicles like romantic comedies and action hero dramas and reveals that these artifacts of popular culture are more than mindless entertainment They are in fact well camouflaged political messaging The focus on popular culture examined through image analysis makes Dem Haoles entertaining and informative The examination of popular media is detailed and thorough and will evoke deep nostalgic sentiments While the insightful analysis of images its mechanics and intent will provoke critical thinking Together this combination makes Dem Haoles a unique and rewarding experience that will both invalidate old perceptions about Hawaii and ruin the simple pleasure of mindless entertainment **Billboard** ,2009-10-03 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Land of the Long Wild Road** Bob Goddard,2004-03 Land of the Long Wild Road is an off beat observant and humorous journey around New Zealand Bob and Viv Goddard ride two small off road motorcycles on gravel tracks drovers routes and four wheel drive trails into the wilderness of this fabulous and unspoilt country **What is the Point of Being a Christian?** Timothy Radcliffe,2013-01-17 WINNER OF THE MICHAEL RAMSEY PRIZE FOR THE BEST IN THEOLOGICAL WRITING Winner of the Michael Ramsey prize for the best in theological writing Cardinal Timothy Radcliffe is in demand the world over with Bishops priests lay people and above all young people This new book is his response What is the Point of being a Christian One is pointed to God who is the point of everything If one thinks of religion as just useful then one has reduced it to another consumer product But if we are pointed to God then this should make a difference to how we live This is not a moral superiority Christians are usually no better than anyone else But the lives of Christians should be marked by some form of hope freedom happiness and courage If they are not then why should anyone believe a word they say In this new book Cardinal Radcliffe is at his best writing with a prophetic edge His argument for Christian belief is profoundly Catholic and profoundly human But what is just as remarkable Radcliffe s argument for and interpretation of Christian Gospel is couched in a deep understanding of human nature and the problems and anxieties of modern men and women Radcliffe is far distant from the theologian s ivory tower and yet his understanding of the Gospel is profoundly theological The frame of reference for this book is wide and it is based amongst other things on Fr Radcliffe s pastoral experience of dealing with people with problematic marriages those struggling with celibacy those trying to understand the nature of religious authority and those trying to remain loyal to the Church which finds their sexual orientation irregular **Frank O'Hara's New York School and Mid-Century Mannerism** Sam Ladkin,2024 A comparative reading of modern visual art dance and poetry with a focus on the New York School the post war experimental art scene that included Frank O Hara John Cage Merce Cunningham Helen Frankenthaler John Ashbery
