Looks Smiles:

Heromaker G.B. Chavez, 2024-04-03 Ezekiel Amadeus is the eldest of nine children all raised by a single mother and tends to show total independence a lot younger than expected An enigmatic change in his body compared to his fellow teenagers and a past life he cannot remember he rises to prove himself capable of standing up for those he wishes to protect Hildegard is an orphan raised by an abusive aunt who wishes to one day become a singer and actress But the more she learns about her parents the more of a target she becomes But when things get tough she will do what she can to stand up for herself Cadence is an incredibly intelligent yet shy young woman who has ideas to advance humanity's understanding of science all the while a stranger to true affection And yet beyond going through school they encounter more than what most people know Secrets such as an underground nation comprised of Neo Nazis the mysterious society of the Knights of the Peace Equation the experimental city of Mega among the fate of the race of Elfs among other mythological creatures About the Author About the time he reached middle school G B Chavez began thinking of ideas for a television series he'd wish to someday create By the time he graduated high school in 2019 he had begun to reinvent the story upon realizing how much of a challenge it would be but still wished to get a version of the story out In March of 2021 Chavez began to write *Heromaker* A British Story Written By An American which he plans to eventually be the first installment of an extensive series of books surrounding the main protagonist's Chavez has always had a fascination with culture affiliated with the United Kingdom which has stemmed from watching *Peter Pan* as a child This fascination is not only what inspired for this story to take place in the United Kingdom but has him wishing to one day travel to the European nation

The Key Madysen Long, 2022-07-29
The Key By Madysen Long The year is 2088 and the world is different A war killed most of the population and took many of the communities One community was able to survive and rebuild after the war this community is called Nova In it lives a seventeen year old girl Kaia Five months ago Kaia lost her parents to a factory fire She starts to be drawn to a necklace that her mother wore every day and left for her after she died The only problem is that it is locked away in a memorial for the factory fire victims She manages to get the necklace from the memorial but ends up in a detention center called the Dome As she starts her new life at the Dome she finds new friends and a potential love interest She also meets the man behind the idea of the Dome Joseph is a smart charming witty middle aged man As she lives her days at the Dome she realizes that Joseph has a secret agenda that involves her and her deceased mother She learns that everyone has secrets at the Dome including Ethan Kaia starts to learn of her mother's past projects and how she ties into them Only the instructions for her mother's most recent project are now lost She must fight along with Ethan and her new friends to stop Joseph from harming Nova Throughout her journey she must dig deep and use her brain to find messages that have been in front of her her whole life She must also be brave and selfless as she puts her community first She must look past surface level information and dig deeper into what her mother has left for her She once was a young and naive girl that through the story becomes a brave

fearless young woman She must fight her own demons to stop Joseph s evil plan She must finish what her mother has started for her **Smile and Look Pretty** Amanda Pellegrino,2022-03-08 A 9 to 5 for the Instagram generation Darkly funny and biting modern Andrea Bartz author of Reese s Book Club Pick We Were Never Here HIGHLY ANTICIPATED BY FORTUNE FEMINIST BOOK CLUB THE NERD DAILY BOOKISH MOTHERLY What happens when four assistants risk everything to say enough is enough Best friends Cate Lauren Olivia and Max are overworked and underpaid assistants to some of the most powerful people in the entertainment industries Like the assistants who came before them the women know they have to pay their dues and abide the demeaning tasks and verbal abuse from their bosses in order to climb the ladders to their dream jobs But as they are passed over for promotions and the toxic office environments reach a breaking point the women secretly start an anonymous blog detailing their experiences which snowballs into hundreds of others coming forward with stories of their own Confronted with newfound viral fame and the possibility of their identities being revealed the assistants have to contend with the life changing consequences of speaking out against those who refuse to share the power **First & Last** Michael Frayn,2017-03-23 One of theatre s subtlest most sophisticated minds The Times One spring morning a quiet shy man in his sixties sets out from Land s End to walk the length of his native land He has never walked more than a dozen miles in his life before his health is uncertain his boots are new and he is too diffident to talk to anyone he meets along the way His slow solitary progress up the spine of Britain is watched by an unseen audience his family and friends at home How far will he get before he is forced to give up Is he being heroic or merely selfish As the days of his absence go by the old alliances and quarrels inside the family shift and alter What emerges is a story about the arbitrariness of human endeavour and about the tenacious complexity of human relationships about one man s glimpse of the country he lives in about courage and about love First and Last was directed by Alan Dossor in a production for BBC television with Joss Ackland as the walker **The Person Within the Awakening** Teresa Turiano-Rambo,2012-04-20 Jenna Rosenberg is a young high school student in a band called the Bloody Banana Her life was normal until one day she runs into a stranger on the street and finds herself wrapped up in a world of magic love and twisted affairs that surrounds her with adventure Magical Battles potions gone wrong a mystical jungle and a dragon **Universal Dictionary of the English Language** ,1898 **The Dragon Empress** Carlos A.
