Meditative Prayer Entering Gods Presence:

Meditative Prayer Richard Peace, 2015-06-22 Our prayers should go as deep as our souls Spiritual disciplines are simply ways to open ourselves to God They help us become aware of the many ways God speaks to us and provide us with ways to respond to God This book explores and explains how the historical disciplines and perspectives of the Christian faith can deepen both our walk with God and our community with others In today s society we are often handicapped in our spiritual growth by too narrow a horizon when it comes to spiritual practices Each generation suffers a kind of collective amnesia forgetting the practices and perspectives that nourished countless followers of Christ in centuries past Rediscovering these skills is one way to respond to our culture s and our own deep spiritual hunger While it is seemingly preposterous for us to suppose we can interact with the God of this universe Scripture repeatedly invites us to do that very thing Prayer is not a minor idea tucked into the cracks of the text it is central normative and expected Why is it then that our prayers are so often dry and difficult In *Meditative Prayer* you will discover those ways of prayer that make use of your mind and imagination that address your needs as well as strengthen your spirit By drawing from a number of different sources from Scripture from wise men and women who have gone before and from one another this study guide will enable your soul to drink deeply from the inexhaustible well of prayer Though you can use this guide for a personal journey of prayer it is ideally suited for exploration with a small group of like minded friends

Contemplative Bible Reading

Richard Peace, 2015-06-22 A new way to read the Bible Spiritual disciplines are simply ways to open ourselves to God They help us become aware of the many ways God speaks to us and provide us with ways to respond to God This book explores and explains how the historical disciplines and perspectives of the Christian faith can deepen both our walk with God and our community with others Reading the Bible is something that most of us are familiar with Some even do it regularly But do we really think about how we read and respond to Scripture How deeply do we allow ourselves to be impacted by it

Contemplative Bible reading or *lectio divina* as it is often called is an ancient method of approaching Scripture Consisting of four parts this method begins with the selected biblical passage and moves to meditating praying and contemplating what God is revealing through the Bible Many of us tend to think of meditation as something done individually but reflecting on Scripture in a small group invites us to act and encourages us to share with others how God is calling us to respond

Contemplative Bible Reading examines this spiritual discipline and invites your small group to approach Scripture in a new and challenging way By exploring different passages and learning to hear God s voice in them this guide will help you meditate and act on the truth of the Bible

Subversive Spirituality L Paul Jensen, 2011-06-30 *Subversive Spirituality* links the practice and study of Christian spirituality with Christian mission It develops a twofold thesis grace spiritual disciplines and mission practices are inseparably linked in the mission of Jesus of the early church and of several historical renewal movements as well as in a contemporary field research sample and amidst the collapse of space and time evidenced by our

culture's increasingly hurried pace of life more time and space are needed for regular solitary and communal spiritual practices in church mission and leadership structures if Christian mission is to transform people and culture in our time This requires a subversion of the collapsed spatial and temporal codes that have infected our Christian institutions Jensen employs methods and approaches from a variety of academic disciplines to explore both spirituality in terms of space and time and mission in terms of deed and word Specifically Jensen examines the spirituality and mission of Jesus the early church the apostolic fathers Origen the Devotio Moderna the early Jesuits David Brainerd and several women in 19th century Protestant missions He considers the spirituality and mission that have arisen within the postmodern generations born after 1960 Based on the theological historical cultural and field analyses of this study a model for spirituality and mission is proposed The model addresses the contemporary collapse of space and time and appears to have widespread applicability to diverse cultures and eras Jensen's model is applied to the pluralistic and postmodern milieu of North America with recommendations for spirituality and mission in church mission and educational structures A derivative model for teaching and practicing spirituality and mission in the academy which also has application for non formal leadership development structures is also proposed

Formational Children's Ministry (ēmerſion: Emergent Village resources for communities of faith) Ivy Beckwith, 2010-01-01 Much ministry to children looks more like mere entertainment than authentic spiritual formation But what if children's ministries were rooted in a mind set whereby we taught children with our words and actions how the story of God the story of church history the story of the local community and the story of the child intersect and speak to one another What if children's ministry was less about downloading information into kids heads and more about leading them into these powerful compelling stories Beckwith aims to help ministers and parents create a ministry that captures children's imaginations not just to keep them occupied but to live as citizens of the kingdom of God In addition to providing theological reasons for formational children's ministry the book

offers examples of how Ivy and other practitioners are implementing a formational model Spiritual Transformation Richard Peace, 2016-10-21 Transformation is what Christianity is all about To follow Jesus is to enter into a journey from an old way of living to a new way of being As Christians our goal is to become ever more conformed to the image of Christ Of course we cannot attain this high goal in our lifetime But we can make progress We can become more of who we long to be We can leave behind old ways that have not served us well We can become more loving to others more open to God more in tune with who we are called to be Such transformation does not happen automatically even though it is the Holy Spirit working in us to change us We are asked to work out your own salvation with fear and trembling for it is God who is at work in you enabling you both to will and to work for his good pleasure Phil 2 12 13 We work God works in us This book is about our part in the work of transformation Spiritual Transformation examines two main themes 1 The Dynamics of Spiritual Transformation are explored in six small group sessions what it is and how it happens 2 The Goal of Spiritual Transformation is described in six small group Bible studies focusing on Romans 12 13 where Paul provides a blueprint for how we are meant to live as followers of Jesus Authentic Forgiveness John C. W. Tran, 2020-01-31 No one can avoid conflict sin and evil or the hurt and brokenness they cause The best way to transform conflict and hurt from being life destructive to being life constructive is to forgive and to be forgiven Authentic biblically based forgiveness is a gift that God offers to humanity so that hurt can be healed the cycle of retaliation broken a painful past soothed and estranged relationships reconciled and restored Dr John Tran explains how forgiveness in both Western and Chinese cultures differs from the practice outlined in God's word Authentic Forgiveness calls us to examine our own cultural traditions and points us towards the search for true reconciliation where people risk to communicate extend trust and work through anger and pain Combining biblical and theological understanding with practical strategies for local church ministry Tran offers an inspiring paradigm of action for Christians in urban Asian contexts and beyond Let No Man Deceive You , **Contemplation and Counseling** P. Gregg Blanton, 2019-04-02 Can contemplative prayer be integrated into therapeutic work Building an alliance between science theology and Christian contemplative thought Gregg Blanton presents a new paradigm for integrating contemplative prayer with counseling practice This practical resource offers eleven fundamental interventions to fit the needs of clients and a practical four stage process for helping clients change **Conversion in the New Testament** Richard Peace, 1999 A landmark work in the study of conversion With the tools of scholarship and as a seasoned practitioner Richard Peace explores the New Testament understanding of the turning points of conversion from the night of our captivities to the light of Christ into the church and out to the neighbor in need Our contemporary efforts in evangelism have much to learn from this full orb'd view of conversion Gabriel Fackre on back cover *Made Healthy in Ministry for Ministry* C. John Weborg, 2011-08-11 Clarity of vocational practice is key to clergy health The center of clergy practice is the ministry of Word and Sacrament What takes place at the pulpit font or pool and table is the divine intent and extent of ministry While this may sound in house

and parochial in the extreme it is both priestly and prophetic John Weborg s argument in this book is that the clergy can be made healthy in ministry for ministry by maintaining vocational clarity The priestly and prophetic acts of Word and Sacrament address the clergy before they address the congregation Hence what is offered here is a spirituality through practices the clergy are hearers before preachers baptized before baptizers communicants before celebrants Neither a how to book nor a work of pastoral theology Made Healthy in Ministry for Ministry is aimed toward helping clergy appropriate the gifts and graces of the practices they are called and authorized to carry out

The Lord's Prayer J. Warren Smith, 2015-03-10 We have all had the experience of being at church and hearing the pastor say And now with the confidence of children we are bold to pray Our Father but before we know it we are saying for Thine is the kingdom and the power and the glory forever Amen In the

very moment of intimacy when we are given the privilege of entering the presence of our heavenly Father our minds have drifted off We speak the words of the prayer not from our hearts but from the autopilot of memory This is mere recitation not prayer If in relationships familiarity breeds contempt in the case of the Lord s Prayer familiarity breeds thoughtlessness The Lord s Prayer Confessing the New Covenant is not a Bible study in the traditional sense It challenges us to think about the Lord s Prayer anew by understanding it as a confession of the New Covenant that Christ makes with us when we are made children of God in baptism In hearing these familiar words afresh we learn to remember our baptismal covenant so that we might live more fully into that new relationship with God and with one another **Catching God's Heart** Che' Ahn, Sam Hinn, Christy Wimber, S. J. Hill, Ed Piorek, Stephanus Vosloo, Gary Wiens, Marc Dupont, Peter Fitch, Steve Long, David Ravenhill, 2010-08-01 Take advantage of the wisdom and power of intimacy from Catching God s Heart as you read decades worth of combined experience from well known and respected Christians Ch Ahn Sam Hinn Christy Wimber S J Hill Ed Piorek Stephanus W Vosloo Gary Wiens Marc A Dupont Peter Fitch Steve Long David Ravenhill All you do as a Christian springs forth from an intimate relationship with God and it s in His presence that you receive His love and His direction for your life and ministry The main objective of a Christian s life is to love God with all of your heart soul mind and strength Catching God s Heart tells you how to accomplish that objective As you become the Bride of Christ you must leave your old ways and your old loves behind and cleave to your Bridegroom Jesus Christ This thought provoking compilation of messages about intimacy with God instructs and encourages you to catch God s heart and become an heir to the unfathomable riches that accompany a lifestyle of such delectable intimacy
