A Trumpet around the Corner Samuel Charters, 2010-02-17 Samuel Charters has been studying and writing about New Orleans music for more than fifty years *A Trumpet around the Corner* The Story of New Orleans Jazz is the first book to tell the entire story of a century of jazz in New Orleans Although there is still controversy over the racial origins and cultural sources of New Orleans jazz Charters provides a balanced assessment of the role played by all three of the city's musical lineages African American white and Creole in jazz's formative years Charters also maps the inroads blazed by the city's Italian immigrant musicians who left their own imprint on the emerging styles The study is based on the author's own interviews begun in the 1950s on the extensive material gathered by the Oral History Project in New Orleans on the recent scholarship of a new generation of writers and on an exhaustive examination of related newspaper files from the jazz era The book extends the study area of his earlier book *Jazz New Orleans 1885-1957* and breaks new ground with its in depth discussion of the earliest New Orleans recordings *A Trumpet around the Corner* for the first time brings the story up to the

present describing the worldwide interest in the New Orleans jazz revival of the 1950s and 1960s and the exciting resurgence of the brass bands of the last decades The book discusses the renewed concern over New Orleans's musical heritage which is at great risk after the catastrophe of Hurricane Katrina's floodwaters *Brother-Souls* Ann Charters, Samuel Charters, 2010-09-27 John Clellon Holmes met Jack Kerouac on a hot New York City weekend in 1948 and until the end of Kerouac's life they were in Holmes's words *Brother Souls* Both were neophyte novelists hungry for literary fame but just as hungry to find a new way of responding to their experiences in a postwar American society that for them had lost its direction Late one night as they sat talking Kerouac spontaneously created the term Beat Generation to describe this new attitude they felt stirring around them *Brother Souls* John Clellon Holmes Jack Kerouac and the Beat Generation is the remarkable chronicle of this cornerstone friendship and the life of John Clellon Holmes From 1948 to 1951 when Kerouac's wanderings took him back to New York he and Holmes met almost daily Struggling to find a form for the novel he intended to write Kerouac climbed the stairs to the apartment in midtown Manhattan where Holmes lived with his wife to read the pages of Holmes's manuscript for the novel *Go* as they left the typewriter With the pages of Holmes's final chapter still in his mind he was at last able to crack his own writing dilemma In a burst of creation in April 1951 he drew all the materials he had been gathering into the scroll manuscript of *On the Road* Biographer Ann Charters was close to John Clellon Holmes for more than a decade At his death in 1988 she was one of a handful of scholars allowed access to the voluminous archive of letters journals and manuscripts Holmes had been keeping for twenty five years In that mass of material waited an untold story These two ambitious writers Holmes and Kerouac shared days and nights arguing over what writing should be wandering from one explosive party to the next and hanging on the new sounds of bebop Through the pages of Holmes's journals often written the morning after the events they recount Charters discovered and mined an unparalleled trove describing the seminal figures of the Beat Generation Holmes Kerouac Neal Cassady Allen Ginsberg William Burroughs Gregory Corso and their friends and lovers **The New Beacon** ,1984 *A Language of Song* Samuel Charters, 2009-05-06 Samuel Charters recounts experiences from a half century spent following documenting recording and writing about the Africa influenced music of the United States Brazil and the Caribbean **Kirkus Reviews** ,1986 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children's section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical Elvis Presley Calls His Mother After the Ed Sullivan Show Samuel Charters, 1992 Poet novelist and musicologist Samuel Charters steps on nobody's blue suede shoes in this novella which consists of a single unbroken monologue that wails and jangles like an electric guitar solo The Los Angeles Times Book Review **The Times Literary Supplement Index** ,1981 Walking a
