Oddities In Modern Japan:

Oddities in Modern Japan Peter Milward, 1980 *Modern Japan* Christopher Goto-Jones, 2009-04-23 Japan is arguably today's most successful industrial economy combining almost unprecedented affluence with social stability and apparent harmony Japanese goods and cultural products are consumed all over the world ranging from animated movies and computer games all the way through to cars semiconductors and management techniques In many ways Japan is an icon of the modern world and yet it remains something of an enigma to many who see it as a confusing montage of the alien and the familiar the ancient and modern The aim of this Very Short Introduction is to explode the myths and explore the reality of modern Japan by taking a concise look at its history economy politics and culture ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable *Re-made in Japan* Joseph Jay Tobin, 1992-01-01 Colonel Sanders Elvis Mickey Mouse and Jack Daniels have been enthusiastically embraced by Japanese consumers in recent decades But rather than simply imitate or borrow from the West the Japanese reinterpret and transform Western products and practices to suit their culture This entertaining and enlightening book shows how in the process of domesticating foreign goods and customs the Japanese have created a culture in which once exotic practices such as ballroom dancing have become familiar and once familiar practices such as public bathing have become exotic Written by scholars from anthropology sociology and the humanities the book ranges from analyses of Tokyo Disneyland and the Japanese passion for the Argentinean tango to discussions of Japanese haute couture and the search for an authentic nouvelle cuisine japonaise These topics are approached from a variety of perspectives with explorations of the interrelations of culture ideology and national identity and analyses of the roles that gender class generational and regional differences play in the patterning of Japanese consumption The result is a fascinating look at a dynamic society that is at once like and unlike our own

Introducing Modern Japan, 1994 Contains transcripts of lectures given at the Japan Information Culture Center Embassy of Japan Washington D C British Children's Literature in Japanese Culture Catherine Butler, 2023-09-21 Whether watching Studio Ghibli adaptations of British children's books visiting Harry Potter sites in Britain or eating at Alice in Wonderland themed restaurants in Tokyo the Japanese have a close and multifaceted relationship with British children's literature In this the first comprehensive study to explore this engagement Catherine Butler considers its many manifestations in print on the screen in tourist locations and throughout Japanese popular culture Taking stock of the influence of literary works such as Gulliver's Travels Alice's Adventures in Wonderland The Tale of Peter Rabbit Tom's Midnight Garden and the Harry Potter series this lively account draws on literary criticism translation film and tourist studies to explore how British children's books have been selected translated understood adapted and reworked into

Japanese commercial touristic and imaginative culture Using theoretically informed case studies this book will consider both individual texts and their wider cultural contexts translations and adaptations such as the numerous adaptations of British children s books by Studio Ghibli and others the dissemination of distinctive tropes such as magical schools into Japanese children s literature and popular culture and the ways in which British children s books and their settings have become part of way that Japanese people understand Britain itself

The Marginal World of Oe Kenzaburo: A Study of Themes and Techniques Michiko N. Wilson,2016-09-16 The first full length book devoted to Japan s 1994 Nobel Laureate The Marginal World of Kenzaburo e introduces the literary universe bursting with the explosive energies of Bakhtinian grotesque realism In its center stands the idiot son a trickster and soulful healer unknowingly thrown into the world of myth making and history The diverse voices of e s characters resonate with one another within and between reinvented texts as the book s analysis flow into the very pores and veins of his masterful writing

Bicycle Citizens Robin M. LeBlanc,2023-09-01 While the typical Japanese male politician glides through his district in air conditioned taxis the typical female voter trundles along the side streets on a simple bicycle In this first ethnographic study of the politics of the average female citizen in Japan Robin LeBlanc argues that this taxi bicycle contrast reaches deeply into Japanese society To study the relationship between gender and liberal democratic citizenship LeBlanc conducted extensive ethnographic fieldwork in suburban Tokyo among housewives volunteer groups consumer cooperative movements and the members of a committee to reelect a female Diet member who used her own housewife status as the key to victory LeBlanc argues that contrary to popular perception Japanese housewives are ultimately not without a political world Full of new and stimulating material engagingly written and deft in its weaving of theoretical perspectives with field research this study will not only open up new dialogues between gender theory and broader social science concerns but also provide a superb introduction to politics in Japan as a whole While the typical Japanese male politician glides through his district in air conditioned taxis the typical female voter trundles along the side streets on a simple bicycle In this first ethnographic study of the politics of the average female citizen i

Images Of Japanese Society Hb Ross Mouer,Yoshio Sugimoto,2013-10-28 The popular image of Japanese society is a stereoetypical one that of a people characterised by a coherent set of thought and behaviour patterns applying to all Japanese and transcending time Ross Mouer and Yoshio Sugimoto found this image quite incongruous during their research for this book in Japan They ask whether this stereoetype of the Japanese is not only generated by foreigners but by the Japanese themselves This is likely to be a controversial book as it does not contribute to the continuing mythologising of Japan and the Japanese The book examines contemporary images of Japanese society by surveying an extensive sample of popular and academic literature on Japan After tracing the development of holistic theories about the Japanese commonly referred to as the group model attention is focused on the evaluation of that image Empirical evidence contrary to this model is discussed and methodological lacunae are cited A sociology of Japanology is also presented In pursuit of other visions of Japanese

society the authors argue that certain aspects of Japanese behaviour can be explained by considering Japanese society as the exact inverse of the portrayal provided by the group model The authors also present a multi dimensional model of social stratification arguing that much of the variation in Japanese behaviour can be understood within the framework as having universal equivalence

Modern Japan J.E. Thomas,2014-09-25 J E Thomas examines the historical roots of Japanese social structures and preoccupations and he sets these within the broad chronological framework of Japan s political and military development The book can thus serve as an introduction to modern Japan in a more general sense but its focus throughout is on the people themselves Professor Thomas gives due attention to the Japanese mainstream but he also discusses those other sections of the community which have traditionally been underprivileged or marginalised most obviously women but also minority groups and outcasts and the Japanese attitude to foreigners beyond her shores

A Handbook of Modern Japan Ernest W. Clement,2023-11-20 In Ernest W Clement s A Handbook of Modern Japan readers are immersed in a comprehensive exploration of Japan s social cultural and political landscape in the modern era The book s detailed analysis delves into Japan s transformation from a feudal society to a global economic power highlighting key events and figures that shaped its trajectory Clement s writing style is academic yet accessible making complex historical concepts understandable to a wide range of readers The book is a valuable resource for students and scholars seeking a deeper understanding of Japan s place in the world today Positioned in the context of post World War II Japan Clement s work sheds light on the country s unique blend of tradition and innovation offering insights into its complex societal structures and cultural norms With meticulous research and insightful analysis A Handbook of Modern Japan is a must read for anyone interested in the complexities of contemporary Japanese society and politics

Modern Japanese Literature ,2007-12-01 A collection of plays essays poetry and reportage compiled by the 20th century s premier scholar of Japanese literature Slate Modern Japanese Literature is Donald Keene s critically acclaimed companion volume to his landmark Anthology of Japanese Literature Now considered the standard canon of modern Japanese writing translated into English Modern Japanese Literature includes concise introductions to the writers as well as a historical introduction by Professor Keene Includes Growing Up by Higuchi Ichiy a lyrical story of pre adolescence in the nineties Natsume S seki s story of Botchan an ill starred and ineffectual Huck Finn Nagai Kaf s The River Sumida Yokomitsu Riitchi s Kafkaesque Time Kawabata Yasunari s The Mole The Firefly Hunt a glimpse into Tanizaki Junichir s masterpiece Thin Snow and the postwar work of such writers as Dazai Osamu and Mishima Yukio

Modern Japanese Fiction and Its Traditions J. Thomas Rimer,2014-07-14 Thomas Rimer s book seeks to explain the background structural principles and development of pre modern and modern Japanese fiction in a way that is comprehensive methodical and accessible to the general reader Originally published in 1978 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in

durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Ōsugi Sakae, Anarchist in Taishō Japan Thomas A. Stanley, 2020-03-17 A biography of Sakae sugi a radical Japanese anarchist during the Meiji Period sugi published numerous anarchist periodicals helped translate western anarchist essays into Japanese and created Japan's first Esperanto school in 1906 He and others were murdered in 1923 by military police in what became known as the Amakasu Incident

Anthology of Modern Japanese Poetry Yuki Sawa, 2012-02-14 This collection of modern Japanese poetry presents carefully selected works for Western readers The state of Japanese poetry in the twentieth century its high quality and individuality is clearly shown in this book The introduction gives a brief lucid history of poetry in Japan with the emphasis on modern poetry The body of the book is taken up with the translation of the work of forty nine widely acclaimed poets free verse poets tanka poets and haiku poets At the back are notes giving illuminating biographical and literary information about each poet The excellence of the translations and the lucidity of the introduction and notes make the book a treasure for poetry lovers everywhere Poets include Kotaro Takamura Yoshiaki Sasazawa Iku Takenaka Saburo Kuroda Shuntaro Tanikawa Mokichi Saito Kuniyo Takayasu Suju Takano Kiyoko Takayanagi

A Catalogue of Works of Art and Curiosities at Normanhurst Court, Battle, 1878

Representing the Other in Modern Japanese Literature Rachael Hutchinson, Mark Williams, 2006-09-27 Representing the Other in Modern Japanese Literature looks at the ways in which authors writing in Japanese in the twentieth century constructed a division between the Self and the Other in their work Drawing on methodology from Foucault and Lacan the clearly presented essays seek to show how Japanese writers have responded to the central question of what it means to be Japanese and of how best to define their identity Taking geographical racial and ethnic identity as a starting point to explore Japan's vision of non Japan representations of the Other are examined in terms of the experiences of Japanese authors abroad and in the imaginary lands envisioned by authors in Japan Using a diverse

cross section of writers and texts as case studies this edited volume brings together contributions from a number of leading international experts in the field and is written at an accessible level making it essential reading for those working in Japanese studies colonialism identity studies and nationalism *The Grammatical Voice in Japanese* Junichi

Toyota,2011-09-22 This monograph investigates how Japanese employs different structures found in the grammatical voice both synchronically and diachronically The Japanese voice system especially the passive voice has provided much interesting data for typological comparison and Japanese examples are often cited in various linguistic works However the basic structure consisting of a suffix *r* are is taken for granted as the passive voice but it has not been thoroughly compared with various structures with similar functions in other languages It is argued here that various typological comparisons can reveal different interpretations of structures often analysed under a term grammatical voice in Japanese The main argument proposed in this book is that the Japanese passive originates from an earlier middle voice structure As the language evolved the middle voice lost its core function and became more like the passive voice leaving some residues of earlier middle voice structure even in Modern Japanese This developmental path is typologically very common but it has not been recognised in the history of Japanese This will make the voice continuum in Japanese more complex i e from a conventional active passive binary pair to a newly proposed active middle passive ternary pair Thus the presence of the middle voice in Japanese can provide various solutions to questions that are previously considered in relation to the passive voice The book starts off with a description of different structures normally discussed under the passive voice in Japanese and five structures are presented here Following this both syntactic and semantic features of the Japanese voice system are discussed separately These discussions will raise some oddities that are not dealt with satisfactorily in previous analysis and these points are analysed in historical comparison Apart from the basic description of five structures certain grammatical features are studied by comparing Japanese data with similar structures and functions in other languages In addition there is a small amount of data used for indicating frequency of structures in the basic description **The Dutch East India Company in Early Modern**

Japan Michael Laver,2020-04-16 Michael Laver examines how the giving of exotic gifts in early modern Japan facilitated Dutch trade by ascribing legitimacy to the shogunal government and by playing into the shogun's desire to create a worldview centered on a Japanese tributary state The book reveals how formal and informal gift exchange also created a smooth working relationship between the Dutch and the Japanese bureaucracy allowing the politically charged issue of foreign trade to proceed relatively uninterrupted for over two centuries Based mainly on Dutch diaries and official Dutch East India Company records as well as exhaustive secondary research conducted in Dutch English and Japanese this new study fills an important gap in our knowledge of European Japanese relations It will also be of great interest to anyone studying the history of material culture and cross cultural relations in a global context **Oregon Curiosities** Harriet Baskas,2010-01-06 The definitive collection of Oregon's odd wacky and most offbeat people places and things for Beaver

State residents and anyone else who enjoys local humor and trivia with a twist

This is likewise one of the factors by obtaining the soft documents of this **Oddities In Modern Japan** by online. You might not require more period to spend to go to the ebook establishment as competently as search for them. Oddities In Modern Japan Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Oddities In Modern Japan PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency

saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Oddities In Modern Japan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Oddities In Modern Japan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Oddities In Modern Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Oddities In Modern Japan is one of the best book in our library for free trial. We provide copy of Oddities In Modern Japan in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Oddities In Modern Japan. Where to download Oddities In Modern Japan online for free? Are you looking for Oddities In Modern Japan PDF? This is definitely going to save you time

and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Oddities In Modern Japan. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Oddities In Modern Japan are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Oddities In Modern Japan. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Oddities In Modern Japan To get started finding Oddities In Modern Japan, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Oddities In Modern Japan So depending on what exactly you are searching, you will be able tochoose ebook to suit your own need. Thank you for reading Oddities In Modern Japan. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Oddities In Modern Japan, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Oddities In Modern Japan is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Oddities In Modern Japan is universally compatible with any devices to read.
