Odes Of Roba:

Odes of Roba Clark Coolidge, 1991 Poetry Poems Written in Rome October 1984 February 1985 is the note below the manuscript title of ODES OF ROBA Roba means stuff in Italian slang a period which marked Clark Coolidge's first experience of Italy particularly Rome an immersion of five months in an architectural complex and cultural dilation long imagined often heard extolled by Philip Guston Alvin Curran and others and now finally present in the dailiness of the poet's life as a Writer in Residence at the American Academy in Rome In bursts of energy and concentrated excitement Coolidge catches the verbal light in its multiple bounce off physical presence and cognitive angle alike Rome is catalyst oracle the sound of water As in his long poem AT EGYPT written in response to a trip up the Nile River and in the two as yet unpublished books written following two visits to the former Soviet Union ODES OF ROBA preserves this heterodox poet's nominative expedition into the present foreign ancient flux

Present Tense Stephen Ratcliffe, 1995 Poetry Things happen fast and abundantly as perceived in the present tense Not that the present isn't selected as much as the past is but being less a function of memory and more of attention to the sights and sounds and textual material before the writer any truly responsible present tense seems less constructed than received it is both littered with specificity and cumulatively abstract Two constants in Ratcliffe's scanner as this long poem in twelve sections hums by among the legible many are the sudden recognitions of music intimately heard in ear and mind and the remarkable articulations of the sense around sunstruck plenitude of natural phenomena that literally radiates outwards from his person in all directions a not always pleasant but inescapably full creation whose principle of order is always change And then he asks why not learn to read the right way monosyllabically as if to slow himself and us down to the actual moments that yield sensory delight and knowledge of the world To be precise and yet as continuous as attention is particular is to harness the presentational immediacy of this work's operative poetic muscle As we read we listen to the language speak but we also hear it streak fly mope glance loaf seduce dance In these stanzaically subtle sections Ratcliffe's performative pen scores a possible creation one filled with all manner of unpredictable noticings dislocations mortal acknowledgments blink the vines cover the house

False Memory Tony Lopez, 1996 Poetry FALSE MEMORY is a major political poem written through the events of the 1990s representing the damaged world that we know in all its violence and inequality Focusing on public language rather than private experience FALSE MEMORY is a hilarious collage of all the specialized jargons and advertised slogans that situate us in the postmodern world

New York Michael Gottlieb, 1993 Poetry The Great Pavement and The Ulterior Parkways the two long poems that make up Michael Gottlieb's NEW YORK each consist of sixty brief sections that are by turns elegant direct gritty oblique They offer the reader a completely refreshed sense and sensibility Like an extended exercise in tonal breath control the familiar sights and sounds and aspirations of city life pass through the author's prose refracted in the light of his prismatic feeling for the cultivated languages informational hums whines and clatters of urban life Beneath the cosmetic verities of the quotidian Gottlieb assays

the shadows of ambition the underpainting of memory the bone structure of history the masks of humor What emerges is a generalized portrait of a particular place as much talk as take as much savvy as cool a cartographic thrust and parry rhythm flush with stories wised up with experience As grainy as the dots of a tabloid photo the sentences in Gottlieb's NEW YORK make attention specific They give us back a place we only thought we knew **Syncopations** Jed Rasula, 2004-05-18 An analysis of the sustaining vitality behind contemporary American poetry from 1975 to the 2003 these 12 essays examine both exemplary innovators and the social context in which innovation is resisted acclaimed or taken for granted **Doombook** Michael Price, 1998 *No. 111 2.7.93-10.20.96* Kenneth Goldsmith, 1997 International Who's Who in Poetry 2004 Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets **Poems for the Millennium, Volume Two** Jerome Rothenberg, Pierre Joris, Jeffrey Cane Robinson, University of California Press, 1995 Global anthology of twentieth century poetry Back cover **The Oxford Companion to Twentieth-Century Literature in English** Jenny Stringer, 1996-09-26 This is a unique new reference book to English language writers and writing throughout the present century in all major genres and from all around the world from Joseph Conrad to Will Self Virginia Woolf to David Mamet Ezra Pound to Peter Carey James Joyce to Amy Tan The survivors of the Victorian age who feature in The Oxford Companion to Twentieth Century Literature in English writers such as Thomas Hardy Olive Schreiner Rabindranath Tagore Henry James could hardly have imagined how richly diverse Literature in English would become by the end of the century Fiction plays poetry and a whole range of non fictional writing are celebrated in this informative readable and catholic reference book which includes entries on literary movements periodicals and over 400 individual works as well as articles on some 2 400 authors All the great literary figures are included whether American or Australian British Irish or Indian African or Canadian or Caribbean among them Samuel Beckett Edith Wharton Patrick White T S Eliot Derek Walcott D H Lawrence Tennessee Williams Vladimir Nabokov Wole Soyinka Sylvia Plath as well as a wealth of less obviously canonical writers from Ana s Nin to L M Montgomery Bob Dylan to Terry Pratchett The book comes right up to date with contemporary figures such as Toni Morrison Ben Okri Salman Rushdie Carol Shields Tim Winton Nadine Gordimer Vikram Seth Don DeLillo and many others Title entries range from Aaron s Rod to The Zoo Story topics from Angry Young Men Bestsellers and Concrete Poetry to Soap Opera Vietnam Writing and Westerns A lively introduction by John Sutherland highlights the various and sometimes contradictory canons that have emerged over the century and the increasingly international sources of writing in English which the Companion records Catering for all literary tastes this is the most comprehensive single volume guide to modern and postmodern literature **Ted** Ron Padgett, 1993 LC copy inscribed by the author For Linda with love Ron The Book of During Clark Coolidge, 1991 Fiction From THE BOOK OF DURING In every a room but could I describe it ride around its edges never quite pushing through the perimeter wherein we spent so many fucking afternoons Terrible picture of all the words waiting relentlessly outside What after all is the activity of telling beyond the fate of act A feeling as if I had only heard

about the teeming presence of my own life And is your fucking a telling Everywhere wandered around in here while we were doing it But we hardly noticed we were too palmed into our past decide Will you tell me about it while we are doing it Will you find yourself able to tell what we were doing while we are doing a thing similar Can you relate to me Will you say everything you can recall from it the act of saying of a fucking previous in a fucking present And then you put your and I lifted my And then I came and then you came and then will we come Or are these only as thoughts of a room its light and walls
