inspiration and insight into the magic of storytelling itself *The Renewal of Epic* V. Knight, 2018-07-17 *The Renewal of Epic* considers various modes of allusion to Homer in the *Argonautica* of Apollonius dealing not only with similarities in phraseology but also with thematic and structural resemblances After an introduction two chapters discuss Apollonian techniques in treating repeated Homeric scenes sacrifice shipwreck boxing and battle The central section of the work considers the multiple links between the adventures of the Argonauts and Odysseus wanderings A final chapter explores Apollonius innovative treatment of the divine both generally and in particular scenes The work shows convincingly that the *Argonautica* reproduces many of the patterns which have been found in the *Iliad* and *Odyssey* It demonstrates the presence of allusion at every level in the poem linking it to its predecessors and acting as an essential interpretative aid to the reader

The "Odyssey" Re-formed Frederick Ahl, Hanna M. Roisman, 2018-10-18 Frederick Ahl and Hanna M Roisman believe that contemporary readers who do not know ancient Greek can gain a sophisticated grasp of the *Odyssey* if they are aware of some of the issues that intrigue and puzzle the experts They offer a challenging new reading of the epic that is directed to the general student of literature as well as to the classicist Ahl and Roisman suggest that while translators have served the *Odyssey* and its English speaking readers remarkably well the nonspecialist wishing to do a more detailed critical reading of the epic faces a dilemma The enormous scholarly literature makes few concessions to the nonspecialist and those studies designed for general readers tend to offer variations on the overly simple idealized readings of the epic common in high school and college survey courses *The Odyssey Re Formed* offers a lively and detailed reading of the *Odyssey* episode by episode with particular attention paid to the manipulative power of its language and Homer's skill in using that power The authors explore how myth is shaped for specific rhetorical reasons and suggest ways in which the epic uses its audience's awareness of the varied pool of mythic traditions to give the *Odyssey* remarkable and subtle resonances that have profound poetic power *CHILDHOOD CLASSICS - Ultimate Collection: 1400+ Tales of Magic, Adventure, Fairytales & Legends* J.
