Hellenisation of the Samaritans and Jews and after the founding of the great library of Alexandria The Bible and Hellenism takes up one of the most pressing and controversial questions of Bible Studies today the influence of classical literature on the writing and formation of the Bible Bringing together a wide range of international scholars The Bible and Hellenism explores the striking parallels between biblical and earlier Greek literature and examines the methodological issues raised by such comparative study The book argues that the oral traditions of historical memory are not the key factor in the creation of biblical narrative It demonstrates that Greek texts from such authors as Homer Hesiod Herodotus and Plato must be considered amongst the most important sources for the Bible Adventures in Odyssey Bible Eyewitness - The Easter Story (CD). Adventures in Odyssey,2008 Explore the Easter story through the eyes of Digger Digwillow a young boy who learns that the Bible is anything but boring Prophets of Love Matthew R. Anderson,2023-09-15 Leonard Cohen and the Apostle Paul might be imagined as brothers with wildly different characters but a strong family resemblance Paul the elder sibling was awkward abrasive and zealous Leonard the successful younger brother was a smooth talking romantic prone to addiction and depression Paul died a martyr not knowing his words would have any effect on the world Leonard could see his canonization within his lifetime Yet each became a prophet in his own time and a poet for the ages In Prophets of Love Matthew Anderson traces surprising connections between two Jewish thinkers separated by millennia He explores Leonard s and Paul s mysticism their Judaism their fascination with Jesus their countercultural perspectives on sex their ideas about love and how they each embodied being men Anderson considers their ambiguous relationships with women on whom they depended and from whom they often profited as well as how their legacies continue to evolve and be re interpreted This book emphasizes that Paul was first and foremost a Jew and never rejected his Judaism At the same time it sheds new light on the biblical worldviews and language underlying and inspiring every line of Cohen s poetry Prophets of Love alters our views of both Leonard Cohen and the Apostle Paul re introducing us to two poetic prophets of divine and human love
