Oedipus Judaicus William Drummond,1811 Oedipus Judaicus William Drummond,1996 **Moses In Ancient Egypt & The Hidden Story Of The Bible** Richard Darlow,2010-02-09 A non fictional account explaining why the author believes Moses was a prince of Thebes called Ramose Born c 1500 BC Prince Ramose was heir to Pharaoh Thutmose III being his Great Army Commander both roles ascribed to Moses by Hebrew tradition Moreover Ramose Moses both led victorious military campaigns against Ethiopia Cush then married the king s daughter becoming Egypt s Viceroy there A short time later Prince Ramose was mysteriously struck out of Egyptian records while the Bible hints Moses was cast into exile Exploring some of the more esoteric aspects of the prophet s life this book finds threads firmly connecting him to Egypt s 18th Dynasty 3500 years ago The book uncovers the Hermetic star knowledge Astrology which Moses gleaned from the White Brotherhood a secretive Egyptian mystery school who met in the halls of Karnak This knowledge was cryptically infused into the early Biblical scriptures revealing the Israelite ancestors were once devoted Astrologers The Oedipus Judaicus Sir William Drummond,1811 The best known work by Sir William Drummond 1770 1828 in which he argued that sections of the Old Testament was actually an allegorical interpretation of the astrological astronomical beliefs and writings of the ancients Drawing on authorities such as Kircher he explored in particular the zodiacs planispheres and pantheons of the Egyptians and ancient Hebrew tribes illustrating his work with engravings taken from the Zodiac of Dendera and other sources **Preface to the Oedipus Judaicus** William DRUMMOND (Right Hon. Sir),1840 **Remarks on Sir William Drummond's Oedipus Judaicus** George D'Oyly,1813 "The" Oedipus Judaicus Sir William Drummond,1811 Oedipus Judaicus W. Drummond,2014-03 This Is A New Release Of The Original 1811 Edition *The Dawning* Terry MacKinnell,2011-03-09 The Dawning is a radically different and innovative approach to the astrological ages including the Age of Aquarius providing a fascinating insight into past ages our current turbulent times and what might be in store for our world over the next few thousand years Terry MacKinnell takes us on a journey into the astrological ages and with periscope detail presents an entertaining and thought provoking read that challenges astrological assumptions MacKinnell proposes that an oversight made by the ancients inadvertently impacted conventional astrological calculations and he explores the popular belief that the Age of Aquarius has already arrived when according to conventional astrology it is not due for many centuries to come He argues that the real Aquarian Age has indeed already arrived and did so in the 15th Century the same century historians claim as the beginning of modernity Continuing the journey he dives into our present and our future This fascinating book will appeal to astrologers archeo astronomers historians and everyone looking for a new perspective on the past the present and the future *Reading the New Testament* John Court,2008-01-28 Reading the New Testament is the lead volume to the successful New Testament Readings Series It analyzes the many ways in which the New Testament can be read and interpreted Rather than prescribing one correct way of reading this study offers an overview of and introduction to

the most influential theories of recent scholarship discussing the background against which such theories are developed It shows the advantages of combining methods of reading thus stimulating an interaction between various approaches illustrated by the individual volumes in the series This is an important addition to New Testament literature offering the student of religion a comprehensive overview of the methods and approaches used by scholars in the field

Ibsen's Theatre of Ritualistic Visions Trausti Ólafsson, 2008 This book examines the ritualistic and mythological features derived from various religious traditions depicted in ten Ibsen plays The worshipping of the Great Mother the Mysteries of Eleusis the Hebrew Passover Meal and Yom Kippur alongside with the most sacred feasts of Christianity are identified in Ibsen's texts in a way not discovered before The outcome is a fascinating voyage through a landscape of ritualistic visions Throughout the book the author illustrates how the plays contribute to the revival of the sacred in modernist theatre Each chapter of the book contains a synopsis of the play interpreted followed by a detailed analysis which focuses on religious concepts and mythological elements incorporated in Ibsen's texts

[The Making of an Anglo-Jewish Scholar](#) David B. Ruderman, 2025-06-16 This book is a study of the life and thought of the Polish Jew Solomon Yom Tov Bennett 1767-1838 who immigrated to London where he spent the last forty years of his life In focusing on Bennett's learned life it underscores the significance of this singular writer artist and public figure especially his remarkable dual interests in art and thought his biblical scholarship his social and intellectual connections with some of the most famous and accomplished Christian intellectuals of London and his self-determination to complete his life-long ambition of serving Western civilization by correcting and rewriting the entire standard edition of the English Old Testament Bennett's Christian associates respected his learning and were willing to accept him as a Jew in their ranks His integration into the upper echelons of the Christian literary establishment dukes jurists theologians and other scholars did not impede his loyalty to his faith On the contrary Bennett's Christian friends made him more Jewish more convinced of Judaism's moral force and more secure in his own skin as a member of a proud minority among Christian elites supposedly liberated so he hoped from the dark hostility of the Christian past His supreme act of translating the Bible constituted the ultimate payback he could offer the altruistic Christians he had met open to welcoming him not despite his Jewishness but because of it Bennett's transformation from a Polish Jewish immigrant to a proud Anglo Jew exemplifies a unique path of modern Jewish life and self-reflection one ultimately shaped by the particular ambiance of his newly adopted country
