Oeuvre De Chair

Roger Sherman Loomis

Oeuvre De Chair:

Claude Louis-Combet. L'oeuvre de chair José-Laure Durrande, 1996 Voici la première monographie consacrée à une œuvre forte d'une quarantaine d'ouvrages romans essais poèmes traductions aussi diversifiées dans ses productions qu'unitaire dans sa cohésion comme si le vocable de corpus pouvait se perdre comme un taphore retenu la puissance de chair au souffle et au rythme de celui qui tient la plume Que révèle-t-elle dans son fonctionnement des limites et des ambitions de la littérature contemporaine de son rôle et de ses pouvoirs œuvre de chair le texte est moins une rationalisation de l'intellect que création d'un enveloppement vivant où s'incarne l'origine où le fils consomme l'inceste avec la mère où le masculin ne peut parler que d'une double voix dans son identification au féminin Au battement des contradictions de l'âme et du corps du transcendantal et de l'organique de la tenture de l'origine et de la clarté des signifiants de la sainteté et de la souillure une langue porteuse et sacralisée chappant toute scolarisation esthétique devient entre silence et absence ce phras qui recupère en mythobiographie la nullité de l'existence cette incantation qui clame la perte l'écueil et le désespoir ontologique L'écriture en son cheminement de perdition ne cesse de boucler son cercle pour que jamais retranché de la parole ne cesse de résonner son secret dans la musicale chambre d'échos
