Baylor, 2011-07-22 This encyclopedia contains 50 thorough profiles of the most numerically significant immigrant groups now making their homes in the United States telling the story of our newest immigrants and introducing them to their fellow Americans One of the main reasons the United States has evolved so quickly and radically in the last 100 years is the large number of ethnically diverse immigrants that have become part of its population People from every area of the world have come to America in an effort to realize their dreams of more opportunity and better lives either for themselves or for their children This book provides a fascinating picture of the lives of immigrants from 50 countries who have contributed substantially to the diversity of the United States exploring all aspects of the immigrants lives in the old world as well as the new Each essay explains why these people have come to the United States how they have adjusted to and integrated into American society and what portends for their future Accounts of the experiences of the second generation and the effects of relations between the United States and the sending country round out these unusually rich and demographically detailed portraits *Shakespeare and Immigration* Ruben Espinosa, 2016-04-01 Shakespeare and Immigration critically examines the vital role of immigrants and aliens in Shakespeare's drama and culture On the one hand the essays in this collection interrogate how the massive influx of immigrants during the reign of Queen Elizabeth I influenced perceptions of English identity and gave rise to anxieties about homeland security in early modern England On the other they shed light on how our current concerns surrounding immigration shape our perception of the role of the alien in Shakespeare's work and expand the texts in new and relevant directions for a contemporary audience The essays consider the immigrant experience strangers and strangeness values of hospitality in relationship to the foreigner the idea of a host society religious refuge and refugees legal views of inclusion and exclusion structures of xenophobia and early modern homeland security In doing so this volume offers a variety of perspectives on the immigrant experience in Shakespearean drama and how the influential nature of the foreigner affects perceptions of community and identity and collection questions what is at stake in staging the anxieties and opportunities associated with foreigners Ultimately Shakespeare and Immigration offers the first sustained study of the significance of the immigrant and alien experience to our understanding of Shakespeare's work By presenting a compilation of views that address Shakespeare's attention to the role of the foreigner the volume constitutes a timely and relevant addition to studies of race ethics and identity in Shakespeare **Seeking Salaam** Sandra M. Chait, 2011-12-01 Prolonged violence in the Horn of Africa the northeastern corner of the continent has led growing numbers of Ethiopians Eritreans and Somalis to flee to the United

States Despite the enmity created by centuries of conflict they often find themselves living as neighbors in their adopted cities with their children as class mates in school In many ways they are successfully navigating life in their new home however they continue to struggle to bridge old ethnic divisions and find salaam or peace with one another News from home fuels historical grievances and perpetuates tensions within their communities delaying acculturation undermining attempts at reconciliation and sabotaging the opportunity to reach the American Dream In conversations with forty East African immigrants living in Seattle Washington and Portland Oregon Sandra Chait captures the immigrants struggle for identity in the face of competing stories and documents how some individuals have been able to transcend the ghosts from the past and extend a tentative hand to their former enemies **Ebony** ,2004-02 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
