## Of Fifty Summers:

**Summer of Fifty-seven** Stephen C. Joseph, 2003 Stop the car I mean slow down please Do you think there might be any work around here Mister Steve Jonas is 19 years old in the summer of 1957 riding his thumb north and west He hitches into the two horse town of Jackson Wyoming in a June snowstorm and comes face to face with the Grand Teton Range the peaks that shine by night as by day Jonas finds work in the National Park building the mountain trail that is to shape the course of his coming of age It is the late 1950s a more innocent and sweeter time than the turbulent decades to come but the realities and aspirations of a young man in summer are as always work adventure romance conflict Characters larger than life fill his days and nights Dick Robbins the backcountry expert who can do absolutely anything including fly Nebraska cowboy Jim Burdock with the trick of looking fast but actually moving slow the haunting enigmatic Kitty just out of reach And towering above the others Billy Jiggs from Driggs Idaho profane master of men and timber and surprisingly music In the background are the ghosts of two free trapping Mountain Men from the 1830s still on the move As Jonas finds and occasionally loses his way in this country of the heart as the trail moves forward yard by yard the seeds of his future life trail take fire root and blossom

Williamson,2012-11-18 Wardens Selected for their strong innate connection to the lifeblood of the world these unique individuals were granted the gift of immortality and tasked with the protection of Kylir and its ancient Guardians against the Darkness Where once they warred openly raining unimaginable destruction upon the world the centuries have seen their conflict shift to the shadows in the hope of gaining victory through the manipulation of the mundane instead of open devastating conflict For what victory is there in reigning over a dead world On the continent of Triclose war is life and life is war For two hundred years the proud people of this land have battled for control of the long empty throne the Wardens and their war lost to the annals of myth and legend The children of this land are raised on stories of their ancestors and noble battles against life long enemies thus with each new generation loyalties are sworn hatreds renewed and the wars begin anew It is here even as this never ending cycle of generational warfare plays out that events both unexpected and foreseen threaten to draw the ancient Wardens from the shadows and reignite a war with the cataclysmic potential to reshape Kylir for all time
