Of Good And Ill Repute Gender And Social Control In Medieval England:

Of Good and Ill Repute Barbara A. Hanawalt, 1998 In eleven interrelated essays this text explores the roles that community family and society played in maintaining social control in medieval England The essays focus on gender criminal behaviour law enforcement and much more Gender and Petty Crime in Late Medieval England Karen Jones, 2006 A large proportion of late medieval people were accused of some kind of misdemeanour This book studies gender and crime in late medieval England It shows how charges against women differed from those against men and how assumptions and fears about masculinity and femininity were reflected and reinforced by the local courts *Gender and difference in the Middle Ages* Sharon A. Farmer, Carol Braun Pasternack, Nothing less than a rethinking of what we mean when we talk about men and women of the medieval period this volume demonstrates how the idea of gender in the Middle Ages no less than now intersected in subtle and complex ways with other categories of difference Responding to the insights of postcolonial and feminist theory the authors show that medieval identities emerged through shifting paradigms that fluidity conflict and contingency characterized not only gender but also sexuality social status and religion This view emerges through essays that delve into a wide variety of cultures and draw on a broad range of disciplinary and theoretical approaches Scholars in the fields of history as well as literary and religious studies consider gendered hierarchies in western Christian Jewish Byzantine and Islamic areas of the medieval world **Reputation and Representation in Fifteenth Century Europe** Douglas L. Biggs, Sharon D. Michalove, Albert Compton Reeves, Richard III Society. American Branch, 2004-01-01 This volume deals with political military social architectural and literary aspects of fifteenth century England The essays contained in the volume range across the century from some of the leading scholars currently working in the period With contributions by Mark Arvanigian Kelly DeVries Sharon Michalove Harry Schnitker Charlotte Bauer Smith Candace Gregory Helen Maurer Karen Bezella Bond E Kay Harris Daniel Thiery John Leland Peter Fleming Virginia K Henderson **Laughter, Humor, and the (Un)making of Gender** A. Foka, J. Liliequist, 2015-05-06 Humor is the tendency of particular cognitive experiences to provoke laughter and provide amusement Throughout history it has played a crucial role in defining gender roles and identities This collection offers an in depth thematic examination of this relationship between humor and gender spanning a variety of historical and cultural backdrops England's Northern Frontier Jackson W. Armstrong, 2020-11-12 Explains the history of England's northern borderlands in the fifteenth century within a broader social political and European context Women, Identities and Communities in Early Modern Europe Stephanie Tarbin, Susan Broomhall, 2016-12-05 Addressing a key challenge facing feminist scholars today this volume explores the tensions between shared gender identity and the myriad social differences structuring women's lives By examining historical experiences of early modern women the authors of these essays consider the possibilities for commonalities and the forces dividing women They analyse individual and collective identities of early modern women tracing the web of power relations emerging from women's social interactions

and contemporary understandings of femininity Essays range from the late medieval period to the eighteenth century study women in England France Germany Ireland Italy and Sweden and locate women in a variety of social environments from household neighbourhood and parish to city court and nation Despite differing local contexts the volume highlights continuities in women s experiences and the gendering of power relations across the early modern world Recognizing the critical power of gender to structure identities and experiences this collection responds to the challenge of the complexity of early modern women s lives In paying attention to the contexts in which women identified with other women or were seen by others to identify contributors add new depth to our understanding of early modern women s senses of exclusion and belonging

Women in Early Modern Britain, 1450-1640 Christine Peters, 2017-03-09 Although in its infancy the history of women in Wales and Scotland before and during the Reformation is now thriving A longer tradition of historical studies has shed light on many areas of women s experience in England Drawing on this historiography Christine Peters examines the significance of contrasting social economic and religious conditions in shaping the lives of women in Britain Gender assumptions were broadly similar in England Wales and Scotland but female experience varied widely *Women in Early Modern Britain 1450 1640* explores how this was influenced by various factors including changes in clanship and inheritance the employment of single women the punishment of pregnant brides and scolds the introduction of Protestantism and the fusion of fairy beliefs with ideas of demonological witchcraft Peters text is the first comparative survey and analysis of the diversity of women s lives in Britain during the early modern period

The Boswell Thesis Mathew Kuefler, 2006-03 Few books have had the social cultural and scholarly impact of John Boswell s *Christianity Social Tolerance and Homosexuality* Arguing that neither the Bible nor the Christian tradition was nearly as hostile to homoeroticism as was generally thought its initial publication sent shock waves through university classrooms gay communities and religious congregations Twenty five years later the aftershocks still reverberate *The Boswell Thesis* brings together fifteen leading scholars at the intersection of religious and sexuality studies to comment on this book s immense impact the endless debates it generated and the many contributions it has made to our culture The essays in this magnificent volume examine a variety of aspects of Boswell s interpretation of events in the development of sexuality from Classical Antiquity through the Middle Ages including a Roman emperor s love letters to another man suspicions of sodomy among medieval monks knights and crusaders and the gender bending visions of Christian saints and mystics Also included are discussions of Boswell s career including his influence among gay and lesbian Christians and his role in academic debates between essentialists and social constructionists Elegant and thought provoking this collection provides a fitting twenty fifth anniversary tribute to the incalculable influence of *Christianity Social Tolerance and Homosexuality* and its author

Chaucer, Ethics, and Gender Alcuin Blamires, 2006-04-06 This book makes a vigorous reassessment of the moral dimension in Chaucer s writings For the Middle Ages the study of human behaviour generally signified the study of the morality of attitudes choices and actions Moreover moral analysis was

not gender neutral it presupposed that certain virtues and certain failings were largely gender specific Alcuin Blamires mainly concentrating on The Canterbury Tales discloses how Chaucer adapts the composite inherited traditions of moral literature to shape the significance and the gender implications of his narratives Chaucer Ethics and Gender is therefore not a theorization of ethical reading but a discussion of Chaucer's engagement with the literature of practical ethical advice Working with the commonplace primary sources of the period Blamires demonstrates that Stoic ideals somewhat uncomfortably absorbed within medieval Christian moral codes as Chaucer realized penetrate the poet's constructions of how women and men behave in matters for instance of friendship and anger sexuality and chastity protest and sufferance generosity and greed credulity and foresight The book will be absorbing for all serious readers or teachers of Chaucer because it is packed with commanding new insights It offers illuminating explanations concerning topics that have often eluded critics in the past the flood forecast in The Miller's Tale for example or the status of emotion and equanimity in The Franklin's Tale the unethical sexual trading in the Shipman's Tale the contemporary moral force of a widow's curse in The Friar's Tale and the quizzical moral link between the Wife of Bath's Prologue and Tale There is even a new hypothesis about the conceptual design of The Canterbury Tales as a whole Deeply informed and historically alert this is a book that engages its reader in the vital role played by ethical assumptions with their attendant gender assumptions in Chaucer's major poetry

A Companion to Geoffrey of Monmouth, 2020-08-10 A Companion to Geoffrey of Monmouth brings together scholars from a range of disciplines to provide an updated scholarly introduction to all aspects of his work Arguably the most influential secular writer of medieval Britain Geoffrey d 1154 popularized Arthurian literature and left an indelible mark on European romance history and genealogy Despite this outsized influence Geoffrey's own life background and motivations are little understood The volume situates his life and works within their immediate historical context and frames them within current critical discussion across the humanities By necessity this volume concentrates primarily on Geoffrey's own life and times with the reception of his works covered by a series of short encyclopaedic overviews organized by language that serve as guides to further reading Contributors are Jean Blacker Elizabeth Bryan Thomas H Crofts Si n Echard Fabrizio De Falco Michael Faletra Ben Guy Santiago Gutierrez Garcia Nahiri I Ota o Gracia Paloma Gracia Georgia Henley David F Johnson Owain Wyn Jones Maud Burnett McInerney Fran oise Le Saux Barry Lewis Coral Lumbley Simon Meecham Jones Paul Russell Victoria Shirley Joshua Byron Smith Jaakko Tahkokallio H l ne T rel Rebecca Thomas Fiona Tolhurst Chaucer and the Making of Optical Space Peter Brown, 2007 The author links Chaucer's writings with the medieval optical tradition in its various forms scholastic texts encyclopedias exempla vernacular poetry both in general cultural terms and through the discussion of specific examples He shows how the science of optics or perspectiva provides an account of spatial perception including visual error and demonstrates how these aspects of optical theory impact on Chaucer's poetry He provides detailed and sustained analysis of the spatial content of narratives across the range of Chaucer's works relating them to optical ideas

and making use of Lefebvre's theory of the production of space. The texts discussed include the Book of the Duchess, House of Fame, Knight's Tale, Miller's Tale, Reeve's Tale, Merchant's Tale, Squire's Tale, and Troilus and Criseyde. **Policing and Boundaries in a Violent Society** Guy Lamb, 2022-01-31. This book explores how social and territorial boundaries have influenced the approaches and practices of the South Africa Police Service (SAPS). By means of a historical analysis of South Africa, this book introduces a new concept, police frontierism, which illuminates the nature of the relationships between the police, policing and boundaries, and can potentially be used for future case study research. Drawing on a wealth of research, this book examines how social and territorial boundaries strongly influenced police practices and behaviour in South Africa, and how social delineations amplify and distort existing police prejudices against those communities on the other side of the boundary. Focusing on cases of high density police operations, public order policing, and the recent policing of the COVID-19 lockdown, this book argues that poor economic conditions combined with an increased militarisation of the SAPS and a decline in public trust in the police will result in boundaries continuing to fundamentally inform police work in South Africa. This book will be of interest to scholars and students interested in policing in post-colonial societies characterised by high levels of violence, as well as police work and police militarization.

Communal Discord, Child Abduction, and Rape in the Later Middle Ages J. Goldberg, 2007-12-25. Did medieval women have the power to choose? This is a question at the heart of this book, which explores three court cases from Yorkshire in the decades after the Black Death. Alice de Rouclif was a child heiress made to marry the illegitimate son of the local abbot and then abducted by her feudal superior. Agnes Grantham was a successful businesswoman ambushed and assaulted in a forest whilst on her way to dine with the Master of St Leonard's Hospital. Alice Brathwell was a respectable widow who attracted the attentions of a supposedly aristocratic conman. These are their stories.

Beer and Brewing in Medieval Culture and Contemporary Medievalism John A. Geck, Rosemary O'Neill, Noelle Phillips, 2022-06-25. Beer and Brewing in Medieval Culture and Contemporary Medievalism is a cross-cultural analysis of the role that alcohol consumption played in literature, social and cultural history, and gender roles in the Middle Ages. The volume also seeks to correct or offer new insights into historical beer production. By drawing on the expertise of scholars of history, archaeology, Old and Middle English, Old Norse, and Medieval and Early Modern literature, the book shows how historical medieval beer and brewing has influenced nostalgic post-medieval nationalism and romanticized visions of the medieval ale house seen in beer marketing today. The essays describe alcohol consumption in the Middle Ages across much of Northern Europe, engage with the various myths employed in modern craft beer advertising, and beer production, and examine how gender intersects with beer production and consumption. The editors also raise certain critical questions about medievalisms which need to be interrogated, particularly in light of the continued use of the Middle Ages for white supremacist and colonialist ideals. The volume contributes to the study of the popular and historical understandings of the Middle Ages, as well as the issues of race and gender.

Alcohol, Violence, and Disorder in Traditional Europe A. Lynn

Martin, 2009-10-01 Traditional Europe had high levels of violence and of alcohol consumption both higher than they are in modern Western societies where studies demonstrate a link between violence and alcohol A Lynn Martin uses an anthropological approach to examine drinking establishments violence and disorder and compares the wine producing south with the beer drinking north and Catholic France and Italy with Protestant England and explores whether alcohol consumption can also explain the violence and disorder of traditional Europe Both Catholic and Protestant moralists believed in the link and they condemned drunkenness and drinking establishments for causing violence and disorder They did not advocate complete abstinence however for alcoholic beverages had an important role in most people's diets Less appreciated by the moralists was alcohol's function as the ubiquitous social lubricant and the increasing importance of alehouses and taverns as centers of popular recreation The study utilizes both quantitative and qualitative evidence from a wide variety of sources to question the beliefs of the moralists and the assumptions of modern scholars about the role of alcohol and drinking establishments in causing violence and disorder It ends by analyzing the often conflicting regulations of local regional and national governments that attempted to ensure that their citizens had a reliable supply of good drink at a reasonable cost but also to control who drank what where when and how No other comparable book examines the relationship of alcohol to violence and disorder during this period

The Security Society Francis Dodsworth, 2019-05-07 This book provides a critical engagement with the idea of the security society which has been the focus of so much attention in criminology and the social sciences more broadly Security has been argued to constitute a new mode of social ordering displacing the disciplinary society that Foucault saw as characteristic of the liberal era He saw a control society or risk society characteristic of Neo Liberalism in which the deviant behaviour of particular individuals as less important than general attempts to offset risk and reduce harm Dodsworth argues that much of this literature is extraordinarily presentist in orientation denying the long history of attempts to mitigate risk prevent harm and manage security which have always been a part of the government of order This book develops a critical history of security a thematic analysis of debates about security and aspects of the security society which puts contemporary arguments and practices in dialogue with the texts and practices of the past In doing so the book develops a cultural analysis of the meanings of security and the way these meanings have been articulated in particular practical contexts in order to understand how the promise of security has so effectively captured the imagination and channeled the effective engagement of people throughout the modern period

Christianity and Sexuality in the Early Modern World Merry Wiesner-Hanks, 2014-05-22 The book surveys the ways in which Christian ideas and institutions shaped sexual norms and conduct from the time of Luther and Columbus to that of Thomas Jefferson It is global in scope and geographic in organization with chapters on Protestant Catholic and Orthodox Europe Latin America Africa and Asia and North America All the key topics are covered including marriage and divorce fornication and illegitimacy clerical sexuality same sex relations witchcraft and love magic moral crimes and inter racial

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
