mainstream And yet today the industry is a shadow of what it once was In this book Leah Payne traces the history and trajectory of CCM in America and in the process demonstrates how the industry its artists and its fans shaped and continue to shape conservative mostly white evangelical Protestantism For many outside observers evangelical pop stars interpretive dancers puppeteers mimes and bodybuilders are silly expressions of kitsch Yet Payne argues that these cultural products were sources of power meaning and political activism Throughout she draws on in depth interviews with CCM journalists publishers producers and artists as well as archives sales and marketing data fan magazines merchandise everything that went into making CCM a thriving subculture Ultimately Payne argues CCM spurred evangelical activism in more potent and lasting ways than any particular doctrine denomination culture war or legislative agenda had before Political Rock Kristine Weglarz,2016-04-22 Political Rock features luminary figures in rock music that have stood out not only for their performances but also for their politics The book opens with a comparative cultural history of artists who have played important roles in social movements Individual chapters are devoted to The Clash and Fugazi Billy Bragg Bob Dylan Rage Against the Machine Pearl Jam Sinead O Connor Peter Gabriel Ani DiFranco Bruce Cockburn Steve Earle and Kim Gordon These artists have been chosen for their status as rock musicians and connections to political moments movements and art The artists and authors show that rock retains a critical strain continuing a tradition of rock politics that matters to fans activists and movements alike Kurt Cobain and Nirvana - Updated Edition Charles Cross,2016-07-01 Nirvana the immortal grunge Rock and Roll Hall of Fame inductee is as relevant and influential as ever Kurt Cobain Dave Grohl and Krist Novoselic comprised Nirvana the band that unintentionally tore the music world asunder with the 1991 album Nevermind The record that includes hits such as Smells like Teen Spirit Come as You Are and Lithium continues to rattle speakers with grunge that truly rocks Kurt Cobain and Nirvana Updated Edition tells the fully illustrated story of the band that spoke for Generation X in the 90s Here we are a quarter century after Nirvana irrevocably changed rock and roll and the band continues to make headlines and influence music lovers A documentary about the band and Cobain s solo album Montage of Heck The Home Recordings were released last year demanding a closer look at one of rock and roll s geniuses Kurt Cobain and Nirvana reveals the band s history with fresh eyes telling the story of a group that instigated a return to punk inspired rock This updated edition of the first ever complete illustrated history of Nirvana features the writing of a sparkling team of grunge rock experts and word slingers The book also includes performance and backstage photography as well as handbills singles ticket stubs gig posters and other memorabilia that complement the narrative You ll also find album reviews gear breakdowns and mini synopses of Cobain s fifty all time favorite albums Nirvana s ride was a wild one and all too brief
