Rowan's Rule Rupert Shortt,2009-02-24 A fascinating fair minded depiction of Archbishop Rowan Williams Rowan Williams is a complex and controversial figure Widely revered for his personal qualities he is also an intellectual giant who towers over almost all his predecessors as Archbishop of Canterbury Among other achievements he has trounced the atheist Richard Dawkins and published over twenty well regarded books including several volumes of poetry and a major study of Dostoevsky Yet he is also one of the most reviled church leaders in modern history Long before facing calls to step down after his lecture on sharia law in early 2008 he had been accused of heresy on account of his pro gay views He has disappointed many of his own supporters as well So how has high office changed Rowan Williams Has he been bullied and manipulated Or is he perhaps playing a long game obliged to rate church unity above the pursuit of his own vision at a time when the Anglican Communion has never looked more unstable Rupert Shortt already the author of an acclaimed introduction to the Archbishop s thought offers answers to these and other questions in this authoritative biography He explores how the events of the Archbishop s remarkable life have shaped his beliefs and practices today Of

particular interest is the riveting account of Williams's experience near the World Trade Center towers on the morning of September 11, 2001. Written with Williams's cooperation, Rowan's Rule not only elucidates his ideas but gives a compelling portrait of a private and in some ways surprisingly vulnerable man. *Cherished* Christina Bauer, 2017-05-30 Of the 3 books in the series, this one is my favorite. Reads and Reels: Amazing story that continues to grip and entice the reader. The Archeolibrarian: Chemistry is there from the start. I really enjoyed the romance. Functioning Insanity: Reviews For Elea: there's never been a better time to turn away from witch life. The Tsar is in exile. The Vicomte is dead. And Rowan: Falling for him only broke her heart. Instead of casting spells, Elea spends her days running Braddock Farm and enjoying the flirtations of the very handsome and non-magical Philippe. Everything is going perfectly except for one problem: Someone's trying to kill her. Shujaa is a Changed One, a Creation Caster mage whose mutated form makes him invincible in battle. Now that the Tsar and Vicomte are gone, Shujaa wants to rise and rule. To do so, he must eliminate all those powerful enough to oppose him, and Elea is top on his list. Anyone who offers her aid quickly ends up dead. In the end, there's only one person who can keep Elea safe while helping her defeat Shujaa: Rowan. Like it or not, Elea must team up with her old love. With Philippe along for the ride, Elea plans to team with Rowan without losing her heart this time. But that's when all her plans fall apart. My favorite part of this series is the attraction between Rowan and Elea. They have a forbidden romance that I'm addicted to.
