*Days of Wine and Roses* J. P. Wheler, 1953     *VISIONS FROM PARADISE* R. MICHAEL, 2011-06-07 R Michael is always seeking the joys of beauty in all of life loving working living and learning in NYC He has also sought it through the eyes of others This is his eighth work     **Billboard** ,1964-04-18 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends     **Skylark** Philip Furia, 2004-12-09 Skylark is the story of the tormented but glorious life and career of Johnny Mercer and the first biography of this enormously popular and influential lyricist Raised in Savannah Mercer brought a quintessentially southern style to both his life in New York and to his lyrics which often evoked the landscapes and mood of his youth Moon River In the Cool Cool Cool of the Evening Mercer also absorbed the music of southern blacks the lullabies his nurse sang to him as a baby and the spirituals that poured out of Savannah s churches and that cool smooth lyrical style informed some of his greatest songs such as That Old Black Magic Part of a golden guild whose members included Cole Porter and Irving Berlin Mercer took Hollywood by storm in the midst of

the Great Depression Putting words to some of the most famous tunes of the time he wrote one hit after another from You Must Have Been a Beautiful Baby to Jeepers Creepers and Hooray for Hollywood But it was also in Hollywood that Mercer s dark underside emerged Sober he was a kind generous and at times even noble southern gentleman when he drank Mercer tore into friends and strangers alike with vicious abuse Mercer s wife Ginger whom he d bested Bing Crosby to win suffered the cruelest attacks Mercer would even improvise cutting lyrics about her at parties During World War II Mercer served as Americas s troubadour turning out such uplifting songs as My Shining Hour and Ac cent tchu ate the Positive He also helped create Capitol Records the first major West Coast recording company where he discovered many talented singers including Peggy Lee and Nat King Cole During this period he also began an intense affair with Judy Garland which rekindled time and again for the rest of their lives Although they never found happiness together Garland became Mercer s muse and inspired some of his most sensuous and heartbreaking lyrics Blues in the Night One for My Baby and Come Rain or Come Shine Mercer amassed a catalog of over a thousand songs and during some years had a song in the Top Ten every week of the year the songwriting equivalent of Joe DiMaggio s hitting streak but was plagued by a sense of failure and bitterness over the big Broadway hit that seemed forever out of reach Based on scores of interviews with friends family and colleagues and drawing extensively on Johnny Mercer s letters papers and his unpublished autobiography Skylark is an important book about one of the great and dramatic characters in 20th century popular music Merle Haggard Merle Haggard,2002 Merle Haggard is known as the poet of the common man His songs are some of the most important and influential in the history of country music on par with the likes of those by Jimmie Rodgers and Hank Williams Through a life as tumultuous as his music scarred by struggles with inner demons incarceration and addiction all of which he has brutally and directly confronted through his lyrics Haggard has emerged with an American songbook that captures the rough side of life with an unblinking eye gazing on the workings of the human heart This collection comes on the heels of his acclaimed album If I Could Only Fly his first new studio album in four years which finds the former wildman coping with aging taking on familial responsibilities and learning to appreciate the wonders of home life versus the pitfalls of the highway Haggard s lyrics demonstrate why this acclaimed member of the Country Music Hall of Fame is a legend who will live forever *FROM MINNOWS TO MEN* Luella Thomas & Ricky Hill,2014-08-15 From Minnows to Men is about improving our relationships with our children as we prepare them for the future It can easily be read and clearly understood as author Luella Thomas and coauthor Ricky Hill intentionally did not use cleaver dialog or mastering wit They chose to keep the book simple and to the point While Hill delivers a spiritual concept in many of the chapters Thomas breaks it down into simple terms Their voices cry loud with sincere passion and dedication as their information has proven to be far less than a simple read or an easy fix The following are just a few topics of discussion The Blame Game clearly hones in on blaming others for our inconsistencies and failures and those of your children as well The Name Game may be a bit much to absorb if you re looking for comfort It addresses how we as parents

tend to use unfriendly names and gestures especially when our irrational thoughts spiral out of control Giving Up Moral Conscience for Profit is a read for those who are guilty However if the shoe fits wear it hell and destruction may be far worse than a funky old perfectly fitting shoe The African American Woman is a read that may require a glass of red wine Warning Please fasten your seat belts and keep an open mind as it is intended to take you for the ride of your life Practicing or Pretending may very well be a great read for all people as it addresses the issues of hypocrisy Need we say more What Does the Future Hold addresses the preparation of our children s future and the importance of coming together for the greater cause which is to save our children We hope you enjoy this book      *Psychiatry and the Cinema* Glen O. Gabbard, Krin Gabbard, 1999 Psychiatry and the Cinema explores this complementary relationship from two angles psychiatrists who have studied the movies and movies that have depicted psychiatry This second edition has updated this definitive text with a discussion of new trends in psychoanalytically oriented film theory and an expanded list of movies is analyzed      *Collected Plays* Wole Soyinka, 1973 The Lion and the Jewel alone is enough to establish Nigeria as the most fertile new source of English speaking drama since Synge s discovery of the Western Isles The Times The ironic development and consequences of progress may be traced through both the themes and the tone of the works included in this second volume of Wole Soyinka s plays The Lion and the Jewel shows an ineffectual assault on past tradition soundly defeated In Kongi s Harvest however the pretensions of Kongi s regime are also fatal The denouement points the way forward The two Brother Jero plays pursue that way the comic propheteering of the earlier play giving way to the sardonic reality of Jero s Metamorphosis Madmen and Specialists Soyinka s most pessimistic play concerns the physical mental and moral destruction of modern civil war
