Of Bards And Dragons:

Of Bards and Dragons Granvil Pennington,2004-11 From the hilltop a dense white cloud of fog seemed to spring from the rocks and rush over the fleeing orcs So dense was the vapor the monsters crashed into one another unable to see Then an eerie singing came toward them from the hilltop Suddenly the small bushes and trees near them seemed to clutch at the orcs Some were strangled by strangely supple tree branches and others were entangled by bushes that grew and engulfed them Then a single tall man clad in forest green flew among them hacking and slashing with a green glowing sword The ghostly apparition of the singer appeared from the mist and strolled down the hillside toward them Thoroughly terrified many of the orcs dropped their weapons and fell to the ground pleading for mercy in their barking hoarse language Others tried doggedly to reach the flashing green clad man but the tree branches and bushes dragged them down A story of high adventure and flashing swordplay set against the background of magic and mystery of the Dragons The continuing exploits of Hawkwind the Bard and his companions

The Dragon Bard Heather Shropshire,2014-04 The Dragon Bard is the first in a two book series about a young bard named Dalen In the beginning Dalen is the typical young man looking to become a master bard to

gain fame and fortune He inherits a set of dragon treaties from his former master and decides to achieve his goals by telling the histories of the dragons from their point of view At first the quest seems to be fairly straightforward although he quickly finds that nearly all of his preconceived ideas about dragons are wrong Looking at things from the point of view of an ancient intelligent race causes Dalen to reassess his goals and values As his quest progresses he learns that the treaties are much more than they seem Guided by forces far beyond his control he becomes enmeshed in a centuries old conflict between the forces of good and an ancient spreading evil and learns that the things he had thought were important pale alongside the truly important values of honor humility faith courage and self sacrifice *A Bard For The Dragon* Carmine
