rainbow of flavors but with packaging and television advertising that infused Faygo with nostalgia Mix in a quality product award winning classics and some flops that they insisted on calling pop despite the industry's plea for a more grown up name Stir in a splash of loyalty to its locally hired employees many of whom would stay with Faygo for decades These are the values on which Faygo has hung its hat for generations making it an integral part of communities across the country The Faygo Book is the story of a pop a people and a place These stories and facts will tickle the taste buds and memories of Detroiters and Faygo lovers everywhere
