# Of Outlaws Con Men Whores And Politicians

**Randolph B. Campbell**

## **Of Outlaws Con Men Whores And Politicians:**

**Of Outlaws, Con Men, Whores, Politicians, and Other Artists** Larry L. King, 1980 King blends the personal the political and the picaresque

**Of Outlaws, Con Men, Whores, Politicians, and Other Artists** Larry L. King, 1981-01 Satirical essays covering the personal the political and the picaresque include a discussion on why only rednecks can call rednecks rednecks and a description of the Great Willie Nelson Outdoor Brain Fry

**Texas Literary Outlaws** Steven L. Davis, 2017-08-15 At the height of the sixties a group of Texas writers stood apart from Texas conservative establishment Calling themselves the Mad Dogs these six writers Bud Shrake Larry L King Billy Lee Brammer Gary Cartwright Dan Jenkins and Peter Gent closely observed the effects of the Vietnam War the Kennedy assassination the rapid population shift from rural to urban environments Lyndon Johnson s rise to national prominence the Civil Rights Movement Tom Landry and the Dallas Cowboys Willie Nelson Jerry Jeff Walker the new Outlaw music scene the birth of a Texas film industry Texas Monthly magazine the flowering of Texas Chic and Ann Richards election as governor In Texas Literary Outlaws Steven L Davis makes extensive use of untapped literary archives to weave a fascinating portrait of writers who came of age during a period of rapid social change With Davis s eye for vibrant detail and a broad historical perspective Texas Literary Outlaws moves easily between H L Hunt s Dallas mansion and the West Texas oil patch from the New York literary salon of Elaine s to the Armadillo World Headquarters in Austin from Dennis Hopper on a film set in Mexico to Jerry Jeff Walker crashing a party at Princeton University The Mad Dogs were less interested in Texas mythic past than in the world they knew firsthand a place of fast growing cities and hard edged political battles The Mad Dogs crashed headfirst into the sixties and their legendary excesses have often overshadowed their literary production Davis never shies away from criticism in this no holds barred account yet he also shows how the Mad Dogs rambunctious personae have deflected a true understanding of their deeper aims Despite their popular image the Mad Dogs were deadly serious as they turned their gaze on their home state and they chronicled Texas culture with daring wit and sophistication

**Mr. Bojangles, Dance** Ryan B. Case, 2024-04-15 Three men s lives told through the story of one song Jerry Jeff Walker the singer and writer behind the classic hit Mr Bojangles never would have expected that his song inspired by an experience in a New Orleans jail cell would make Richard Nixon cry or that it would be covered by Sammy Davis Jr the entertainment giant and controversially a supporter of Nixon This work told through the perspective of writer performer and listener traces these three men s overlapping journeys through the American consciousness Chapters discuss the history of Walker s song Davis s rise from rags to riches Nixon s journey from grocer s son to president and more

**Southern Writers** Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of Southern Writers assumes its distinguished predecessor s place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition s written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch

and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South s novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary s original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners Southern Writers is an indispensable reference book for anyone intrigued by the subject     Learned Ignorance in the Medicine Bow Mountains Craig Clifford,2008-01-01 This book is an apologia for the rooted intellectual against the disdainful condescension of the cosmopolitan intellectual an apology in the Socratic sense of the word It reflects the author s Texas rootedness unapologetically and offers a polemical but thoughtful indictment of the intellectual prejudice against rootedness but it is ultimately about the universal human struggle with origins     **The Book Lover's Guide to Florida** Kevin M. McCarthy,1992 Here is the book lover s literary tour of Florida an exhaustive survey of writers books and literary sites in every part of the state The state is divided into ten areas and each one is described from a literary point of view You will learn what authors lived in or wrote about a place which books describe the place what important movies were made there even the literary trivia which the true Florida book lover will want to know You can use the book as a travel guide to a new way to see the state as an armchair guide to a better understanding of our literary heritage or as a guide to what to read next time you head to a bookstore or library Publisher     **This Corner of Canaan** Randolph B. Campbell,2013 Randolph B Mike Campbell has spent the better part of the last five decades helping Texans rediscover their history producing a stream of definitive works on the social political and economic structures of the Texas past Through meticulous research and terrific prose Campbell s collective work has fundamentally remade how historians understand Texan identity and the state s southern heritage as well as our understanding of such contentious issues as slavery westward expansion and Reconstruction Campbell s pioneering work in local and county records has defined the model for grassroots research and community studies in the field More than any other scholar Campbell has shaped our modern understanding of Texas In this collection of seventeen original essays Campbell s colleagues friends and students offer a capacious examination of Texas s history ranging from the Spanish era through the 1960s War on Poverty to honor Campbell s deep influence on the field Focusing on themes and methods that Campbell pioneered the essays debate Texas identity the creation of nineteenth century Texas the legacies of the Civil War and Reconstruction and the remaking of the Lone Star State during the twentieth century Featuring some of the most well known names in the field as well as rising stars the volume offers the latest scholarship on major issues

in Texas history and the enduring influence of the most eminent Texas historian of the last half century **Larry McMurtry and the West** Mark Busby, 1995 This is the first major single authored book in almost twenty years to examine the life and work of Texas foremost novelist and to develop coherent patterns of theme structure symbol imagery and influence in Larry McMurtry's work The study focuses on the novelist's relationship to the Southwest theorizing that his writing exhibits a deep ambivalence toward his home territory The course of his career demonstrates shifting attitudes that have led him toward away from and then back again to his home place and the cowboy god that dominates its mythology The book utilizes original materials from five library special collections as well as interviews with McMurtry his family and his friends such as Ken Kesey **Beyond Texas Through Time** Walter L. Buenger, Arnoldo De León, 2011-01-27 In 1991 Walter L Buenger and the late Robert A Calvert compiled a pioneering work in Texas historiography Texas Through Time a seminal survey and critique of the field of Texas history from its inception through the end of the 1980s Now Buenger and Arnoldo De León have assembled an important new collection that assesses the current state of Texas historiography building on the many changes in understanding and interpretation that have developed in the nearly twenty years since the publication of the original volume This new work Beyond Texas Through Time departs from the earlier volume's emphasis on the dichotomy between traditionalism and revisionism as they applied to various eras Instead the studies in this book consider the topical and thematic understandings of Texas historiography embraced by a new generation of Texas historians as they reflect analytically on the work of the past two decades The resulting approaches thus offer the potential of informing the study of themes and topics other than those specifically introduced in this volume extending its usefulness well beyond a review of the literature In addition the volume editors introduction proposes the application of cultural constructionism as an important third perspective on the thematic and topical analyses provided by the other contributors Beyond Texas Through Time offers both a vantage point and a benchmark serving as an important reference for scholars and advanced students of history and historiography even beyond the borders of Texas **Larry L. King** Larry L. King, 1999 Larry L King's life story

**Backyard Brawl** W.K. Stratton, 2007-12-18 It happens once a year creating a seismic divide throughout the country It pits brother against brother It breaks up business deals It ruins relationships And once it's finished all both sides want is for another year to pass by so they can do it again It is the Texas Texas A M football game And in the football obsessed state that is Texas no single game resonates more Every year during the Thanksgiving holidays the two teams meet for something that has become much more than just a game It's a blood feud that represents a tremendous cultural divide in the state It's city against country a rural agricultural school against an urban university And yet both sides come from the same family warring cousins who roll up their sleeves once a year in the backyard to settle the question of who's number one at least for the time being In Backyard Brawl W K Stratton takes you through this rivalry and its history covering the years when the game was postponed because the fans were just too violent the branding of UT's beloved steer Bevo by a renegade Aggie the

kidnapping of A M s beloved Reveille by boisterous UT students the theft of UT s cannon Old Smokey and its unceremonious dumping into the murky waters of Austin s Town Lake and the fistfights that broke out when celebrating UT fans rushed A M s nearly sacred Kyle Field after Texas won the last ever Southwest Conference title on the Aggies home turf Stratton also relates the more serious side of the rivalry particularly the way both schools came together after tradition turned to tragedy in 1999 when the A M bonfire collapse killed twelve students And in a touching epilogue he captures the angst that hit the College Station campus when officials decided to cancel the return of the bonfire in 2002 Stratton drew a bead on the 2001 season and followed both teams through their schedules leading up to the big clash in College Station Taking you inside a renowned Aggie Yell practice and introducing you to fervid yet often zany orange blooded Texas fans through their elaborate tailgating rituals he creates revealing portraits of the two teams including head coaches R C Slocum and Mack Brown both of whom are legends in their own time destined for the Hall of Fame Backyard Brawl is a fascinating examination of the greatest war in college football destined to become a classic for students of the game     **Tribes on the Hill** Jack Weatherford,1985-03-30 A revealing witty and altogether fascinating story of the tribal customs and rituals that help shape our nation s laws The Washingtonian Sharp funny and ultimately disquieting The Washington Book Review     **The Jimmy Buffett Scrapbook** Mark Humphrey,2000-09-01 This delightful colorful volume traces the hugely popular singer s life and career analyzing the Buffett phenomenon from the early days to the present Illustrations throughout     Myth, Media, and the Southern Mind Stephen A. Smith,1985     Warning, Writer at Work Larry L. King,1985     *The Future of Southern Letters* Jefferson Humphries,John W. Lowe,John Lowe,1996 The New South replete with shopping malls hub airports educated African Americans and immigrants from Vietnam Cambodia and Haiti is still haunted by the Gothic ghosts of its past Does the collision between past and present account for the continued preeminence of Southern writers in America s literary culture Bobbie Ann Mason Ernest Gaines Rita Mae Brown Robert Olen Butler Cormac McCarthy Dorothy Allison and Allan Gurganus are just a few of the writers who draw on a new kind of Southern background while reaching out to a broad American readership Yet many of these writers have been accused of catering to the stereotypes they think a national audience requires It would seem that questions of Southern identity continue to be bound up with rage against attacks on Southern culture Jefferson Humphries and John Lowe have assembled a remarkable team of scholars and writers to examine aspects of the contemporary literature of the South From Pulitzer Prize winning writer Fred Hobson to esteemed scholar James Olney to poets Kate Daniels and Brenda Marie Osbey the contributors try to define Southern culture today and ask who will be writing Southern literature tomorrow Addressing topics such as humor the past black autobiography ethnicity and female oral traditions the essays form a volume that is of interest to readers of Southern literature and history creative writers and scholars and students of Southern culture     **Progressive Country** Jason Mellard,2013-10-01 Published in Cooperation with the William P Clements Center for Southwest Studies Southern Methodist University     **Leaving the Gay**

**Place** Tracy Daugherty, 2018-10-17 By turns a strong clear biography with shades of rock n roll memoir a poetic ode to various places and people in midcentury Texas and an oral history Texas Observer Acclaimed by critics as a second F Scott Fitzgerald Billy Lee Brammer was once one of the most engaging young novelists in America When he published his first and only novel The Gay Place in 1961 literary luminaries such as David Halberstam Willie Morris and Gore Vidal hailed his debut Halberstam called it a classic A stunning original intensely human novel inspired by Lyndon Johnson It will be read a hundred years from now More recently James Fallows Gary Fisketjon and Christopher Lehmann have affirmed The Gay Place s continuing relevance with Lehmann asserting that it is the one truly great modern American political novel Leaving the Gay Place tells a sweeping story of American popular culture and politics through the life and work of a writer who tragically exemplifies the highs and lows of the country at mid century Tracy Daugherty follows Brammer from the halls of power in Washington DC where he worked for Senate majority leader Johnson to rock and roll venues where he tripped out with Janis Joplin and ultimately to back alleys of self indulgence and self destruction Constantly driven to experiment with new ways of being and creating often fueled by psychedelics Brammer became a cult figure for an America on the cusp of monumental change as the counterculture percolated through the Eisenhower years and burst out in the sixties In Daugherty s masterful recounting Brammer s story is a quintessential American story and Billy Lee is our wayward American son

**In the Shadow of FDR** William Edward Leuchtenburg, 2001 A ghost has inhabited the Oval Office since 1945 the ghost of Franklin Delano Roosevelt FDR s formidable presence has cast a large shadow on the occupants of that office in the years since his death and an appreciation of his continuing influence remains essential to understanding the contemporary presidency This new edition of In the Shadow of FDR has been updated to examine Bill Clinton s presidency including possible parallels between Hillary Clinton and Eleanor Roosevelt Concluding with an analysis of the 2000 presidential campaign William E Leuchtenburg assesses the influence FDR s legacy is likely to continue to have in the new century
