Torment through Physical Ambush R. C. Jette,2019-05-10 God s soldiers are under attack by Satan through sickness and disease Many sit like Job with the mentality that God has forsaken them Due to a lack of knowledge of what is included in the Atonement some believe that their sickness and disease is the will of God Why is there so little difficulty believing that we have freedom from sin s power in the Atonement and so much controversy believing that it includes freedom from the power of sickness and disease God has impressed my heart that his soldiers are settling for less than what he has promised in his word Many are deficient in a knowledge of Scripture Others have been taught wrong doctrine and are ignorant of God s promises which belong to his children This book is meant to give the understanding that it is God s will for us to recognize what the devil is doing and overcome his lies by faith The Holy Spirit has been trying to set the captive free from sickness and disease but wrong doctrine misunderstanding of Scripture and medical science have God s soldiers tormented by Satan s lies This book addresses the devil s lies and is meant to once and for all set the captive free *Dæmonologia Sacra; Or, A*

Treatise of Satan's Temptations Richard Gilpin,2023-08-11 *Daemonologia Sacra* Richard Gilpin,1867 *The Whole Works of John Bunyan, Accurately Reprinted from the Author's Own Editions. Андреев,Herman Bernstein,1920 *The Satanic Epic* Neil Forsyth,2003 The Satan of Paradise Lost has fascinated generations of readers This book attempts to explain how and why Milton s Satan is so seductive It reasserts the importance of Satan against those who would minimize the poem s sympathy for the devil and thereby make Milton orthodox Neil

Forsyth argues that William Blake got it right when he called Milton a true poet because he was of the Devils party even though he set out to justify the ways of God to men In seeking to learn why Satan is so alluring Forsyth ranges over diverse topics from the origins of evil and the relevance of witchcraft to the status of the poetic narrator the epic tradition the nature of love between the sexes and seventeenth century astronomy He considers each of these as Milton introduces them as Satanic subjects Satan emerges as the main challenge to Christian belief It is Satan who questions and wonders and denounces He is the great doubter who gives voice to many of the arguments that Christianity has provoked from within and without And by rooting his Satanic reading of Paradise Lost in Biblical and other sources Forsyth retrieves not only an attractive and heroic Satan but a Milton whose heretical energies are embodied in a Satanic character with a life of his own
