

The background image is a landscape photograph of a beach at dusk or dawn. The sky is filled with dark, heavy clouds, with a horizontal band of orange and yellow light from the setting or rising sun. The ocean is visible in the middle ground, with white foam from breaking waves. The foreground is a dark, rocky shoreline with many small, dark stones.

Silence and solitude are  
confrontational. They plunge  
us instantly into the truth.

A narrative relating the progress of the project from inception to completion is included. *THE SUNDAY AT HOME*, 1879 **Knowing God in Light** LIT

Verlag, 2024-07-01 The fall of Communism in Eastern Europe opened up a new future for theology too not least in Romania perhaps of all Orthodox nations the most open to the West. Young Romanian Orthodox theologians seized the opportunity to study and research in the West availing themselves of mentors and resources hitherto denied them. Some have settled in the West others returned home. This welcome volume displays a theological revival as young Romanian theologians draw on tradition and address new problems. We can discern here a welcome confidence in the Orthodox tradition no longer on the defensive nor concerned to mark itself off from the theology of the West. It is a generous Orthodoxy a term that has been used of the theological approach of the late Metropolitan Kallistos ready to share its treasures with other Christians and eager to learn from them and engage with them. **Rest** Siang-Yang Tan, 2003 Come to Me all you who labor and are heavy laden
