The Woman on the Bridge Over the Chicago River Allen R. Grossman, 1979 The Woman
on the Bridge over the Chicago River is Allen Grossman's first collection with New Directions His voice is astonishingly
contemporary his often dissociated imagery bordering on the surreal yet one hears in his verse classical and Biblical echoes
and on occasion darker medieval undertones The brilliance of his imagination works against a measured eloquence setting
up a fine edged tension not unlike the prophetic verse of William Blake the wild dithyrambs of David or the more controlled
metrics of Catullus and Villon [Carry Me](#) Frieda Hoffman, 2025-07-30 After Frieda Hoffman's second miscarriage she felt
alone ignorant and overwhelmed with emotions Finding little literature or support available her entrepreneurial spirit kicked
in and she decided to create the resource she wished she'd had real stories about pregnancy loss from real women without
the off putting lens of religion or academia so typical of the self help genre Through Hoffman's own journey and those of
nineteen women she interviewed Carry Me explores universal themes of grief bearing witness transforming adversity into
opportunity and the paradox of feeling alone while sharing a common experience The diverse women and narratives unpack
the physical emotional and financial challenges of loss notions of womanhood and motherhood and the intersections of public
health body politics and patient care Readers are called to action to share their own stories in order to heal themselves and
support others Nearly everyone knows someone affected by pregnancy loss yet most of us are not comfortable even in the
relative safety of the company of friends and sisters discussing this serious health issue It's time to normalize the dialogue
and help one another through our losses by sharing our resources our wisdom and our stories by carrying one another
