Their stories give the reader a vivid sense of what it means to be a reporter and to cover big news events But this book goes beyond media memoir The book also explores the factors that led talented people to re assess the profession they loved and raises profound questions about the economic structure of news organizations and the culture of newsrooms and their impact on the practice of journalism By demonstrating that there is life after journalism and that the skills the profession teaches remain valuable in other careers this book also offers hope and direction to both aspiring and current journalists contemplating the future Almeida, 2021-10-24 After the War of 2127 only two factions remain on earth The surface dwellers include remnants and children of everyday people who survived the nuclear war These people are forced to eke out a living on a decimated planet The Project dwellers are survivors as well but they live in a protected facility mostly underground Their ranks include scientists artists government officials and other highly educated and influential people carefully screened for inclusion They moved into an underground shelter built to withstand a nuclear war they knew what was coming and didn t want to face it Seventy seven years later Jason an astronaut has finally returned to earth after a long space journey He s horrified by the state of the earth and the plight of the nomad survivors He makes it his mission to bring the two groups together Ravens a religious fiction novel was borne out of a belief that only God can destroy the earth while many believe people will destroy it by their wasteful and selfish actions It presents a subtle influence of God's principles in the lives of the characters suggesting that he continues to work through people on the earth despite the conditions they find themselves in HSA Heritage Auctions Space Exploration Auction Catalog #6033 Marsha Dixey, 2009-09 The Summer of '62 Dennis Brudnak, 2024-07-25 Mixing fact with fiction this novel is the story of four 18 year old boys who are looking for some adventure in their lives while they are still young and in near perfect physical condition.
