

Open Office Etiquette

BE BETTER in our community. Our new shared work spaces promote a more agile, innovative, secure and productive work dynamic, demanding special attention to the impact that our actions generate in the environment that surrounds us.

BETTER IS ENABLED BY TRUST AND RESPECT

Be mindful and respectful of the level of your voice so that you do not distract others.

To make sure you're not interrupting something, please ask colleagues if they are busy before breaking into conversation.

Utilize huddle rooms and focus rooms to collaborate with others and have private or sensitive conversations.

BETTER REQUIRES PROCESS DISCIPLINE AND SIMPLIFICATION

Be conscious of the boundaries you share with others. Keep your personal and work items contained in your workspace.

If you are not using a meeting room, please cancel the reservation as soon as possible.

Clean up meeting rooms and collaborative work areas to prepare them for the next group.

BETTER COMES FROM EVERYWHERE

Be collaborative and use social eating spaces on the floor, rather than eating at your desk.

Be sure not to occupy unreserved rooms for long periods of time or leave items unattended.

To maintain the security of customer and employee information, go digital.

BETTER STARTS AND ENDS WITH THE CUSTOMER

Be sure all sensitive/confidential information in hard copy or electronic form is secure.

Remove any sensitive or restricted information from your desk. Keep your space clean of clutter.

Passwords should not be left on sticky notes or anywhere visible on your desk or PCs.

RELENTLESS PURSUIT OF BETTER

The space belongs to everyone, take care of it as if it were your own.

Pick up at the end of the day: Kitchen, Quiet room, Wellness room, and Mother's room.

Use the designated trash and recycle centers.

Traxler,2016-03-14 Sonja L Traxler is a corporate professional with over 17 years of experience in marketing and finance Her debut Office Etiquette The Unspoken Rules in the Workplace is a combination of common policies sound advice and humorous real life anecdotes from the working world Office Etiquette is a quick fun read that gets to the point The author s goal is to see that new graduates young associates and seasoned professionals are armed with the tools they need for success in the workplace This is her first book in a series of career guides How to Become an Effective Employee - Time-Tested Global Office Etiquette Tips Dueep Jyot Singh,John Davidson,2018-03-26 Table of Contents Introduction Tips for a Newbie Check That Attitude That Daily Greeting First Names or Formal Mr Mrs or Ms Lunchtime Gatherings Getting to Know You Job Loyalty Super Snooper Assimilating Habits Taking Instructions Continuous Practice Responsibility Official Rules and Regulations Attendance Good Manners Subconscious and Conscious Assessment Personal Calls Discussing the Question of Salary Beware Of Such Employers Just a Little Note of Thanks Conclusion Author Bio Publisher Introduction One is going to wonder why a book needed to be written on business etiquette especially if you are already working and you know the rules and regulations which are followed by every employee in your particular organization But this is a reminder that there are some tips and techniques of business etiquette which we overlook because possibly we did not know about them and also possibly because a newer management did not think of implementing these particular business etiquette tips in our working environment taking into view the 21st century business atmosphere These business etiquette tips are as effective today as

they were when they were implemented in factories offices and other work stations more than 80 years ago and not only are they practical but they also have plenty of good common sense and horse sense used in their making So it does not matter whether you are an employer or an employee This book is useful for everyone who has taken up a job sometime or somewhere during his lifetime and wondered about proper etiquette which nowadays may come under the very un flexible heading of rules which have to be followed By All the Employees Strictly A happy enterprise is one where flexibility of rules except in matters of discipline and the professional working of the employees on a daily day to day basis is relax somewhat according to circumstances situations or taking into view a particular scenario at a particular moment in the day to day working of a normal working day at the office You are going to say that many of these etiquette ideas are outdated especially when you are not following them in your own particular business environment or possibly country for the past couple of generations But taking all these points in a global context you need to understand that there are plenty of places all over the world where office codes of behavior and etiquette are still followed in a manner which you would deem old fashioned and old school Naturally some tips are based on manners which come under the heading of social etiquette Others have been modified in keeping with the business environment of today globally Also you may say why I have added a large number of my own experiences most of them rather funny but then this is going to introduce you to another working culture far different from the one in your own city town or country So you may enjoy the experiences and feel amused at them Also all of them are hundred percent true so these things can happen and often do happen especially in the life and interesting times of yours truly
