Office Hanky Panky Joel Rothman, 1988 Sex and the Office Julie Berebitsky, 2012-04-17 In this engaging book the first to historicize our understanding of sexual harassment in the workplace Julie Berebitsky explores how Americans attitudes toward sexuality and gender in the office have changed since the 1860s when women first took jobs as clerks in the U S Treasury office Berebitsky recounts the actual experiences of female and male office workers draws on archival sources ranging from the records of investigators looking for waste in government offices during World War II to the personal papers of Cosmopolitan editor Helen Gurley Brown and Ms magazine founder Gloria Steinem and explores how popular sources including cartoons advertisements advice guides and a wide array of fictional accounts have represented wanted and unwelcome romantic and sexual advances This range of evidence and the study s long scope expose both notable transformations and startling continuities in the interplay of gender power and desire at work **Illegal Contact** Emily Silver, 2025-02-21 Cocky football star Knox Fisher has been driving me crazy for years I m one of the few female coaches in the league I shouldn t want someone who has the power to jeopardize my entire career especially someone seven years my junior But I can t stay away We keep the sizzling chemistry between the two of us A glance here A touch there I live for the stolen moments with him I know he wants more but more is dangerous If anyone saw us together I could lose my job and be blackballed from the league There s no way this relationship can end with anything but a broken heart yet I can t resist him I might be his coach but this player is about to teach me a thing or two about love **It's Been You** Rina Gray, 2021-06-14 Marketing manager Tiana Holliday just landed her dream job at an award winning agency in New York City There s just one problem cocky playboy Nathaniel Lawson her old grad school nemesis is her new officemate As the firm s rising star Nathan never had to compete for prime clients until all work and no play Tiana struts into his workspace When an opportunity arises to manage a lucrative sports car account and win a big promotion he challenges her to a wager Loser does the winner s bidding for one month But their friendly competition suddenly threatens to erupt into an all out battle of desire As they straddle the line between love and war they just might discover that challenging each other outside the boardroom is even more satisfying than advertised *The Sex Tax* Wendell Dunn, 1979-08 Pity the poor politicians With all the talk about Proposition 13 and budget balancing amendments they hardly know where to turn to squeeze their fellow citizens for new taxes And if they can t get new tax money to dole out to the special interest groups how will they carry out their crusades How will they promote the national welfare More important how will they get reelected That s where Representative John Smith comes in in W E Dunn s hilarious and to the point political fantasy John Smith is a young state legislator who comes up with a revolutionary idea a tax on sex This Sex Tax will be the kind of levy that people will love to pay and best of all the Internal Revenue Service so called won t be able to stick its finger in the pie The Sex Tax idea takes the nation by storm Its path is smoothed greatly by the skilled hands of Madam Regina a local businesswoman who has had many close contacts with

the big boys in the statehouse She puts it into the proper channel and Mr Smith goes to Washington to present his plan to the nation s representatives Soon the President and Congress are falling all over each other trying to get in on the Sex Tax act The President likes it because it will stop people from living in sin The Congress doesn t care so much about stopping the sin but they know votes when they see them and they can tell that every department of government wants a piece of the action The Pentagon wonders about morale in the military The Department of Health Education and Welfare calls for an investigation of the health risks The Commerce Department reassures businessmen that their relationships with their secretaries won t be affected by taxing sex Of course in this modern world of special interests the Sex Tax has to penetrate a thick wall of resistance on its first time out Environmentalists oppose it and protesters mount a demonstration in front of the White House in support of free love And the IRS wants the country to deduct the whole thing from its mind But as W E Dunn wittily proves in this provocative satire nothing can stop the Sex Tax It is truly an idea whose time is coming Independent Offices and Department of Housing and Urban Development Appropriations, Hearings Before ... 90-2 United States.
