

OFFICIAL HISTORY  
OF THE  
**CANADIAN FORCES**  
IN THE  
**GREAT WAR 1914-19**

GENERAL SERIES, VOL. I. AUG. 1914 - SEPT. 1915

BY  
COLONEL A. FORTESCUE DUGUID

MAPS DRAWN BY  
CAPTAIN J. I. P. NEAL

**T**HIS Volume deals with the Outbreak of War 4th Aug. 1914—the Raising of the First Contingent—the Crossing to England—the Battle on Salisbury Plain—the 1st Canadian Division in the British Battle-Line in the Gas Attack at Ypres—at Festubert and Ghenvy—also with other Canadian Forces raised and sent Overseas prior to the Formation of the Canadian Corps 15th Sept. 1915.

BY AUTHORITY OF THE MINISTER OF NATIONAL DEFENCE

# Official History Of The Great War 1914 Volume I The

**John Griffith Armstrong**

## **Official History Of The Great War 1914 Volume I The:**

*The Encyclopædia Britannica* Hugh Chisholm, James Louis Garvin, 1926      **Indian Soldiers in the First World War** Ashutosh Kumar, Claude Markovits, 2020-12-23 This book explores the lives and social histories of Indian soldiers who fought in the First World War. It focuses on their motivations, experiences, and lives after returning from service in Europe, Mesopotamia, East Africa, and Palestine to present a more complete picture of Indian participation in the war. The book looks at the Indian support to the war for political concessions from the British government and its repercussions through the perspective of the role played by more than one million Indian soldiers and labourers. It examines the social and cultural aspects of the experience of fighting on foreign soil in a deadly battle and their contributions which remain largely unrecognised. From micro histories of fighting soldiers, aspects of recruitment and deployment to macro histories connecting different aspects of the War, the volume explores a variety of themes including the material incentives, coercion, and training which converted peasants into combatants, encounters of travelling Indian soldiers with other societies, and the contributions of returned soldiers in Indian society. The book will be useful to researchers and students of history, post colonial studies, sociology, literature, and cultural studies, as well as for those interested in military history, World War I, and colonial history.

**the cambridge history of the british empire** Henry Dodwell, 1929      **Zero Hour** Leon Davidson, 2010-03-01 The First World War was only meant to last six months. When the Australians and New Zealanders arrived at the Western Front in 1916, the fighting had been going for a year and a half, and there was no end in sight. The men took their place in a line of trenches that spread through Belgium and France from the North Sea to the Swiss Alps. Beyond the trenches was no man's land, an eerie wasteland where rats lived in the ribs of the dead, and the wounded cried for help. Beyond that was the German Army. The Anzacs had sailed for France to fight a war the whole world was talking about. Few who came home ever spoke about it again. *Zero Hour* is the third book by Leon Davidson, author of the best-selling and multi-award-winning *Scarecrow Army: the Anzacs at Gallipoli* and *Red Haze: Australians, New Zealanders in Vietnam*.      *Canada and the British World* Phillip Buckner, R. Douglas Francis, 2011-11-01 In the decades following the Second World War, a revolutionary change took place in the Canadian national identity. The English Canadian majority entered this period identifying themselves as British and emerged from it with a new independent sense of themselves as purely Canadian. Assured of their unique place in the world, Canadians can now reflect on the legacies and lessons of their British colonial past. *Canada and the British World* surveys Canada's national history through a British lens. In a series of essays focusing on the social, cultural, and intellectual aspects of Canadian identity over more than a century, the complex and evolving relationship between Canada and the larger British World is revealed. Examining the transition from the strong belief of nineteenth-century Canadians in the British character of their country to the realities of modern multicultural Canada, this book eschews nostalgia in its endeavour to understand the dynamic and complicated society in which Canadians did and do live. *Candid and Ambitious: Canada and the British World* is

recommended reading for historians and scholars of colonialism and nationalism as well as anyone interested in what it really means to be Canadian *Catalogue of War Publications*, 1917 **The New Zealand Official Year-book** New Zealand. Department of Statistics, 1925 **Someone Else's War** John Connor, 2019-08-22 World War I was the first truly global conflict and its effects were felt across the British Empire When war broke out in 1914 Great Britain had the largest empire encompassing one quarter of the population of the world Many colonial citizens were to be enlisted into the war effort and shipped from their homes in Africa Asia and Australasia to fight on the battlefields of the Western Front What was the experience of war like for citizens of empire whether combatants or not How did the empire affect countries administered by Great Britain but geographically located tens of thousands of miles from the conflict In this book John Connor tells the story of the people whose lives were profoundly affected by someone else's war dragged against their will into a geopolitical conflict vastly removed from their normal lives *Unwanted Warriors* Nic Clarke, 2015-10-01 *Unwanted Warriors* uncovers the history of Canada's first casualties of the Great War men who tried to enlist but were deemed unfit for service by medical examiners Condemned as shirkers for not being in uniform rejected volunteers faced severe ostracism Nagging guilt coupled with self doubt about their social and physical worth led many of these men to divorce themselves from society or worse Nic Clarke draws on the service files of 3 400 rejected volunteers to examine the deleterious effects that socially constructed norms of health and fitness had on individual men and Canadian society He considers the mechanics of the military medical examination the psychical and psychological characteristics that the authorities believed made a fighting man and how evaluations changed as the war dragged on He also brings to light the experiences of those who deliberately claimed disability to avoid service a minority within the large population of rejected volunteers who felt denigrated if not emasculated by their exclusion from duty *Manpower and the Armies of the British Empire in the Two World Wars* Andrew L. Brown, Douglas E. Delaney, Mark Frost, 2021-06-15 In the first and only examination of how the British Empire and Commonwealth sustained its soldiers before during and after both world wars a cast of leading military historians explores how the empire mobilized manpower to recruit workers care for veterans and transform factory workers and farmers into riflemen Raising armies is more than counting people putting them in uniform and assigning them to formations It demands efficient measures for recruitment registration and assignment It requires processes for transforming common people into soldiers and then producing officers staffs and commanders to lead them It necessitates balancing the needs of the armed services with industry and agriculture And often overlooked but illuminated incisively here raising armies relies on medical services for mending wounded soldiers and programs and pensions to look after them when demobilized *Manpower and the Armies of the British Empire in the Two World Wars* is a transnational look at how the empire did not always get these things right But through trial error analysis and introspection it levied the large armies needed to prosecute both wars Contributors Paul R Bartrop Charles Booth Jean Bou Daniel Byers Kent Fedorowich Jonathan Fennell Meghan Fitzpatrick Richard S

Grayson Ian McGibbon Jessica Meyer Emma Newlands Kaushik Roy Roger Sarty Gary Sheffield Ian van der Waag Lloyd George and the Generals David R. Woodward,2004-11-23 The frustrating stalemate on the western front with its unprecedented casualties provoked a furious debate in London between the civil and military authorities over the best way to defeat Germany The passions aroused continued to the present day The mercurial and dynamic David Lloyd George stood at the centre of this controversy throughout the war His intervention in military questions and determination to redirect strategy put him at odds with the leading soldiers and admirals of his day Professor Woodward a student of the Great War for some four decades explores the at times Byzantine atmosphere at Whitehall by exhaustive archival research in official and private papers The focus is on Lloyd George and his adversaries such as Lord Kitchener General Sir William Robertson and Field Marshall Sir Douglas Haig The result is a fresh compelling and detailed account of the interaction between civil and military authorities in total war *The Germans in Flanders, 1915-1916* David Bilton,2012-10-24 The book covers the actions of the German Army in the Low Countries during 1915 and 1916 In its broad compass it looks at the battles with the French Belgians and British concentrating mostly on the latter Both 1915 and 1916 were very active years for the Central Powers and the Allies After a quiet start with minor fighting April 1915 saw gas attacks against Hill 60 followed by 2nd Ypres and intermittent attacks throughout the remainder of the year There was also considerable naval and air activity through the year 1916 was arguably the most dramatic year of the War not least for the Allied Somme offensive This work which follows on from the authors German Army in Flanders 1914 in the same series includes notes on the divisions that fought there and a chronological order of events as they unfolded Where relevant material from the German home front is included Each phase and aspect of the period is detailed from the German point of view using primary and secondary sources from both Germany and Britain The illustrations provide a pictorial background in both a specific and general form highlighting life in the front line as well as rear areas and show how the War affected the towns and villages of the region *Journal of the United States Artillery* ,1932 *The Battle of Neuve Chapelle: Britain's Forgotten Offensive of 1915* Paul Kendall,2016-07-31 Neuve Chapelle a lost battlefield is now opened up for the explorer to learn more about the actions that took place there In Early 1915 the British decided to take the offensive for the first time in the war against German positions in Northern France The initial objective was a bulge about one mile across in their lines at Neuve Events which took place here early in 1915 are described in detail and show why this almost forgotten battle set the course of the war **The British Empire and the First World War** Ashley Jackson,2017-06-26 The British Empire played a crucial part in the First World War supplying hundreds of thousands of soldiers and labourers as well as a range of essential resources from foodstuffs to minerals mules and munitions In turn many imperial territories were deeply affected by wartime phenomena such as inflation food shortages combat and the presence of large numbers of foreign troops This collection offers a comprehensive selection of essays illuminating the extent of the Empire s war contribution and experience and the richness of scholarly research on the subject

Whether supporting British military operations aiding the British imperial economy or experiencing significant wartime effects on the home fronts of the Empire the war had a profound impact on the colonies and their people The chapters in this volume were originally published in Australian Historical Studies The Journal of Imperial and Commonwealth History First World War Studies or The Round Table The Commonwealth Journal of International Affairs     The Halifax Explosion and the Royal Canadian Navy John Griffith Armstrong,2011-11-01 The Halifax Explosion of 1917 is a defining event in the Canadian consciousness yet it has never been the subject of a sustained analytical history Astonishingly until now no one has consulted the large federal government archives that contain first hand accounts of the disaster and the response of national authorities Canada's recently established navy was at the epicentre of the crisis Armstrong reveals the navy's compelling and little known story by carefully retracing the events preceding the disaster and the role of the military in its aftermath He catches the pulse of disaster response in official Ottawa and provides a compelling analysis of the legal manoeuvres rhetoric blunders public controversy and crisis management that ensued His disturbing conclusion is that federal officials knew of potential dangers in the harbour before the explosion took no corrective action and kept the information from the public As a result a Halifax naval officer was made a scapegoat and the navy received lasting and mostly undeserved vilification This is a provocative read not only for military and naval devotees but for anyone who wants to understand one of the events that shaped Canada in the twentieth century     **Almanac of American Military History** Spencer C. Tucker,2012-11-21 This almanac provides a comprehensive chronological overview of all American military history serving as the standard reference work of its type Almanac of American Military History is yet another reference work from acclaimed historian Dr Spencer C Tucker and ABC CLIO offering an unprecedented resource for a wide range of students and researchers A comprehensive four volume title this almanac traces all of American military history from the European voyages of discovery through 2011 chronicling the pivotal moments that have shaped the United States into the country it is today In addition to documenting key events this title presents biographies of more than 250 key individuals and provides information on more than 250 historically significant technologies and weapons systems A detailed glossary is included as are discussions of ranks and military awards and decorations Divided into conflict periods each chapter includes a detailed chronology reference entry sidebars statistical information primary source documents and a bibliography     **Artillery at Anzac** Chris Roberts,Paul Stevens,2021-04-07 A Simon Schuster eBook Simon Schuster has a great book for every reader     Bulletin of Additions to the Libraries, Classified, Annotated and Indexed... Glasgow (Scotland). Public Libraries,1925     **The Cambridge History of the British Empire** John Holland Rose,1929

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Official History Of The Great War 1914 Volume I The eBooks, including some popular titles.

### FAQs About Official History Of The Great War 1914 Volume I The Books

**What is a Official History Of The Great War 1914 Volume I The PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Official History Of The Great War 1914 Volume I The PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Official History Of The Great War 1914 Volume I The PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Official History Of The Great War 1914 Volume I The PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Official History Of The Great War 1914 Volume I The PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields

and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
