Self-Help Groups for Parents of Children with Intractable Diseases Tomofumi Oka,2003-09 The purpose of this dissertation is to examine the organisational problems and in particular the leadership problems of self help groups in Japan for parents whose children have intractable diseases Since 1993 I have been involved with these parent groups and have conducted three sorts of qualitative interview thirteen informal conversational interviews four focus group interviews and fourteen guided interviews involving the members of twenty one parent groups Part of the research was carried out as participatory action research in which a research team was formed and authorised by the parent groups My findings have shown that the groups most serious problems lay not outside their groups but within with the shortage of suitable leaders who volunteered in the activities Three different sorts of account were given concerning the leadership shortage They included justification accusation and exposure the participants claimed that taking care of ill children caused the leadership shortage selfish members created it or the determination of older leaders to remain at the helm prevented new members from becoming leaders Cognitive maps have been drawn of these situations I have explained the theories behind the free rider and social loafing problems and the leadership traps confronting the parent groups and have applied attribution theory to the results I have discussed the practicality of consultation for group leaders and argued that organisational socialisation should be activated in the parent groups while propounding the island within a lake model of parent groups Methodologically I have discussed social research within Japanese culture and the ethical issues pertain to participatory action research

Consumer Sourcebook Matthew Miskelly,2007-06-20 P IConsumer Sourcebook I provides a comprehensive digest of accessible resources and advisory information for the American consumer This new edition identifies and describes some 23 000 programs and services available to the general public at little or no cost These services are provided by federal state county and local governments and their agencies as well as by organizations and associations PConsumer affairs and customer services departments for corporations are also listed as well as related publications multimedia products general tips and recommendations for consumers The master index is arranged alphabetically by name and by subject term *The Complete Home Learning Sourcebook* Rebecca Rupp,1998 Lists all the resources needed to create a balanced curriculum for homeschooling from preschool to high school level *Breastfeeding Sourcebook* Jenni Lynn Colson,2002 Basic Consumer Health Information about the Benefits of Breastmilk Preparing to Breastfeed Breastfeeding as a Baby Grows Nutrition and More Including Information on Special Situations and Concerns Such as Mastitis Illness Medications Allergies Multiple Births
