

CRITICAL ACCLAIM FOR HEADBIRTHS

"Swift, passionate, satirical, experimental, ventriloquist, utopian, metaphysical, funny. Meet Günter Grass. . . . *Headbirths* is a masterpiece."
—*The New York Times*

"Darkly playful and inspiringly readable. The voice is clear, broad, and whimsical."
—*Boston Globe*

"There is a spiritual resonance to the work of Günter Grass—an openness, a total absence of complacency, a shock of unexpected energy. . . . He exercises no discernible restraint on the market of his imagination or on the practical, down-to-earth wonder of his politics. . . . Günter Grass is simply the best engaged and versatile writer alive."
—*Saturday Review*

"A harbinger of bad and literary, drowsy delivery and deadly irony, unrelentingly ethical awareness and a bitter wit of the absurd. . . . Grass' bright, serious look, his great intellect and technical mastery."
—*Observer*

"He will speak that fly from the page in all directions."
—*Washington Post*

On Writing Politics 1967 1983:

Nobel Writers on Writing Ottar G. Draugsvold, 2020-07-17 Since its inception the Nobel Prize for literature has given a very public voice to some of the world's greatest writers and their responses to the honor their acceptance speeches have often been epochal. From the famed call to arms by William Faulkner to the multicultural song of Derek Walcott from 1903's Bjørnstjerne Bjørnson to 1999's Günter Grass, this collection of 28 speeches traces the ideals of the artists and the selection committee itself throughout the 20th century. Included are an introduction to each of the writers chosen, an abridged copy of the speech or lecture, and a bibliography of works in English. *The Politics of Remembrance in the Novels of Günter Grass* Alex Donovan Cole, 2022-11-30 This manuscript argues for the importance of Günter Grass as a political thinker in addition to his status as a novelist and public intellectual capable of forming ethical responses to contemporary issues like neoliberalism and place of the petit bourgeoisie in social life. I define Grass's trajectory as a thinker through his novels and speeches. Primarily, I draw attention to the role memory plays in Grass's thought that his work represented an intellectual and aesthetic response to the role Nazism continued to play in West German politics in the post-war era. To Grass, Nazism represented a resurgent threat unaddressed following the end of World War II. Later, Grass amended his concept of memory politics to address neoliberal capitalism, reiterating his radicalism and affirming the need for German society to resist the rise of extreme ideologies. Günter Grass and His Critics Siegfried Mews, 2008 A comprehensive narrative overview and analysis of the criticism of the controversial German author's works. When the Swedish Academy announced that Günter Grass had been awarded the 1999 Nobel Prize for Literature, it singled out his first novel *The Tin Drum* (1959, English translation 1963) as a seminal work that had signaled the postwar rebirth of German letters, auguring a new beginning after decades of linguistic and moral destruction. Nearly fifty years after its publication, the novel's significance has been generally acknowledged; it is the uncontested favorite among Grass's works of fiction on the part of reading public and critics alike, yet its canonical status tends to obscure the decidedly mixed and even hostile reactions it initially elicited. Along with *The Tin Drum*, Grass's impressive body of literary work since the 1950s has spawned a cottage industry of Grass criticism, making a reliable guide through the thicket of sometimes contradictory readings a definite desideratum. Siegfried Mews fills this lacuna in Grass scholarship by way of a detailed but succinct descriptive as well as analytical and evaluative overview of the scholarship from 1959 to 2005. Grass's politically motivated interventions in public discourse have kept him highly visible, blurring the boundaries between politics and aesthetics. Mews therefore examines not only academic criticism but also the daily and weekly press and other news media, providing additional insight into the reception of Grass's works. Siegfried Mews is Professor of German at the University of North Carolina at Chapel Hill. On Essays Thomas Karshan, Kathryn Murphy, 2020 Sets out in a new and authoritative way the history of the essay, explains how the essay has come to mean what it does, surveys the widely various incarnations of the form, offers new accounts of major essayists in English, and traces a

wide range of significant themes **Encyclopedia of the Essay** Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies

Encyclopedia of German Literature Matthias Konzett, 2015-05-11 Designed to provide English readers of German literature the opportunity to familiarize themselves with both the established canon and newly emerging literatures that reflect the concerns of women and ethnic minorities the Encyclopedia of German Literature includes more than 500 entries on writers individual work and topics essential to an understanding of this rich literary tradition Drawing on the expertise of an international group of experts the essays in the encyclopedia reflect developments of the latest scholarship in German literature culture and history and society In addition to the essays author entries include biographies and works lists and works entries provide information about first editions selected critical editions and English language translations All entries conclude with a list of further readings On Writing and Politics, 1967-1983 Günter Grass, 1985 Grass novelist poet and graphic artist is also a committed political activist In this collection of essays he takes on writing and politics with his accustomed verve and insight Introduction by Salman Rushdie Translated by Ralph Manheim A Helen and Kurt Wolff Book

Narrative as Counter-Memory Reiko Tachibana, 1998-07-30 CHOICE 1999 Outstanding Academic Books The wartime and postwar cultural histories of Germany and Japan show similar experiences of defeat occupation and then the reconstruction of powerful societies Little previous research has examined the literary works that reflect these contacts and parallelisms For the first time this book offers an extensive comparative study of German and Japanese narratives that serve as a form of counter memory in Foucault's phrase for the two cultures Rather than attempting to present objective or comprehensive views of history these narratives draw upon personal memories to offer subjective selective and individualistic reports They provide an alternative or counter memory to more official versions of World War II and its aftermath Major writers such as Mishima Yukio Ibuse Masuji Oba Minako Gunter Grass Uwe Johnson Christa Wolf and the Nobel Prize winners Oe Kenzaburo and Heinrich Boll are set in the context of lesser known writers including a nine year old child a medical doctor a woman who served as a journalist and a former prisoner to provide a broad cultural basis for understanding responses to the war from within the two societies This book combines a broad historical scope with detailed examinations of important individual texts with both aspects securely set on a firm foundation of historical and literary scholarship The rhythm of alternation between synthetic generalizations and close textual explication yielding interpretive insights while providing lucid and economical exposition and summary allows for carefully balanced and integrated

comparisons Mother Jones Magazine ,1985-06 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues **International Who's Who of Authors and Writers 2004** Europa Publications,2003 Accurate and reliable biographical information essential to anyone interested in the world of literature TheInternational Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters **The Desire to Write** Graeme Harper,2018-12-18 In this dynamic exploration of the discipline of creative writing Graeme Harper departs from the established how to model in a personal manifesto which analyses why human beings are and have long been passionate about writing Illuminating the five essential keys to creative writing directly related to the desire to undertake it Harper analyses creative writing's past and ponders its future drawing on theories of the self cultural interaction consumption and communication Blending practice based critical context with contemporary creative writing theory this book is an ideal companion for undergraduate and postgraduate students of creative writing and literature Lively and thought provoking it is an invaluable tool for all aspiring and established writers who wish to harness the positive effects of their craft **On Creative Writing** Graeme Harper,2010-03-24 What is Creative Writing Millions of people do it but how do we do it really What evidence of its human undertaking does Creative Writing produce How do we explore Creative Writing as both an art form and a mode of communication How do we come to understand Creative Writing creatively and critically Posing questions about the nature of Creative Writing On Creative Writing asks us to consider what Creative Writing actually is and in doing so encourages us to reflect on how our knowledge of Creative Writing can be increased Emphasizing Creative Writing as an act and actions On Creative Writing considers what lies at the core of the activity called Creative Writing **Reading Rushdie** ,2021-11-01 Salman Rushdie is perhaps the most important writer of the present time His significant and controversial literary interventions in debates on post colonial culture and contemporary South Asian Islam are matched by the contribution he has made to postmodern literature in the West culminating in the award to him in 1993 of the twenty fifth anniversary Booker of Bookers prize This collection of articles focuses on Rushdie's five novels The context is set by the introduction The Politics of Salman Rushdie's Fiction which discusses the political stance of Rushdie's fiction the various influences on his work and the textual strategies and techniques he employs for political expression and cultural critique The postmodern post colonial interface the carnivalesque and satire are major themes treated here and in

the articles that follow which also provide diverse other perspectives on Rushdie's thought and method A number of essays have been commissioned specially for this volume An appendix listing selected writings by Rushdie and articles on the Satanic Verses Affair is followed by a comprehensive bibliography annotating critical studies of Rushdie's work **Writers and Thinkers** Daniel Fuchs, 2017-07-12 This is a collection of critical essays that integrate literature and ideas Daniel Fuchs presents the writer's individuality as artist and thinker focusing on the writer's interaction within a wide range of cultural political and historical periods and situations representative of the modern period The essays reflect a progression that goes beyond chronology or historical survey in the consistency and interrelation of the literary and cultural themes explored and the references within them The book is built around writers who are of central concern to the author It does not pretend to be a comprehensive framework for analysing modernism Fuchs first deals with high modernism in discussions of Hemingway and Stevens who in different ways critique tradition and collapsing values The essays that follow deal with the contemporary and here the focus is mainly on American Jewish writers and their cultural impact after modernism The author's stance is in relation not only to these traditions but to others that might be thought antagonistic the formalism of the New Critics and the deconstructionism that reduces the author to a replaceable variable in the dialects of cultural power relations Fuchs pays tribute to the former illustrating wider points in literary socio cultural and political history The overall emphasis on these extrinsic matters underscores the book's appeal to a wide audience *Books and Bookmen*, 1984 [A Bibliography on Writing and Written Language](#) Konrad Ehlich, Florian Coulmas, Gabriele Graefen, 2011-06-01 The bibliography offers information on research about writing and written language over the past 50 years No comprehensive bibliography on this subject has been published since Sattler's 1935 handbook With a selection of some 27 500 titles it covers the most important literature in all scientific fields relating to writing Emphasis has been placed on the interdisciplinary organization of the bibliography creating many points of common interest for literacy experts educationalists psychologists sociologists linguists cultural anthropologists and historians The bibliography is organized in such a way as to provide the specialist as well as the researcher in neighboring disciplines with access to the relevant literature on writing in a given field While necessarily selective it also offers information on more specialized bibliographies In addition an overview of norms and standards concerning script and writing will prove very useful for non professional readers It is therefore also of interest to the generally interested public as a reference work for the humanities *The United States and Germany in the Era of the Cold War, 1945-1990* Detlef Junker, Philipp Gassert, Wilfried Mausbach, David B. Morris, 2004-05-17 Publisher Description

Ordinary Enchantments Wendy B. Faris, 2004 Ordinary Enchantments investigates magical realism as the most important trend in contemporary international fiction defines its characteristics and narrative techniques and proposes a new theory to explain its significance In the most comprehensive critical treatment of this literary mode to date Wendy B Faris discusses a rich array of examples from magical realist novels around the world including the work not only of Latin

American writers like Gabriel Garcia Marquez but also of authors like Salman Rushdie Gunter Grass Toni Morrison and Ben Okri Faris argues that by combining realistic representation with fantastic elements so that the marvelous seems to grow organically out of the ordinary magical realism destabilizes the dominant form of realism based on empirical definitions of reality gives it visionary power and thus constitutes what might be called a remystification of narrative in the West Noting the radical narrative heterogeneity of magical realism the author compares its cultural role to that of traditional shamanic performance which joins the worlds of daily life and that of the spirits Because of that capacity to bridge different worlds magical realism has served as an effective decolonizing agent providing the ground for marginal voices submerged traditions and emergent literatures to develop and create masterpieces At the same time this process is not limited to postcolonial situations but constitutes a global trend that replenishes realism from within In addition to describing what many consider to be the progressive cultural work of magical realism Faris also confronts the recent accusation that magical realism and its study as a global phenomenon can be seen as a form of commodification and an imposition of cultural homogeneity And finally drawing on the narrative innovations and cultural scenarios that magical realism enacts she extends those principles toward issues of gender and the possibility of a female element within magical realism *Mother Jones Magazine* ,1985-06

Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

The Ashgate Research Companion to Cosmopolitanism Maria Rovisco, Magdalena Nowicka, 2016-04-01 The study of Cosmopolitanism has been transformed in the last 20 years and the subject itself has become highly discussed across the social sciences and the humanities The Ashgate Research Companion to Cosmopolitanism pursues distinct theoretical orientations and empirical analyses bringing together mainstream discussions with the newest thinking and developments on the main themes debates and controversies surrounding the subject The contributions are grouped into three parts each reflecting a different analytical focus within a variety of intellectual disciplines and methodological approaches Part I Cultural Cosmopolitanism is primarily concerned with the empirically grounded aspects of cosmopolitanism which are apparent in mundane practices and lifestyle options on the micro scale of daily interactions It focuses on the outlooks and lived experience of ordinary individuals and groups in concrete situational contexts and social structures Part II Political Cosmopolitanism sets out the main topics and issues dealt with by scholars writing within the tradition of political cosmopolitanism Addressing timely issues such as human rights global justice and global democracy it focuses on Cosmopolitanism as an ethico political ideal and a political project to devise new forms of supranational and transnational governance Part III Debates reflects the major debates and controversies on the subject and deliberately eschews any bland consensus to instead foreground the key arguments and lively intellectual discussions in play across disciplinary divisions Featuring contributions from key thinkers in the field including Ulrich Beck David Held and Martha Nussbaum this comprehensive volume will be a valuable resource for all academics and students working within this

On Writing Politics 1967 1983 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free On Writing Politics 1967 1983 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free On Writing Politics 1967 1983 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries,

ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of On Writing Politics 1967 1983 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About On Writing Politics 1967 1983 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. On Writing Politics 1967 1983 is one of the best book in our library for free trial. We provide copy of On Writing Politics 1967 1983 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with On Writing Politics 1967 1983. Where to download On Writing Politics 1967 1983 online for free? Are you looking for On Writing Politics 1967 1983 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another On Writing Politics 1967 1983. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of On Writing Politics 1967 1983 are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides

make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with On Writing Politics 1967 1983. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with On Writing Politics 1967 1983 To get started finding On Writing Politics 1967 1983, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with On Writing Politics 1967 1983 So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading On Writing Politics 1967 1983. Maybe you have knowledge that, people have search numerous times for their favorite readings like this On Writing Politics 1967 1983, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. On Writing Politics 1967 1983 is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, On Writing Politics 1967 1983 is universally compatible with any devices to read.
