National Library Board, 2017 This book contains 50 specially curated items from the Rare Materials Collection researched and written by a team of librarians from the National Library Each article in this book contains a detailed description of the rare item as well as highlights of its history and provenance Distilling 50 items from a 15 000 strong collection was a challenging task and the final selection is at best only a representative snapshot of the complete repository Backcover **BiblioAsia**, 2015-04

the Printing Historical Society Printing Historical Society,1997 **Singapore** ,1994 Reconstructing Identities Jürgen Rudolph,1998 The aim of this text is to provide a social history of the Babas in Singapore It describes and analyzes social political and cultural aspects of their identities by taking into account the conceptual history of Baba designations from 1819 1994 It argues that defining the Babas is misleading it is more meaningful to adopt a socio historical approach that differentiates spatiotemporally distinct Baba identities Such an approach is usually avoided not only in research on the Babas but in many other sociological anthropological or historical studies It concludes that there is no such thing as a Baba identity it has always been in flux and needs to be reconstructed taking seriously the conceptual history The two crucial turning points in the history of the Babas namely the Japanese occupation 1942 1945 and self rule 1959 led to public emphasis on their culture Prior emphasis on their former status as a political and economic elite have been hitherto neglected Taking into account all aspects legal political economic cultural linguistic religious of Baba identities leads us to a fascinating trajectory of a potential group “巴都巴都”巴都巴都 ,2004 50 Modern Literature of ASEAN ,2000 **The Journal of Commonwealth Literature** ,1995 Letters from Mao's China David Marshall,1996 The British Library Journal British Library,1990 **International Books in Print** ,1991 **Dunia buku Singapura** ,1989
