What is Legal Education for? Rachel Dunn, Paul Maharg, Victoria Roper, 2022-09-30 How we interpret and understand the historical contexts of legal education has profoundly affected how we understand contemporary educational cultures and practices This book the result of a Modern Law Review seminar both celebrates and critiques the lasting impact of Peter Birks influential edited collection Pressing Problems in the Law Volume 2 What is the Law School for Published in 1996 his book addresses many critical issues that are hauntingly present in the 21st century amongst them the impact of globalisation technological disruption and the tension inherent in law schools as they seek to balance the competing interest of teaching research and administration Yet Birks collection misses key issues too The role of wellbeing of emotion or affect the relation of legal education to education the status of legal education in what since his volume have become the devolved jurisdictions of Northern Ireland Wales and Scotland these and others are absent from the research agenda of the book Today legal educators face new challenges We are still recovering from the effects of the Covid 19 pandemic on our universities In 1996 Birks was keen to stress the importance of comparative research within Europe Today legal researchers are dismayed at the possibility of losing valuable EU research funding when the UK leaves the EU and at the many other negative effects of Brexit on legal education The proposed Solicitors Qualifying Examination takes legal education regulation and professional learning into uncharted waters This book discusses these and related impacts on our legal educations As law schools approach an existential crossroads post Covid 19 it seems timely to revisit Birks fundamental question what are law schools for

Companies, International Trade and Human Rights Janet Dine, 2005-02-24 Originally published in 2005 this book focuses on the role of corporations within the trading system and the complex relationships between corporations nation states and international organisations The actions and motives that drive corporations are considered as well as the structure of the international trading system Remedial devices such as Codes of Conduct and Human Rights instruments are assessed for effectiveness The book seeks reasons for what is a growing

understanding that international trading regimes are not meeting objectives found in many international agreements including both the international trade agreements themselves WTO GATT TRIPS etc and human rights instruments In particular it is clear that the prevalence and severity of poverty is not being adequately addressed This work sets out to investigate the role played by companies in this failure in the globalisation of trade to realise its aims in particular the failure to achieve the minimum of basic rights the right to food

The Rights of Victims in Criminal Justice Proceedings for Serious Human Rights Violations Juan Carlos Ochoa S.,2013-02-05 The Rights of Victims in Criminal Justice Proceedings for Serious Human Rights Violations addresses a question of critical importance to policy makers international lawyers academics and affected societies throughout the world Should victims of serious human rights violations be granted under international law the rights of access to and participation in criminal proceedings before international hybrid and domestic tribunals Juan Carlos Ochoa applies a thorough analysis of international and comparative domestic law and practice to this question taking into account a host of international human rights instruments and case law the theory law and practice of international and hybrid criminal tribunals the law and practice in several domestic jurisdictions and many theoretical and empirical studies After first determining the current state of and emerging trends in international law in this area he argues that the lack of recognition of these rights under customary international law is inadequate because access to and participation in criminal proceedings for victims of these infringements are based on several internationally recognised human rights and principles contribute to the expressivist objectives of these procedures and are consistent with the principles that inform the enforcement of criminal law in democratic States On this basis Ochoa convincingly suggests concrete reforms
