**Eusebius (of Caesarea, Bishop of
Caesarea)**

Proof Of The Gospel:

The Proof of the Gospel Eusebius (of Caesarea, Bishop of Caesarea), 1981 Eusebius wrote *The Proof of the Gospel* for those who have passed beyond the need of elementary instruction in Christianity and are already in a state prepared for the reception of the higher truths He intended to convey the exact knowledge of the most stringent proofs of God's mysterious dispensation in regard to our Lord and Saviour Jesus Christ Only ten of the original twenty books comprising this work have survived Books 1 and 2 are introductory Book 3 treats Christ's humanity and is perhaps the most modern part of the argument By an elaborate reductio ad absurdum Eusebius shows dramatically and cogently the impossibility of Jesus Christ being anything but perfect man and divine Books 4 and 5 deal with Christ's divinity and it is in them that passages of an Arian ring appear Books 6-9 discuss the Jesus incarnate life as the fulfillment of prophecy And book 10 reaches the passion and is especially occupied with Judas and the betrayal This edition was first published in 1920 as part of the SPCK's series of Translations of Christian Literature **The Proof of the Gospel; Two Volumes in One** Bishop Eusebius, 2001-03-06 J B Lightfoot ranked Eusebius's Preparation for the Gospel and Proof of the Gospel together as probably the most important apologetic work of the Early church **The Proof of the Gospel** Eusebius (of Caesarea, Bishop of Caesarea), 1920 **The Proof of the Gospel** Eusebius, 1981 **The Proof Of The Gospel** Bishop Of Caes Eusebius (of Caesarea, 2023-07-18 A major work of early Christian apologetics by the Greek historian and bishop Eusebius of Caesarea *The Proof of the Gospel* defends the truth of Christianity against critics and offers a detailed account of the life and teachings of Jesus Christ This new translation brings this important text to a wider audience This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant [The Proof of the Gospel, Being the Demonstratio Evangelica](#) Of Caesarea Bishop of Caesare Eusebius, William John Ferrar, 2018-10-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Proof of the**

J. Ferrar,2015-07-12 Excerpt from The Proof of the Gospel Being the Demonstratio Evangelica of Eusebius of Caesarea Vol 1 It is a high privilege to have been allowed to provide a translation of the Demonstratio for in default of a better it must for some time fill the vacant place in English bookshelves beside the noble edition of the Praeparatio which was the work of Archdeacon Gifford s declining years Yet it is an appalling thought that this translation continuing as it does the work of Gifford should in any sense be thought to seek comparison with it The writer has but endeavoured according to his powers and amid other absorbing duties to fill a recognized gap by giving a faithful rendering of the words of Eusebius so that it may be possible for the English student to become acquainted with all that remains of the work to which the Praeparatio was the Introduction He has erred perhaps rather in the direction of literal exactness than of free paraphrase especially in doctrinal sections thinking it primarily necessary to make it clear what Eusebius actually said Limitations of space have made it impossible to reproduce the long passages from the Old Testament upon which Eusebius based his arguments To have retained them in full would have been interesting because of their variations from the text of the LXX but this consideration was hardly important enough to make their inclusion essential About the Publisher Forgotten Books

W. J. FERRAR,2018

PROOF OF THE GOSPEL, EUSEBIUS OF. CAESAREA,2018 **The Proof of the Gospel** Eusebius of Caesarea,2013-06-06 The Holy Scriptures foretell that there will be unmistakable signs of the Coming of Christ Now there were among the Hebrews three outstanding offices of dignity which made the nation famous firstly the kingship secondly that of prophet and lastly the high priesthood The prophecies said that the abolition and complete destruction of all these three together would be the sign of the presence of the Christ And that the proofs that the times had come would lie in the ceasing of the Mosaic worship the desolation of Jerusalem and its Temple and the subjection of the whole Jewish race to its enemies The holy oracles foretold that all these changes which had not been made in the days of the prophets of old would take place at the coming of the Christ which I will presently shew to have been fulfilled as never before in accordance with the predictions *The Proof of the Gospel* Eusebius Caesariensis (Pamphili),1920 *God Visible* Brian E. Daley,2018-01-19 *God Visible* Patristic Christology Reconsidered considers the early development and reception of what is today the most widely professed Christian conception of Christ The development of this doctrine admits of wide variations in expression understanding and interpretation that are as striking in authors of the first millennium as they are among modern writers The seven early ecumenical councils and their dogmatic formulations were crucial facilitators in defining the shape of this study Focusing primarily on the declaration of the Council of Chalcedon in AD 451 Brian E Daley argues that previous assessments that Christ was one Person in two natures the Divine of the same substance as the Father and the human of the same substance as us can sometimes be excessively narrow even distorting our understanding of Christ s person Daley urges us to look beyond the Chalcedonian formula alone and to consider what some major Church Fathers from Irenaeus to John Damascene say about the person of Christ
