The Promise and the Blessing Michael A. Harbin, 2010-06-01 The Bible is a collection of writings that together tell a unified story But exactly how do all the pieces fit together In a single volume The Promise and the Blessing connects the dots of the Old and New Testament books to reveal the big picture of salvation history Organized chronologically rather than canonically this book traces the flow of Israel's history and shows how the New Testament proceeds out of the Old It begins with God's creation of the cosmos and the initial problem of the fall of man Then it traces God's solutions to that problem as he selects first one man Abraham then his line and then the nation of Israel to provide the Messiah Finally it focuses on the Messiah himself and looks at how the gospel of Jesus was spread throughout the known world The Promise and the Blessing is easy to use and ideal for anyone who wants to understand the grand narrative of the Bible It features numerous beautiful full color photos as well as sidebars and brief fascinating breakouts of supplementary information Maps illustrations summaries and insightful notes help to illuminate the text Field tested in the classroom The Promise and the Blessing is designed for Old and New Testament survey classes and will provide all readers of the Bible with a better understanding of how the drama that began in Eden winds through Israel's history to its fulfillment in Jesus Christ

Sharing in the Son's Inheritance Esau McCaulley, 2019-09-05 This book explores the link between Paul's belief that Jesus is Israel's Messiah and his interpretation of the Abrahamic Land Promise in Galatians Countering claims that Paul replaces the Promised Land with the gift of the Spirit or salvation Esau McCaulley argues that Paul expands this inheritance to include the whole earth believing that as the seed of Abraham and David Jesus is entitled to the entire world as his inheritance and kingdom McCaulley argues that scholars have neglected Paul's expanded interpretation of the inheritance of the earth rarely appreciate the role that messianism plays in Galatians and fail to acknowledge that Second Temple authors often portrayed royal and messianic figures as God's means of fulfilling the promises made to Abraham and Israel via the establishment of kingdoms Through a comparison of texts from the Pseudepigrapha apocrypha and the Dead Sea Scrolls with Galatians 3:1-4:7:5-21 McCaulley argues Paul's interpretation of Jesus's death is a manifestation of Second Temple messianism because it ends the covenant curses outlined in Deuteronomy and begins the restoration of the inheritance to Abraham's offspring through the establishment of Jesus's worldwide kingdom he concludes that Paul's interpretation of the Abrahamic inheritance is inseparable from his belief that Jesus is Israel's Messiah

Cross-Examination Jordan Moar,2024-10-23 Mr Moar has put immense amounts of research into the question of whether or not God exists and His relationship with the Bible itself He provides a unique and apparently undebatable proof of the existence of the New Testament Trinity in the Old Testament itself Using various Scriptures and known history he provides excellent proofs of the fact that Christ s crucifixion had been prophesied literally centuries beforehand in several Scriptures He also uses the ancient Jewish Talmud and the similarly ancient Greek Magical Papyri to demonstrate a fact that is now well established among Jesus researchers that Christ was a magician so powerful that according to the Talmud He had been able to strongly influence the entire nation of Israel itself In addition Mr Moar provides a unique and very powerful proof of Christ s empty tomb at the time of His purported resurrection

Finally Mr Moar uses his knowledge of psychology to show that you will probably be happier as a Christian than otherwise
Thus reading Mr Moar s book can literally be a life changing experience Be prepared ha ha **The Impact of Unit**
