Sales Force Performance:

The Complete Guide to Accelerating Sales Force Performance Andris A. Zoltners, Prabhakant Sinha, Greggor A. Zoltners, 2001 To boost your sales group's performance give your salespeople very specific assessments and instructions as per authors Andris A Zoltners Prabhakant Sinha and Greggor A Zoltners The trouble here is that the instructions are not only detailed they are highly technical You have to see sales as a science to make the best use of the graphs charts lists diagrams and formulas If you can make your way through the academic writing you'll find some useful hard data such as statistical evidence that backs the need for precise sales performance assessments Despite its lengthy retelling of some very basic sales principles getAbstract.com recommends this manual to the audience its authors suggest sales managers top managers salespeople who want to advance professionally divisional presidents and business owners plus business school students If you're going to be academic you might as well learn something

Sales Force Performance Measurement Meike Lehmann, 2009-02-19 Seminar paper from the year 2007 in the subject Business economics Controlling grade 2.0 Heilbronn University of Applied Sciences language English abstract A very important part of managerial tasks is to measure the performance of their employees The evaluation is necessary to attain the objectives of the company as possible deficits can be identified and steps can be taken against them Jobber and Lancaster 2003 489 The performance measurement means to discover the strengths and weaknesses of the employees with the aim to improve their performance The evaluation should also recognize and reward the success of the person evaluated and give him/her a clear feedback about the performance in order to support his/her development Spiro Stanton and Rich 2003 445 This study will focus on the performance measurement of the sales force as the success of the sales department is decisive of the company's overall performance In order to get motivated and qualified salespeople sales managers must not just analyze statistics but also need to give directions and the possibility of self development Spiro Stanton and Rich 2003 441 442 Following a process of measuring sales force performance will be pointed out which leads the sales manager through the evaluation Afterwards the importance of performance measurement within sales management will be shown and a conclusion will be drawn
