

A blurred background image of a scientist wearing safety glasses and a lab coat, working with laboratory glassware. The scientist is looking down at something out of frame. In the foreground, there are several glass beakers and test tubes on a lab bench. One beaker contains a yellow liquid, and another has a red pipette tip. A black smartphone is also visible on the bench.

Prayers for scientists

Lord God, we ask for Your favor upon all scientists everywhere. As they strive to make new discoveries and find solutions to the problems we face, please grant them knowledge, direction, and safety. May the fruits of their labor bless the world and exalt Your name.

Through Christ our Lord.

AMEN
