SCOTT *and* GOETHE

Scott And Goethe German Influence On The Writings Of Sir Walter Scott

William Macintosh

Scott And Goethe German Influence On The Writings Of Sir Walter Scott:

Scott and Goethe; German Influence on the Writings of Sir Walter Scott William Macintosh,1925 *Scott and Goethe* William Macintosh,1920 SCOTT AND GOETHE WILLIAM. MACINTOSH,2018 **Scott and Goethe** William Macintosh,1970 **Scott and Goethe** William Macintosh (Publisher),1926 **Scott and Goethe. German Influence on the Writings of Sir Walter Scott, Etc** Rev. William MACINTOSH (Editor of "The Anglican Church Magazine."),1926

Scott and Goe William MacIntosh,2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work *George Eliot and Goethe* Gerlinde Röder-Bolton,2023-11-27 In the first half of the nineteenth century in England there was a strong interest in German literature and German scholarship George Eliot studied German and German literature from the age of twenty Her first publication in 1846 was a translation of Friedrich Strauss s *Das Leben Jesu* followed in 1854 by the translation of Ludwig Feuerbach s *Das Wesen des Christentums* That same year George Eliot left England with George Henry Lewes on her first visit to Germany During the next three months they visited Frankfurt Weimar and Berlin to collect material for Lewes s biography of Goethe In this study Gerlinde R der Bolton explores the impact of Goethe on George Eliot whose elective affinity with Goethe was both ethical and artistic and analyses George Eliot s responsiveness to Goethe s moral vision and the literary uses she makes of her familiarity with Goethe s work George Eliot and Goethe *An Elective Affinity* concentrates on *The Mill on the Floss* and *Daniel Deronda* showing how the intertextual relationship with *Die Wahlverwandtschaften* holds the key to an understanding of the latter part of *The Mill on the Floss* while the first part of *Faust* and *Wilhelm Meisters Lehrjahre* throw new light on *Daniel Deronda* This study with its close analysis of a range of works by George Eliot and Goethe is essential reading for anyone interested in both or either of these authors or in Anglo German literary relations

Biographical Dictionary of Literary Influences John Powell,2000-10-30 Over the past two decades the process of cultural development and in particular the role of reading has been of growing interest but recent research has been episodic and idiosyncratic In this biographical dictionary research devoted specifically to the reading habits of 19th century individuals who shaped Western culture is brought together for the first time While giving prominent coverage to literary and political figures the volume s 270 entries also include musicians painters educators and explorers Each entry includes brief biographical information a concise summary of literary influences on the subject and clear direction for further research The book provides a practical tool for scholars wishing to trace the reading experience of important Western cultural figures Subjects were selected from the people most responsible for the cultural development of Europe Britain and the British Empire and the Americas between 1800 and 1914 Although selective the sample of 270 figures is substantial enough to

suggest broad cross cultural habits and effects enabling scholars to better understand the relationship between reading and culture In an introductory essay Powell explores the patterns and relationships that can be discerned from the entries The first of three anticipated volumes the book is an important step forward in researching the role of reading in cultural development

The Gothic's Gothic (Routledge Revivals) Benjamin Franklin Fisher IV, 2016-05-05 First published in 1988 this book aims to provide keys to the study of Gothicism in British and American literature It gathers together much material that had not been cited in previous works of this kind and secondary works relevant to literary Gothicism biographies memoirs and graphic arts Part one cites items pertaining to significant authors of Gothic works and part two consists of subject headings offering information about broad topics that evolve from or that have been linked with Gothicism Three indexes are also provided to expedite searches for the contents of the entries This book will be of interest to students of literature

Liberalism, Imperialism, and the Historical Imagination Theodore Koditschek, 2011-02-10 This book examines the ways in which imperial agendas informed the writing of history in nineteenth century Britain and how historical writing transformed imperial agendas Using the published writings and personal papers of Walter Scott J A Froude James Mill Rammohun Roy T B Macaulay E A Freeman W E Gladstone and J R Seeley among others Theodore Koditschek sheds light on the role of the historical imagination in the establishment and legitimation of liberal imperialism He shows how both imperialists and the imperialized were drawn to reflect back on the Empire's past as a result of the need to construct a modern multi national British imperial identity for a more economically expansive and enlightened present By tracing the imperial lives and historical works of these pivotal figures Theodore Koditschek illuminates the ways in which discourse altered practice and vice versa as well as how the history of Empire was continuously written and re written

The Cambridge bibliography of English literature. 3. 1800 - 1900 Frederick Wilse Bateson, 1940

Comparative Criticism: Volume 7, Boundaries of Literature E. S. Shaffer, 1986-04-17 Comparative Criticism is an annual journal of comparative literature and cultural studies that has gained an international reputation since its inception in 1979 It contains major articles on literary theory and criticism on a wide range of comparative topics and on interdisciplinary debates It includes translations of literary scholarly and critical works substantial reviews of important books in the field and bibliographies on specialist themes for the year on individual writers and on comparative literary studies in Britain and Ireland

British Romanticism and Continental Influences P. Mortensen, 2004-02-03

During the 1790s and 1800s cultural critics became convinced that Britain was being inundated by pernicious literary translations imported from the European Continent *British Romanticism and Continental Influences* discusses Romantic writers complex and ambivalent responses to this threatening literary invasion Confronted with foreign texts that seemed

both attractive and repulsive Mortensen argues Romantic writers such as Wordsworth and Coleridge publicly distanced themselves from European sensationalism even as they assimilated and revised its conventions in their own writing

Bulletin of the John Rylands Library John Rylands Library, 1925 The Taming of Romanticism Virgil

Nemoianu, 1984 Looking at a broad spectrum of writers English French German Italian Russian and other East Europeans Virgil Nemoianu offers here a coherent characterization of the period 1815-1848 This he calls the era of the domestication of romanticism The explosive visionary core of romanticism is seen to give way after the defeat of Napoleon to an expanded and softer version reflecting middle class values This later form of romanticism is characterized by moralizing efforts to reform society a sentimental yearning for the tranquility of home and hearth and persistent faith in the individual alongside a new skepticism shattered ideals and consequent irony Expanding the application of the term Biedermeier which has been useful in describing this period in German literature Nemoianu provides a new framework for understanding these years in a wider European context **German Influence in the English Romantic Period 1788-1818** F. W. Stokoe, 2013-10-10 Originally published in 1926 this book examines how interest in German literature in England grew immediately before and during the Romantic period
