American International Pictures Rob Craig, 2019-03-05 *American International Pictures* was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1972 **Chicorel Index to Film Literature** Marietta Chicorel, 1975 *The Publishers' Trade List Annual*, 1981 **Proceedings of the Society for Information Display** Society for Information Display, 1972 The New Poverty Row Fred Olen Ray, 1991-01-01 Since cinema s earliest beginnings there has been friction between producers and directors Shady accounting practices which favored the distributors at the expense of the filmmakers were all too common causing many filmmakers to form independent companies to make and distribute their own product This book examines six such low budget exploitation companies Associated Distributors Productions Filmgroup Hemisphere Pictures American General Pictures Independent International Pictures Dimension Pictures and the author s own American Independent Productions A brief history of each company laced with quotes from the company s principals is presented followed by a filmography that lists all known credits for that company *A Companion to Continental Philosophy* Simon Critchley, William R. Schroeder, 1998-06-08 Covering the complete development of post Kantian Continental philosophy this volume serves as an essential reference work for philosophers and those engaged in the many disciplines that are integrally related to Continental and European Philosophy **Mediating the National** Marcia Butzel, Ana Lopez, 1994 First Published in 1994 Routledge is an imprint of Taylor Francis an informa company **Routledge Library Editions: Utopias** Various, 2021-11-01 Routledge Library Editions Utopias 6 volume set contains titles originally published between 1923 and 1982 It includes volumes focusing on Utopian fiction both as a genre in its own right and also from a feminist perspective In addition there are sociological texts that examine the history of Utopian thought from the writings of Plato and beyond as well as specific examples of people who have tried to create Utopian communities **AB Bookman's Weekly**, 1989-05 *Commercial Fisheries Abstracts*, 1970 Black Screens, White Frames Tanya Shilina-Conte, Assistant Professor Department of English Tanya Shilina-Conte, 2024-11-22 *Black Screens White Frames* offers a new understanding of blank screens in cinema Drawing on Gilles Deleuze s film philosophy and pursuing an affirmative approach to non images through the concept of the filmmaking machine author Tanya Shilina Conte shows how absence can be a productive mode that alters the way we study film *Catalogue of the Book Library of the British Film Institute*,

London, England: Author catalogue. Title catalogue, A-F British Film Institute. Library, 1975 *Subculture* Dick
 Hebdige, 2013-10-08 First Published in 2002 It is easy to see that we are living in a time of rapid and radical social change It
 is much less easy to grasp the fact that such change will inevitably affect the nature of those disciplines that both reflect our
 society and help to shape it Yet this is nowhere more apparent than in the central field of what may in general terms be
 called literary studies *New Accents* is intended as a positive response to the initiative offered by such a situation Each
 volume in the series will seek to encourage rather than resist the process of change To stretch rather than reinforce the
 boundaries that currently define literature and its academic study *A Reference Guide for English Studies* Michael J.
 Marcuse, 1990-01-01 This ambitious undertaking is designed to acquaint students teachers and researchers with reference
 sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly
 inquiry presently pursued by members of university departments of English language and literature Within each of 24 major
 sections Marcuse lists and annotates bibliographies guides reviews of research encyclopedias dictionaries journals and
 reference histories The annotations and various indexes are models of clarity and usefulness and cross references are
 liberally supplied where appropriate Although cost conscious librarians will probably consider the several other excellent
 literary bibliographies in print such as James L Harner s *Literary Research Guide* Modern Language Assn of America 1989
 larger academic libraries will want Marcuse s volume Jack Bales Mary Washington Coll Lib Fredericksburg Va Library
 Journal **New Serial Titles** , 1989 A union list of serials commencing publication after Dec 31 1949 **United Artists,**
Volume 2, 1951-1978 Tino Balio, 2009-04-08 In this second volume of Tino Balio s history of United Artists he examines the
 turnaround of the company in the hands of Arthur Krim and Robert Benjamin in the 1950s when United Artists devised a
 successful strategy based on the financing and distribution of independent production that transformed the company into an
 industry leader Drawing on corporate records and interviews Balio follows United Artists through its merger with
 Transamerica in the 1960s and its sale to MGM after the financial debacle of the film *Heaven s Gate* With its attention to the
 role of film as both an art form and an economic institution *United Artists The Company That Changed the Film Industry* is an
 indispensable study of one company s fortunes from the 1950s to the 1980s and a clear eyed analysis of the film industry as a
 whole This edition includes an expanded introduction that examines the history of United Artists from 1978 to 2008 as well
 as an account of Arthur Krim s attempt to mirror UA s success at Orion Pictures from 1978 to 1991 *Screen World* John
 Willis, 1969 *British Film Culture in the 1970s* Sue Harper, 2011-11-30 This volume draws a map of British film culture in
 the 1970s and provides a wide ranging history of the period It examines the cross cultural relationship between British
 cinema and other media including popular music and television The analysis covers mainstream and experimental film
 cultures identifying their production contexts and the economic legislative and censorship constraints on British cinema
 throughout the decade The essays in Part I contextualise the study and illustrate the diversity of 1970s moving image culture

In Part II Sue Harper and Justin Smith examine how gender relations and social space were addressed in film They show how a shared visual manner and performance style characterises this fragmented cinema and how irony and anxiety suffuse the whole film culture This volume charts the shifting boundaries of permission in 1970s film culture and changes in audience taste This book is the culmination of an AHRC funded project at the University of Portsmouth For more information about 1970s British Cinema Film and Video Mainstream and Counter Culture 2006 2009 please visit the project website at www.1970sproject.co.uk **Serials Catalog: Titles, O-Z; and Corporate body index** Iowa State University.
