Child Psychology in Retrospect and Prospect Willard W. Hartup, Richard A. Weinberg, 2014-02-25 This 32nd volume of the Minnesota Symposium on Child Psychology celebrates the 75th anniversary of the University of Minnesota s Institute of Child Development All eight essays are devoted to developmental science its history and current status Taken together the chapters in this book show how the history of science connects past and future how it gives the individual investigator an identity and sense of purpose how contemporary studies occur within larger traditions and how institutions like the Institute of Child Development constitute cultural traditions of their own Collectively these essays show that the past explains a great deal whether we want to know about the processes through which the child acquires symbolic thought or whether we want to know how and why during the last century a few enduring centers were established for the scientific study of children and adolescents Reading these essays one obtains a sense of how the past becomes evidence how it forms models for the way we think and how intellectual challenges arise **Personality Development In Adolescence** Eva Skoe, Anna von der Lippe, 2005-07-22 The formation of identity in adolescence is the most central concept in psychological and sociological studies of young people Most theories to date assume that adolescents share the same conditions under which their identities are formed *Personality Development in Adolescence* is a collection of work by leading researchers that considers different

contexts affecting personality and identity development Three main contexts are considered cultural family and life span development Of central importance to developmental psychologists this collection will also be valuable to social workers teachers nurses and all those whose work involves young people **Handbook of Social Psychology** John

DeLamater,2006-11-24 Psychology focusing on processes that occur inside the individual and Sociology focusing on social collectives and social institutions come together in Social Psychology to explore the interface between the two fields The core concerns of social psychology include the impact of one individual on another the impact of a group on its individual members the impact of individuals on the groups in which they participate the impact of one group on another This book is a successor to Social Psychology Social Perspectives and Sociological Perspectives in Social Psychology The current text expands on previous handbooks in social psychology by including recent developments in theory and research and comprehensive coverage of significant theoretical perspectives Education and Work in Great Britain, Germany and Italy

Annette Jobert,Catherine Marry,Helen Rainbird,Lucie Tanguy,2013-05-13 This volume examines the multiple connections between education broadly defined and work through an analysis of the literature on the transition from school to work on vocational training and on the labour market It shows that concepts such as skill unemployment rates young people and the transition from school to work are socially constructed and are thought about in ways which are nationally specific This book is essential reading for students of European training systems and for those conducting comparative European research

Gender Inequalities in the 21st Century Jacqueline L. Scott,Rosemary Crompton,Clare Lyonette,2010-01-01 Both women and men strive to achieve a work and family balance but does this imply more or less equality Does the persistence of gender and class inequalities refute the notion that lives are becoming more individualised This book documents how gender inequalities are changing and how many inequalities of earlier eras are being eradicated **Forever Young** Chris

Richards,2008 This book explores young adult fictions stories about being young staying young and sometimes never wanting to grow up Looking at controversial novels by Francesca Lia Block at sex and race in Buffy the Vampire Slayer and at the online world of fans and censors Chris Richards argues that attempts to classify and regulate what counts as young adult have failed and shows how youth as intense exciting and tormented draws audiences unconstrained by age Throughout the book the narratives of life as lived by the young emerge as the stuff of the self made and remade in reading watching and listening Fascinating and accessible Forever Young will be of particular interest to students and teachers concerned with contemporary popular culture in cultural media literature and education studies courses **Identity at Work** John

Chandler,2016-09-13 This insightful book draws on a range of contemporary and classic studies to explore the connection between the personal experience of work and the wider social structures in which it takes place Identity at Work examines key social identities relevant to the workplace such as those based on gender sexual orientation ethnicity and race disability age occupation class and organizational membership Using research from a wide variety of countries and academic

approaches this book provides a readable and engaging introduction to the issues exploring how people experience work understand and present themselves at work and relate to others Providing an accessible investigation of work and identity this text will be valuable to students looking at organizational behaviour HRM diversity management and the sociology of work

Families, Children and the Quest for a Global Ethic Robert N. Rapoport, 2019-01-15 Published in 1997 this volume looks at the role of families in the world order and the problems facing them especially in the face of globalization The author takes into account materialist religious gender and environmental concerns

Avoiding Retirement in Chile Ignacio Cabib, 2025-04-29 Drawing on life course gender and welfare regime theories and relying on primary longitudinal qualitative data life story interviews with 90 older workers and primary longitudinal quantitative data life course calendar surveys among 802 older individuals Avoiding Retirement in Chile critically examines the generalizability of traditional age norms involving the transition to retirement within a persistently uncertain and precarious setting Grounded in systematic empirical evidence this study allows us to reflect on the fact that a definitive and permanent exit from any form of economic activity is increasingly viewed as a fictional scenario by most older individuals This arises not only from highly precarious social conditions but also from a complex process involving individual agency wherein the status of being retired is progressively less voluntarily anticipated As such it is of significant interest to a broad spectrum of undergraduate and graduate students as well as scholars across various disciplines including social sciences economics humanities gerontology public health and social epidemiology Additionally the book targets policymakers and decision makers engaged in topics such as aging the labor market pension systems social and health inequality and life course determinants of disparities in old age

Defiant Hope, Active Love Jeffrey F. Keuss, 2024-07-30 Cutting edge social science research into what young adults want out of a faith community Purpose and meaning healing and growth community and fellowship these values have traditionally been found in church Though young adults are leaving the pews in droves they are still seeking these spiritual benefits How can churches entice them to return Jeffrey F Keuss thinks that s the wrong question to ask Instead his multigenerational team of scholars investigated how faith communities can make themselves more hospitable to the next generation of Christians Backed by five years of qualitative and quantitative research the Pivot NW research team offers practical recommendations for involving young adults in the community including loosening demands for church membership involving young adults in leadership earlier addressing the economic difficulties of millennials understanding religious trauma Defiant Hope Active Love encourages church leaders to let go of nostalgia for old ecclesiological norms and embrace something new inclusive and authentic With thorough research and incisive analysis this groundbreaking book contains a wealth of resources to promote the health of faith communities

Rury, 2013 This brief interpretive history of American schooling focuses on the evolving relationship between education and social change Like its predecessors this new edition investigates the impact of social forces such as industrialization urbanization immigration and cultural conflict on the development of schools and other educational institutions It also examines the various ways that schools have contributed to social change particularly in enhancing the status and accomplishments of certain social groups and not others Detailed accounts of the experiences of women and minority groups in American history consider how their lives have been affected by education Changes in this new edition include the following A more thorough treatment of key concepts such as globalization human capital social capital and cultural capital Enhanced attention to issues of diversity throughout Greater thematic coherence as a result of dividing chapter 6 into two chapters the first focusing on the postwar period and emphasizing the themes of equity and social justice and the second focusing on human capital in education highlighting the standards movement federal policy changes and neo liberal reform A revision of several focal point discussions for greater clarity and thematic relevance Update discussions of recent changes in educational politics finance and policy especially the troubles presently facing No Child Left Behind NCLB

Social Change and Human Development Rainer K Silbereisen, Xinyin Chen, 2010-05-26 Today s world is characterized by a set of overarching trends that often come under the rubric of social change In this innovative volume Rainer K Silbereisen and Xinyin Chen bring together for the first time international experts in the field to examine how changes in our social world impact on our individual development Divided into four parts the book explores the major socio political and technological changes that have taken place around the world from post from the rapid upheavals in 1990s Europe to the gradual changes in parts of East Asia and explains how these developments interplay with human development across the lifespan Human Development and Social Change is a useful resource for students and researchers involved in all areas of human development including developmental psychology sociology and education

Qualitative Organizational Research - Volume 2 Kimberly D. Elsbach, Beth A. Bechky, 2009-09-01 Over the past ten years the Davis Conference on Qualitative Research has become the world s leading conference for qualitative researchers in organizational studies The authors of the Best Presentation Awards at the Davis

Conference from the past four years have contributed chapters to this volume These papers cover topics ranging from organizational name changes and organizational afterlife to the use of written letters to build relationships and the use of a creative foil to improve one's leadership image Yet all of these papers are similar in that they benefited from the community of over 100 scholars developed through the Davis Conference and represent qualitative research at its very best Gender Differences in Aspirations and Attainment Ingrid Schoon, Jacquelynne S. Eccles, 2014-09-25 A dynamic and contextualized account of the processes and mechanisms underlying gendered career decisions and attainment across the life course

Youth and Generation Dan Woodman, Johanna Wyn, 2014-11-17 Woodman and Wyn have produced a text that offers conceptual clarity and real depth on debates in youth studies The authors skilfully guide us through the main sociological theories on young people and furnish us with sophisticated critiques from which to rethink youth and generation in the contemporary moment Professor Anoop Nayak Newcastle University The promise of youth studies is not in simply showing that class gender and race continue to influence life chances but to show how they shape young lives today Dan Woodman and Johanna Wyn argue that understanding new forms of inequality in a context of increasing social change is a central challenge for youth researchers Youth and Generation sets an agenda for youth studies building on the concepts of social generation and individualisation to suggest a framework for thinking about change and inequality in young lives in the emerging Asian Century
