## **Scriptores Historiae Augustae:**

The Scriptores Historiae Augustae David Magie, 1924 The translation of the biographies from Antoninus Pius to Pescennius Niger and from the Maximini to Maximus and Balbinus inclusive furnished by Mr Ainsworth O Brien Moore the Latin text of the first six biographies has been supplied by Miss Susan H Ballou **Historia Augusta, Volume II:**

**Caracalla. Geta. Opellius Macrinus. Diadumenianus. Elagabalus. Severus**, 1980 The Scriptores Historiae Augustae or Historia Augusta is a collection of biographies of Roman emperors heirs and claimants from Hadrian to Numerianus 117 284 CE The work which is modeled on Suetonius purports to be written by six different authors and quotes documents and public records extensively Since we possess no continuous account of the emperors of the second and third centuries the Historia Augusta has naturally attracted keen attention In the last century it has also generated the gravest suspicions Present opinion holds that the whole is the work of a single author who lived in the time of Theodosius and contains much that is plagiarism and even downright forgery The Loeb Classical Library edition of the Historia Augusta is in three volumes *The Scriptores Historiae Augustae With an English Translation* ANONYMOUS., 2025-05-22 The Scriptores Historiae Augustae is a collection of biographies of Roman emperors Caesars and usurpers from 117 to 284 AD Attributed to a group of authors the collection presents an often unreliable but richly detailed account of the reigns of emperors such as Hadrian Marcus Aurelius and Caracalla Despite questions surrounding its authorship and historical accuracy The Scriptores Historiae Augustae remains an important source for understanding the political and social climate of the Roman Empire during this period This English translation offers modern readers access to the vivid narratives and anecdotes that have captivated historians and enthusiasts for centuries The biographies provide insights into the lives personalities and policies of the emperors as well as the intrigues and power struggles within the imperial court Whether approached as a historical document or a work of literature The Scriptores Historiae Augustae provides a fascinating window into the world of ancient Rome This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Scriptores Historiae Augustae**, 1960 *The Scriptores Historiae Augustae*, 1961 The Scriptores Historiae Augustae With an English Translation

Anonymous,2023-07-18 This multi volume series collects the biographies of ancient Roman emperors and usurpers beginning with Hadrian and ending with Numerianus and Carinus Written in the early fourth century by a group of unknown authors the histories provide an invaluable account of Roman politics and culture during a turbulent period of the empire This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
