## **Scripture Alone The Evangelical Doctrine:**

*Scripture Alone* Robert Charles Sproul, 2005 The writings in *Scripture Alone* constitute an important restatement of the evangelical doctrine of Scripture which will help all Christians to stand firm in defense of the truth *Scripture Alone* R. C. Sproul, 2013-09-10 In the twentieth century the doctrine of Scripture became a particular focus of intense criticism Some of R C Sproul s most significant writings have been on the doctrine of Scripture Not all this material is in print and no volume has ever collected his best writings on this pivotal doctrine *Scripture Alone* consists of four chapters that originally appeared in symposium volumes edited by others and the author s commentary on the Chicago Statement on Biblical Inerrancy These writings constitute an important restatement of the evangelical doctrine of Scripture *Scripture Alone* will help all Christians to stand firm in defense of the truth *Faith Alone* R. C. Sproul, 1999-02-01 A leading theologian explains the biblical doctrine of justification by faith alone and urges fellow evangelicals to embrace this classic Protestant teaching

**Evangelical Bible Doctrine** Dr. Keith Sherlin, 2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr Wayne House Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come **Evangelical Exodus** Douglas Beaumont, 2016 Over the course a single decade dozens of students alumni and professors from a conservative Evangelical seminary in North Carolina Southern Evangelical Seminary converted to Catholicism These conversions were notable as they occurred among people with varied backgrounds and motivations many of whom did not share their thoughts with one another until this book was produced Even more striking is that the seminary s founder long time president and popular professor Dr Norman Geisler had written two full length books and several scholarly articles criticizing Catholicism from an Evangelical point of view What could have led these seminary students and even some of their professors to walk away from their Evangelical education and risk losing their jobs ministries and even family and friends to embrace the teachings they once rejected as false or even heretical Speculation over this phenomenon has been rampant and often dismissive and misguided leading to more confusion than understanding The stories of these converts are now being told by those who know them best the converts themselves They discuss the primary issues they had to face the nature of the biblical canon the identification of Christian orthodoxy and the

problems with the Protestant doctrines of sola scriptura scripture alone and sola fide faith alone      The Enduring Authority of the Christian Scriptures D. A. Carson, 2016-02-29 Valuable insights into key disputed topics from a veritable who's who of evangelical scholars In this volume thirty seven first rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor editor D A Carson assigned the topics that these select scholars address in the book After an introduction by Carson to the many facets of the current discussion the contributors present robust essays on relevant historical biblical theological philosophical epistemological and comparative religions topics To conclude Carson answers a number of frequently asked questions about the nature of Scripture cross referencing these FAQs to the preceding chapters This comprehensive volume by a team of recognized experts will be the go to reference on the nature and authority of the Bible for years to come CONTRIBUTORS James Beilby Kirsten Birkett Henri A G Blocher Craig L Blomberg D A Carson Graham A Cole Stephen G Dempster Daniel M Doriani Simon Gathercole David Gibson Ida Glaser Paul Helm Charles E Hill Peter F Jensen Robert Kolb Anthony N S Lane Te Li Lau Richard Lints V Philips Long Thomas H McCall Douglas J Moo Andrew David Naselli Harold Netland Osvaldo Padilla Michael C Rea Bradley N Seeman Alex G Smith R Scott Smith Rodney L Stiling Glenn S Sunshine Timothy C Tennent Mark D Thompson Kevin J Vanhoozer Bruce K Waltke Barry G Webb Peter J Williams John D Woodbridge      Theologia et Apologia Adam S. Francisco, Corey D. Maas, Steven P. Mueller, 2007-03-01 Theologia et Apologia gathers together eighteen essays written by a wide range of scholars on Reformation theology and its defense Orthodox theology grounded in the Scriptures calls humanity to believe This same theology must also be presented and defended to a world that has often not attended to its vital message Collectively these essays teach and defend the biblical theology articulated during the Reformation and still today They address topics including the inspiration canon and interpretation of Scripture Reformation era developments classic and modern apologetics and other topics This helpful book honoring Rod Rosenblatt a notable theologian and apologist is a welcome addition to the library of any thinking Christian

*The Case for Catholicism* Trent Horn, 2017-11-29 This is the most up to date comprehensive and thorough defense of the Catholic Church against Protestant objections in print This book is especially relevant as the 500th anniversary of the Protestant Reformation draws near and discussion of the arguments made against the Church during that time in history receive renewed interest The Case for Catholicism answers arguments put forward by early Reformers like Luther and Calvin as well as contemporary defenders of Protestantism like Norm Geisler and R C Sproul It provides a meticulous defense of the biblical and historical nature of Catholic doctrines from Scripture and church history Finally in both answering Protestant objections to Catholicism and in providing evidence for the Faith The Case for Catholicism cites modern Protestant scholars who question Reformation assumptions and show how evidence from Scripture and church history support aspects of Catholic theology This book is divided into four sections with each answering a key question Christians have asked about the

nature of their faith Those key questions are What is my authority What is the Church How am I saved Who belongs to the body of Christ The Case for Catholicism will become a reliable resource for any Catholic who desires a well researched readable and persuasive answer to Protestant arguments made against the Catholic faith *Evangelical Calvinism* Myk Habets,Bobby Grow,2012-06-08 In this exciting volume new and emerging voices join senior Reformed scholars in presenting a coherent and impassioned articulation of Calvinism for today s world Evangelical Calvinism represents a mood within current Reformed theology The various contributors are in different ways articulating that mood of which their very diversity is a significant element In attempting to outline features of an Evangelical Calvinism a number of the contributors compare and contrast this approach with that of Federal Calvinism currently dominant in North American Reformed theology challenging the assumption that Federal Calvinism is the only possible expression of orthodox Reformed theology This book does not however represent the arrival of a new Calvinism or even a neo Calvinism if by those terms are meant a novel reading of the Reformed faith An Evangelical Calvinism highlights a Calvinistic tradition that has developed particularly within Scotland but is not unique to the Scots The editors have picked up the baton passed on by John Calvin Karl Barth Thomas Torrance and others in order to offer the family of Reformed theologies a reinvigorated theological and spiritual ethos This volume promises to set the agenda for Reformed Calvinist discussion for some time to come *A Critical Examination of the Doctrine of Revelation in Evangelical Theology* Carisa A. Ash,2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash s study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward **Global Theology in Evangelical Perspective** Jeffrey P. **Collected Writings on Scripture** D. A. Carson, 2010-07-01 God's Word has always had enemies but in recent years the inspiration and authority of Scripture have been attacked with renewed vigor Respected scholar D A Carson has written widely on the nature of Scripture over the past thirty years and here presents a timely collection of his work in two parts In part 1 Carson selects essays written on such themes as how to interpret the Bible, recent developments in the doctrine of Scripture, unity and diversity in the New Testament and redaction criticism Presenting a theologically balanced and confessional perspective Carson defines the terms of a number of debates, critiques interpretive methods and theories and suggests positive guidelines for future action Part 2 presents critical reviews of nine books dealing with the inspiration and authority of Scripture Though substantial in content Carson's detailed reviews will foster careful thought and perspective in those who are relatively new to

the debates surrounding biblical inspiration and authority This volume is a diverse collection that will prove to be a helpful resource to both seasoned pastors and scholars and those who are just starting serious study of the Bible **BURIED SCRIPTURE** Edward D. Andrews, 2025-05-06 For over a millennium the Word of God was buried beneath the weight of man made tradition ecclesiastical decrees and papal dominance From 500 to 1500 C E the Roman Catholic Church systematically obscured the Scriptures locking them in Latin condemning their translation and replacing their authority with that of councils creeds and a corrupt hierarchy **BURIED SCRIPTURE** confronts this historical reality head on Edward D Andrews author of over 220 books and a leading conservative biblical scholar exposes how Rome silenced the Bible and elevated tradition above truth This is not a work of theological diplomacy It is a bold and unapologetic defense of sola Scriptura the truth that the Bible alone is the final authority in all matters of faith and doctrine In this thoroughly documented and theologically grounded volume Andrews traces the rise of papal power the suppression of Scripture and the courageous efforts of Reformers who reclaimed the buried Word of God for the people The book unearths the historical mechanisms Rome used to replace Scripture with tradition and challenges modern readers to once again submit fully to the inspired inerrant Word of God Whether you are a student of church history a pastor or a Christian committed to truth over tradition **BURIED SCRIPTURE** is a timely and essential call to return to the authority of the Bible and to reject every rival that would dare to take its place *Illumination and Interpretation* M. X. Seaman, 2013-03-06 The Holy Spirit s ministry of illumination is a commonly misunderstood doctrine both pragmatically and theologically As a result this divine activity is often neglected but it should be recognized that it is indispensable for the hermeneutical endeavor This distinctive work seeks to take an apparently abstract concept and make it concrete by establishing proper categories and definitions for the doctrine of illumination while reemphasizing the cooperation of Word and Spirit In doing so this book treats issues such as the relationship between illumination and other hermeneutical doctrines the accessibility of the Spirit s illumination when interpreting the Scriptures and the question of unregenerate biblical interpretation Accordingly *Illumination and Interpretation* presents a biblical theological evaluation of the Spirit s work of illumination for the transformative purpose of understanding how to appropriate this vital hermeneutical doctrine into one s faith and practice **Journeys of Faith** Zondervan, 2012-03-06 Research indicates that on average Americans change their religious affiliation at least once during their lives *Journeys of Faith* examines the movement between four Christian traditions and what led believers to make a shift Four prominent converts to Eastern Orthodoxy Catholicism Evangelicalism and Anglicanism describe their new faith traditions and doctrines and their spiritual journeys into them Response chapters offer respectful critiques Contributors include Wilbur Ellsworth Eastern Orthodoxy with a response by Craig Blaising Francis J Beckwith Roman Catholicism with Gregg Allison responding Chris Castaldo Evangelicalism and Brad S Gregory s Catholic response Lyle W Dorsett Anglicanism with a response by Robert A Peterson This book provides you with a series of first hand accounts of thoughtful Christians

changing religious affiliation or remaining true to the traditions they have always known and their rationale for those decisions Gain a wealth of insight into the attractions of each of the represented denominations and an understanding of the current faith migration within the church today      **Talking with Catholics about the Gospel** Christopher A.
