Vernon Staley, 1901 *Letter and Spirit* Scott Hahn, Dave Scott, 2006 Letter Spirit is a journal of Catholic biblical theology for the new millennium It seeks to foster deeper understanding of sacred Scripture and the divine liturgy of the Church This second volume of the journal The Authority of Mystery The Word of God and the People of God is inspired by the scholarship of Pope Benedict XVI especially Benedict's concerns about the relation of the Bible to faith in Christ The editors write in their introduction As we write in our introduction How to read the Bible is at bottom a question about the identity of Jesus Is he Jesus of Nazareth only or is he also the Christ the Son of the living God Did he have a divine mission to reveal the mystery of God or was he only a man like others Does he remain among us in sacrament and liturgy Letter Spirit is published annually by the St Paul Center for Biblical Theology a nonprofit research and educational institute founded by Dr Scott Hahn The journal is published in association with Emmaus Road Publishing *Our promised peace, some thoughts on the Incarnation, selected and arranged by T.T. F. Torrance's Theology of Incarnation* Man Kei Ho, 2008 This book analyses T F Torrance's theology of incarnation His theology is built upon several crucial presuppositions This book examines these presuppositions and their role within the framework of Torrance's theology It explores its unitary structure by analyzing his fundamental methods in hermeneutics dialectics natural theology and natural science In particular the study addresses the internal incoherence inconsistency and seemingly paradoxical nature of his writings such as the integration of dualistic ideas into a unitary theological structure and highlights the impact of Barthian theology on his theological formulation The Sacred Scriptures of India, 2009 Why Christ Came Joel R. Beeke, William Boekestein, 2013-09-09 When thinking about Christ's birth we often focus our attention on

Luke's detailed gospel account. But to appreciate the main point of the story that the eternal Son of God assumed our flesh and blood human nature we need to learn from the rest of the Bible why Christ came to earth. Why did Christ come? In this book thirty-one thoughtful meditations answer this vital question and the answers encourage us to celebrate Christ's birth more deeply, see more clearly how it is connected with the rest of His ministry and recognize its importance for our lives.

Christian Meditation in Clinical Practice Joshua J. Knabb, 2021-11-30 What would it look like to turn to the Christian faith to cultivate meditation practices? Presenting Christian meditation as an alternative to Buddhist-informed mindfulness, this workbook from Dr. Joshua Knabb offers a Christian-sensitive approach to meditation in clinical practice, focusing on both building theory and providing replicable practices for Christian clients and their therapists.

The Doctrine of the Incarnation Opened Edward Irving, 2023-08-31 In *The Doctrine of the Incarnation Opened*, an abridgement of Edward Irving's 1792-1834 sermons, readers have fresh access to and insightful comment on Irving's distinctive views regarding the person of Jesus Christ. The book follows the sermons in a logical progression: the goal and method of the incarnation, the events of the incarnate life and the death of Christ, and the effects of the incarnation. For Irving, God the Son's assumption of a fallen human nature was of the utmost importance and garnered most attention. This view also dominates Irving's soteriology, according to which the incarnate Son takes over the human will, reforming the very origin of sin and offering obedience to the Father as a sacrifice of praise. Irving's radical Christological thought informed the thinking of notable theologians such as John McLeod Campbell, Thomas F. Torrance, and Karl Barth. With an introduction by G. McFarlane and a critical response by J. D. Cameron, *The Doctrine of the Incarnation Opened* provides an accessible format to engage with Irving's influential thoughts and ideas.

Neither will you find poorly done OCR versions of those faded scans, either with illegible words that contain all kinds of strange characters like % the purpose to put away sin, the purpose to destroy the works of the devil, and

the purpose to establish by another advent the Kingdom of God in the world Christ was in conflict with all that was contrary to the purposes of God in individual social national and racial life There is a sense in which when we have said this we have stated the whole meaning of His coming His revelation of the Father was toward this end His putting away of sin was part of this very process and His second advent will be for the complete and final overthrow of all the works of the devil

Scripture in Doctrinal Dispute Frances M. Young, 2024-08-13 How did Scripture function in early arguments about doctrine Historical criticism has revealed a gap between scripture and the mainstream doctrines that define Christianity today Not the least of these are the Trinity and two natures of Christ widely accepted since the fifth century but seemingly unfounded in historical readings of Scripture How did these dogmas become so integral to the faith in the first place Frances M Young tackles this monumental question in a culmination of decades of biblical and patristic research The second of two volumes Scripture in Doctrinal Dispute illuminates the role of biblical hermeneutics in the debates that forged Christian dogma on the nature of God Young shows how the theological commitments to God as the sole creator of all else from nothing shaped fourth and fifth century disputes over Christology and the Trinity Played out in the great councils of the fourth century and beyond these conflicts drove the need to discern doctrinal coherence in scripture The different sides relied on different prooftexts and the rule of faith served as the criterion by which scriptural interpretation was measured thereby forming the basis of the creeds Nuanced and ecumenical Scripture in Doctrinal Dispute completes Young s magnum opus closing the gap between scripture and Christian tradition Young s magisterial study holds widespread implications for not only patristics but also exegesis and systematic theology [Library of Congress Catalogs](#) Library of Congress, 1977
