Stewart, 2025-07-29 Jonathan Demme one of the most influential and dynamic directors of the twentieth century was a fearless and radical filmmaker screenwriter and producer a compassionate artist advocate and humanist who was compelled to tell the stories of marginalized communities His intense passion and appreciation of music culture and art were interwoven throughout his life and extraordinary body of work *There's No Going Back* is the first complete biography of an auteur whose remarkable and versatile career encompassed acclaimed narratives documentaries and films spanning nearly five decades Best known for *Melvin and Howard* 1980 *The Silence of the Lambs* 1991 *Philadelphia* 1993 and *Beloved* 1998 Demme was an Oscar winning filmmaker with a recognizable style and voice He often used that voice to champion women's rights and amplify social and environmental justice issues Demme was also well regarded for the loyalty devotion and collegiality shown to the actors camera crew and technical staff he employed in his projects Cinephile and journalist David M Stewart affirms that Demme was more than just a quirky filmmaker or a product of 1970s New Hollywood he was ceaseless and earnest in his approach to capturing humanity in all its complexities Drawing from interviews with Demme's collaborators and colleagues Stewart presents the many facets of the filmmaker's life as seen through the eyes of those who were in his warm eclectic orbit *There's No Going Back* is a compelling and fitting tribute to the brilliance and breadth of the man behind the camera      **Dignaga on the Interpretation of Signs** R.P.

Hayes, 2012-12-06 Buddhist philosophy in India in the early sixth century C E took an important turn away from the traditional methods of explaining and systematizing the teachings in Sāhita literature that were attributed to the Buddha The new direction in which several Indian Buddhist philosophers began to move was that of following reasoning to its natural conclusions regardless whether the conclusions conflicted with traditional teachings The central figure in this new movement was Dignāga a native of South India who found his way to the centre of Buddhist education at Nalanda studied the treatises that were learned by the Buddhist intellectuals of his day and eventually wrote works of his own that formed the core of a distinctly new school of Buddhist thought Inasmuch as virtually every Indian philosopher after the sixth century had either to reject Dignāga's methods or build upon the foundations provided by his investigations into logic epistemology and language his influence on the evolution of Indian philosophy was considerable and indeed some familiarity with Dignāga's arguments and conclusions is indispensable for anyone who wishes to understand the historical development of Indian thought
