## **Louise Von Gall Her World And Work:**

**Louise Von Gall** Hugh Powell, 1993 Louise von Gall 1815 1855 wrote two novels over 20 short stories two comedies and numerous feuilletons She was a writer of fiction whose works betrayed her interests in politics economics technology and the injustices suffered by a majority of the German population In her time she was considered a minor writer though it is now evident that her works revealed more about contemporary problems than those of much more prominent writers Powell's book aims to reappraise the works and achievements of a long forgotten social critic and to place her in the environment of other would be social reformers such as Karl Gutzkow and the economist Friedrich List      **Ambivalence Transcended**
