Louisianas Fiscal Alternatives Finding Permanent Solutions To Recurring Budget Crises:

Louisiana's Fiscal Alternatives James A. Richardson, 1988 **Government Budget Forecasting** Jinping Sun, Thomas D. Lynch, 2017-09-25 Revenue and expenditure forecasting plays an important role in public budgeting and financial management particularly during times of financial constraint when citizens impose greater accountability upon government to use taxpayer dollars more efficiently Despite its significance revenue and expenditure forecasting is often overlooked in the budget process and there is an imbalance between practice and research in this area Based on the collaboration of budget scholars and practitioners Government Budget Forecasting fulfills two purposes Enhances the understanding of revenue and expenditure estimation both theoretically and practically Stimulates dialogue and debate among practitioners and academicians to identify good forecast practices as well as areas for improvement Divided into four parts this comprehensive reference first examines forecast practices at the federal state and local levels drawing on case studies that include California Texas and Louisiana It then explores consensus systems and risk assessment considering political factors and the costs of forecast errors The text concludes with a call to transparency and guidance from a code of ethics and a look at forecasting practices in emerging countries Louisiana History Florence M. Jumonville, 2002-08-30 From the accounts of 18th century travelers to the interpretations of 21st century historians Jumonville lists more than 6 800 books chapters articles theses dissertations and government documents that describe the rich history of America s 18th state Here are references to sources on the Louisiana Purchase the Battle of New Orleans Carnival and Cajuns Less explored topics such as the rebellion of 1768 the changing roles of women and civic development are also covered It is a sweeping guide to the publications that best illuminate the land the people and the multifaceted history of the Pelican State Arranged according to discipline and time period chapters cover such topics as the environment the Civil War and Reconstruction social and cultural history the people of Louisiana local parish and sectional histories and New Orleans It also lists major historical sites and repositories of primary materials As the only comprehensive bibliography of the secondary sources about the state Louisiana History R is an invaluable resource for scholars and researchers *The Southwest Economy in the 1990s: A Different Decade* Gerald P.
